Re: Setting a Public Hearing for 2022 Property Tax Rates

Executive Summary

Public hearing for the 2022 Property Tax Rate for the City of Columbia at \$0.4032 (per \$100 assessed valuation).

Discussion

The City of Columbia levies property taxes to support operations of basic services within the General Fund. These rates are set each year within the limits set by the constitution and statutes of Missouri. They are based on the revenues received from the prior year, with an allowance for growth based on the rate of inflation. Values from new construction and improvements, and any increments in personal property valuation are held aside. The resulting tax rate becomes the permitted rate for the year if it falls within the ceiling allowed. The City of Columbia's current ceiling is \$0.4257.

The 2022 property tax supports the City's FY23 budget. These property taxes comprise approximately 8.5% of the total General Fund revenue, which is roughly \$9.5 million dollars. The rate computed for 2021 was \$0.4032 per \$100 assessed valuation. This rate has not changed for 2022, per the certification by the Office of Missouri State Auditor. Assessed value is a percentage of the market value as determined by the County Assessor's office.
