

Introduced by Treace Council Bill No. R 26-17

### A RESOLUTION

authorizing the installation of street lights along portions of Texas Avenue, Whitegate Drive, Mulberry Road and Westwinds Drive, and the installation of solar powered lights on Edenton Boulevard; authorizing the installation of replacement lighting on Sylvan Lane and Forest Avenue.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The City Council hereby authorizes the following street light installations:

- Installation of one (1) 57-watt LED street light with full cutoff on the north side of Texas Avenue, near the "Texas Dip," as shown on "Exhibit A" attached hereto.
- Installation of one (1) 57-watt LED street light with full cutoff on the north side of Mulberry Road, near 2807 Mulberry Road, as shown on "Exhibit D" attached hereto.
- Installation of one (1) 57-watt LED street light with full cutoff on the south side of Westwinds Drive, near its intersection with West Boulevard South, as shown on "Exhibit E" attached hereto.
- Installation of two (2) solar powered LED lights at the terminus of Edenton Boulevard and west of Greensboro Drive, as shown on "Exhibit I" attached hereto.

SECTION 2. The City Council hereby authorizes the following lighting replacements:

- Replacement of three (3) mercury vapor lights at the intersection of Whitegate Drive and Sylvan Lane with three (3) 57-watt LED lights with full cutoff, as shown on "Exhibit C" attached hereto.
- Replacement of three (3) mercury vapor lights along the east side of West Forest Avenue with three (3) 57-watt LED lights with full cutoff, as shown on "Exhibit J" attached hereto.

ADOPTED this 2du day of February, 2017.
