Ordinance No. 023819

Council Bill No. B 67-19

**AN ORDINANCE**

determining it is in the public interest to construct the relocation of a portion of Route H to allow for the extension of Runway 2-20 at the Columbia Regional Airport; approving and adopting plans and specifications; determining that the work shall be done by contract; calling for bids through the Purchasing Division; providing for payment for the improvement; appropriating funds; authorizing the City Manager to obtain, execute and record all documents necessary for the improvement; providing for compliance with the prevailing wage law and state-mandated construction safety training; and fixing the time when this ordinance shall become effective.

WHEREAS, an interested parties meeting for the proposed relocation of a portion of Route H to allow for the extension of Runway 2-20 at the Columbia Regional Airport was held by the Economic Development Department on November 20, 2018; and

WHEREAS, the City Council adopted a resolution declaring the necessity for the proposed construction of the improvement project; and

WHEREAS, the notice of a public hearing on this project was published in a daily newspaper of general circulation in the city; and

WHEREAS, the City Council has held a public hearing on construction of the proposed improvement project.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The Council finds that the construction to relocate a portion of Route H to allow for the extension of Runway 2-20 at the Columbia Regional Airport in the City of Columbia, Missouri, is necessary for the welfare and improvement of the city and that it is in the public interest that such improvements be made.

SECTION 2. The plans and specifications for this improvement project are hereby approved.

SECTION 3. The construction of the improvement project shall be done by contract in accordance with the plans and specifications, the laws of the State of Missouri, and the Charter and Ordinances of the City of Columbia, Missouri.

SECTION 4. The Purchasing Agent is hereby authorized to call for bids and execute a contract for the improvement project.

SECTION 5. Payment for this improvement shall be made from Federal Aviation Administration grant funds, Missouri Department of Transportation grant funds, transportation sales tax funds and such other funds as may be lawfully appropriated. Subject to the availability of grant funds, the Federal Aviation Administration (FAA) shall reimburse the City 90% of the project costs (\$2,940,113.00), the Missouri Department of Transportation shall reimburse the City 5% of the project costs (\$163,340.00), and the City shall pay the remaining 5% of the local match (\$163,340.00).

SECTION 6. The sum of \$2,940,113.00 is hereby appropriated from the Federal Contributions Account No. 5541-461000, AP123 to the Relocation of Route H Account No. 55416288-604990, AP123.

SECTION 7. The City Manager is authorized to obtain, execute and have recorded all licenses, easements, deeds and any other conveyances or instruments necessary for the City to complete this improvement.

SECTION 8. Pursuant to Section 290.250 RSMo., the contract for the improvement project shall provide that not less than the prevailing hourly rate of wages, as found by the Department of Labor and Industrial Relations of Missouri, shall be paid to all workers performing work under any contract in excess of \$75,000.00. The contractor's bond shall guarantee the faithful performance of the prevailing hourly wage clause in the contract. The City shall also cause to be inserted into the contract a stipulation that all laborers and mechanics employed by the contractor or subcontractors in the performance of work under the contract shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act.

SECTION 9. Pursuant to Section 292.675 RSMo., the bid specifications and contract for the improvement shall provide that the contractor and any subcontractor shall provide a ten-hour Occupational Safety and Health Administration construction safety program (or a similar program approved by the Missouri Department of Labor and Industrial Relations) for all employees working on-site. All employees working on the site of the improvement are required to complete the safety program within 60 days of beginning work on the improvement project.

SECTION 10. This ordinance shall be in full force and effect from and after its passage.

PASSED this 18<sup>th</sup> day of March, 2019.
