

## **DEVELOPMENT AGREEMENT**

THIS DEVELOPMENT AGREEMENT (“Agreement”) is made and entered into on the last date executed by a party as indicated on the signature pages below, by and between **Cherry Street Hotel, LLC**, a limited liability company organized under the Missouri Limited Liability Company Act (“Owner”), and the **City of Columbia, Missouri**, a constitutional charter municipality of the State of Missouri (“City”). The City and the Owner may hereinafter be collectively referred to as the Parties and individually as a Party.

### **RECITALS**

**WHEREAS**, Owner holds title to a parcel of land located at or near 1005 Cherry Street in the City of Columbia, Missouri described in the attached **Exhibit A**. (the “Subject Property”); and

**WHEREAS**, Owner desires to develop the Subject Property for a new hotel project; and

**WHEREAS**, when fully developed, the Subject Property is anticipated to consist of approximately 72,600 square feet of space with approximately 140 guest rooms (the “Project”); and

**WHEREAS**, the parties desire to set forth responsibility for the construction and dedication of certain public improvements associated with development of the Subject Property in this Agreement;

**NOW, THEREFORE**, in view of the foregoing Recitals and in consideration of the mutual promises, declarations, covenants and agreements of the City and Owner as hereinafter set forth, the Parties hereby agree as follows:

1. **Contingencies.** This Agreement is contingent upon issuance of a building permit to Owner to construct the Project.

2. **Agreement to Run with the Land.** The provisions of this Agreement will constitute covenants running with the entirety of the Subject Property and each and every part of the Subject Property, and will bind the current Owner and all of such successors and assigns.

3. **Owner's Obligations for Development.**

a) Hitt Street Frontage.

Owner will remove the improvements located on Hitt Street adjacent to the Subject Property. Owner shall construct new half-street improvements on Hitt Street adjacent to the Subject Property consisting of a half street right of way width of no less than thirty-three feet (33') when measured from the centerline, an additional curb lane for temporary standing of vehicles of no less than nine feet (9') in width, and a sidewalk of no less than ten feet (10') in width, including back of curb, as shown in the attached drawings depicted on **Exhibit B** attached hereto and in compliance with the City's Unified Development Code, including Section 29-4.2 and Appendix A, Section A.10.

b) Alley Improvements.

Owner will construct half-street improvements in the Alley adjacent to the North side of the Subject Property of no less than twelve feet (12'), as shown in the attached drawings depicted on **Exhibit B** attached hereto and in compliance with the City's Unified Development Code. Owner shall repair any damage, aesthetic or structural, which occurs to the Alley or on the adjacent property as a result of the improvements.

c) Required Public Improvements.

The construction of public improvements set forth herein and as otherwise required under the regulations of the City and as shown on any final plat of the Subject Property or related approved construction plans will be a material condition of this Agreement and the failure to timely construct any required public improvement will constitute a breach of this Agreement. Remedies for breach of this Agreement will be in addition to any other remedies provided under City Code or other instrument executed by and between Owner and the City.

d) Utility Service Connections; Occupancy Permits.

No utility service connections or occupancy permits shall be issued to the Owner or any other person for any structure on the Subject Property unless and until all utilities and improvements have been constructed, erected and installed in the structure and upon the lot or lots on which the structure is situated in accordance with all applicable ordinances, rules and regulations of the City. Additionally, no occupancy permits shall be issued to the owner or any other person for any structure on the Subject Property until completion of the owner's obligations, as set forth herein, including the street and sidewalk adjacent

to the Subject Property being completed in compliance with the City's Street, Storm Sewer, and Sanitary Sewer Specifications and Standards.

4. **Construction and Bonding of Improvements.** Except as otherwise expressly indicated herein, all public improvements required under the regulations of the City or this Agreement must be constructed in accordance with the City's Street, Storm Sewer, and Sanitary Sewer Specifications and Standards, as may be amended, or any successor specifications and standards adopted by the City together with any final construction plans approved by the City prior to construction of such facilities. Construction plans must include a thorough geotechnical study performed by a qualified geotechnical engineer who must certify that the proposed site development does not pose unacceptable risks to public safety or infrastructure. In connection with construction, the Owner shall be required to post bonds or other security as required by the city code. Owner is responsible for obtaining all necessary easements to construct improvements related to Owner's Development of the Subject Property.

5. **Recording.** The City shall cause this Development Agreement to be recorded with the Recorder of Deeds of Boone County, Missouri, at the cost and expense of the Owner.

6. **Amendments.** Any amendment to this Agreement must be in writing and must be executed by the City and the Owner, and any future owner of any part of the Subject Property who would otherwise be obligated to perform any of the requirements imposed upon the Owner by this Agreement. Oral modifications or amendments of this Agreement are of no force or effect.

7. **Remedies.** The parties to this Agreement may, either in law or equity, by suit, action, mandamus or other proceedings in court, seek declaratory relief, enforce and compel specific performance of this Agreement, provided that in no event will the City have any liability in damages, costs (including attorneys' fees) or any other monetary liability to Owner or any affiliate of Owner, any person claiming through Owner, or to their respective successors, assigns, heirs and personal representatives in respect of any suit, claim, or cause of action arising out of this Agreement or any of the actions or transactions contemplated herein.

8. **Third Party Actions.** Owner will have the right, but not the obligation to assume the costs of defense of any action or proceeding initiated by a third party challenging this Agreement, the zoning or rezoning of the Subject Property, or any other actions or transaction contemplated by this Agreement (including, without limitation, to settle or compromise any claim or action for which Owner has assumed the defense) with counsel of Owner's choosing and the City and Owner agree that so long as no conflicts of interest exist between them, the same attorney or attorneys may simultaneously represent the City and Owner in any such proceeding. In no event will

the City have any liability to Owner for damages or otherwise in the event that all or any part of this Agreement, the ordinances approving any part of the development are challenged or declared invalid or unconstitutional in whole or in part by a final (as to which all rights of appeal have been exhausted or expired) judgment of a court of competent jurisdiction, and, in the event Owner elects not to assume such defense and costs, the City will have no obligation to defend or to assume the costs of defense of any such action.

13. **No Third Party Beneficiaries.** There are no third party beneficiaries to this Agreement.

14. **Failure or Delay to Enforce.** No failure to exercise or delay in exercising any right hereunder on the part of any Party to this Agreement shall operate as a waiver thereof, and no single or partial exercise of any right of such Party shall preclude any other or further exercise of such right or the exercise of any other right.

15. **Power of the City.** Notwithstanding anything set forth in this Agreement to the contrary, no provision contained herein shall in any manner diminish or usurp the inherent rights and powers of the City to act in its capacity as a public body. All financial obligations of the City shall be subject to future appropriation of the City in

16. **Authorized Employees.** Owner acknowledges that Section 285.530, RSMo, prohibits any business entity or employer from knowingly employing, hiring for employment, or continuing to employ an unauthorized alien to perform work within the State of Missouri. Owner will execute an Immigration Law Compliance Affidavit in substantially the same form as attached hereto in Exhibit E and will cause any person or entity performing work on any public infrastructure project to confirm compliance with Section 285.530(1) and execute an Immigration Law Compliance Affidavit.

17. **Inspection.** Upon reasonable prior notice, the City may conduct such periodic inspections of the projects herein, including any applicable phase, as may be generally provided in the applicable law or regulation for inspection thereof pursuant to comply with the terms of this Agreement. The Owner shall not deny the City and its officers, employees, agents and independent contractors the right to inspect upon reasonable prior written request, all engineering or construction contracts or documents pertaining to the construction of the public infrastructure or any applicable phase thereof.

18. **Governing Law.** This Agreement will be construed according to the laws of the State of Missouri. The Parties will comply with all local, state, and federal laws and regulations relating to the performance of this Agreement.
