Re: Amending Two (2) Agreements with Taxi Terry's LLC pursuant to City's Wheelchair Accessible Vehicle (WAV) Taxi Services Agreement

## Executive Summary

Authorize the City Manager to execute an Amendment on two (2) Wheelchair Accessible Vehicle (hereinafter "WAV") taxi services agreements with Taxi Terry's LLC to reflect the WAVs that will be operated under the agreement.

## Discussion

On July 2, 2018, City Council authorized three (3) WAV taxi grant agreements with Taxi Terry's LLC. The WAV taxi services agreements are for a total of \$15,000 each, provided that Taxi Terry will offer WAV taxi services in the community for a minimum of three (3) years.

Since the agreements were authorized, Taxi Terry's, LLC has procured two WAVs and decided that a third WAV is not currently feasible due to costs (both parties have agreed to terminate that agreement).

At this time, the City and Taxi Terry's request to amend the remaining two (2) WAV taxi agreements to accurately reflect the vehicles that Taxi Terry's, LLC will be operating. These vehicles are the same make, model and specifications as Exhibit 1 of the original agreement, but a newer year and fewer miles.

## Fiscal Impact

Short-Term Impact: The cost of a wheelchair accessible vehicle is \$15,000 per vehicle

Long-Term Impact: None.
