Council Meeting Date: August 21, 2017

Re: Authorizing an operations agreement with The Blue Note for the production and execution of four (4) 9th Street Summerfest Events.

Executive Summary

Staff has prepared for Council consideration a resolution granting an operations agreement with The Blue Note for the production of (4) 9th Street Summerfest Events.

Discussion

Mike Nolan, The Blue Note, has requested to hold 9th Street Summerfest Events. The dates requested are September 8 and September 9, 2017 and September 15 and September 16, 2017; these dates are those prior to, and of University of Missouri home football games.

Per section 24-73 subsection (b) of the City Code, the City Event Committee is not authorized to close a street the day of, or the day after, a University of Missouri home football game (...) any closures of this kind require an agreement negotiated by the City Manager, or designee, and the event organizer, and approved by the City Council.

An operations agreement has been negotiated to address the following areas:

- Event security
- Road closures
- Alcohol sales and consumption
- Stage set-up and tear down

The City Event Committee has reviewed the applications for each event and has worked, and will continue to work, with event organizers to ensure safety and quality events for event-goers and the public.
