Re: Columbia Housing Authority – Providence Walkway

Executive Summary

An ordinance authorizing the City Manager to sign an amendment to an agreement between Columbia Housing Authority and the City of Columbia, MO for Providence Walkway.

Discussion

The City of Columbia received \$25.2 million in American Rescue Plan Act (ARPA) funds to address the public health and economic impacts of the COVID-19 pandemic. On October 2, 2023, the City Council approved a resolution that instructed staff to negotiate agreements for Council consideration utilizing the ARPA funds. On April 1, 2024, the City Manager signed an agreement with Columbia Housing Authority for the Providence Walkway project which included plans to tear down 50 units on the west side of Providence Road in downtown Columbia and replace the units with 52 new affordable units. The agreement was for \$3,000,000. Funding was provided as a 0% interest loan due upon transfer of title, and forgivable after 20 years. This amendment changes the statement of work from creating 25 new housing units to constructing 9 new housing units and rehabilitating 16 units. All other terms remain unchanged.
