

CONVENTION AND VISITOR'S BUREAU TOURISM
DEVELOPMENT SPONSORSHIP AGREEMENT

THIS AGREEMENT between the City of Columbia, Missouri, a municipal corporation (hereinafter "City") and Ragtag Film Society, a Nonprofit Corporation organized in the State of Missouri (hereinafter "Grant Recipient") is entered into on the date of the last signatory noted below (the "Effective Date"). City and Grant Recipient are each individually referred to herein as a "Party" and collectively as the "Parties."

WHEREAS, Grant Recipient has submitted its application for event funding to the Columbia Convention and Visitors Bureau ("CVB"); and

WHEREAS, the event proposed by Grant Recipient (the "Event") together with the Tourism Fund funding request is more fully set forth in Exhibit A attached hereto and incorporated herein by reference; and

WHEREAS, the use of tourism funds proposed by Grant Recipient will further the planning and promotion of a tourist event which will have a substantial potential to generate overnight visitations.

NOW, THEREFORE, the Parties hereto, for good and sufficient consideration, the receipt of which is hereby acknowledged, intending to be legally bound, do hereby agree as follows:

1. City agrees to provide tourism funding to Grant Recipient in the amount of Twenty Thousand Dollars (\$ 20,000.00) in exchange for Grant Recipient conducting the Event and providing the services set forth in Exhibit A. Grant Recipient agrees that it is responsible for all funds made available to Grant Recipient by this Agreement and further agrees that it will reimburse to City any funds expended in violation of city, state, or federal law or in violation of this Agreement. Should the Event be cancelled, Grant Recipient shall, within thirty (30) days, refund to the City all money paid by the City.
2. Grant Recipient agrees that it will make no material changes in the approved Event unless such changes are approved in writing by City prior to the Event.
3. Grant Recipient agrees that it is subject to audit and review on request by City. If Grant Recipient has a financial audit prepared, that report shall be furnished to the CVB.
4. Grant Recipient agrees that all funds received from City will be expended as approved by City Council and none of the funds shall be diverted to any other use or purpose, except as recommended by the CVB's Advisory Board and as approved by the City Council. Full records of all expenditures and disbursements and any income from the provision of the Event described in Grant Recipient's proposal shall be kept and open to City inspection during regular business hours.

5. Grant Recipient agrees to provide the Convention and Visitors Bureau with copies of all financial documentation no later than ninety (90) days following the last day of the funded event, as outlined in the Post-Event Documentation Procedures established by the CVB. Documentation must include copies of checks issued for payment of services or items, copies of corresponding invoices and copies of any required contracts. If Grant Recipient does not provide financial documentation, Grant Recipient may not be eligible for future funding. This paragraph does not limit other remedies available to the City in the event Grant Recipient breaches this Agreement.

6. Grant Recipient agrees that the CVB and City will be recognized as outlined in Grant Recipient's proposal.

7. Termination Provisions.

- a. By Mutual Agreement. This Agreement may be terminated at any time during its Term upon mutual agreement by both Parties.
- b. By Convenience. With ten (10) days written notice, either Party may terminate this Agreement for convenience. If terminated by Grant Recipient, Grant Recipient shall return all grant proceeds.
- c. By Default. Upon the occurrence of an event of Default, the non-Defaulting Party shall be entitled to immediately terminate this Agreement.

8. **HOLD HARMLESS AGREEMENT.** To the fullest extent not prohibited by law, Grant Recipient shall indemnify and hold harmless the City of Columbia, its directors, officers, agents, and employees from and against all claims, damages, losses, and expenses (including but not limited to attorney's fees) for bodily injury and/or property damage arising by reason of any act or failure to act, negligent or otherwise, of Grant Recipient, of any subcontractor (meaning anyone, including but not limited to consultants having a contract with Grant Recipient or a subcontractor for part of the services), of anyone directly or indirectly employed by Grant Recipient or by any subcontractor, or of anyone for whose acts the Grant Recipient or its subcontractor may be liable, in connection with providing these services. This provision does not, however, require Grant Recipient to indemnify, hold harmless, or defend the City of Columbia from its own negligence. This clause shall survive termination of this Agreement.

9. Miscellaneous Clauses.

- a. No Assignment. This Agreement shall inure to the benefit of and be binding upon the Parties and their respective successors and permitted assigns. Neither Party shall assign this Agreement or any of its rights or obligations hereunder without the prior written consent of the other Party.

Grant Recipient shall also sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services. Grant Recipient shall require each subcontractor to affirmatively state in its contract with Grant Recipient that the subcontractor shall not knowingly employ, hire for employment or continue to employ an unauthorized alien to perform work within the State of Missouri. Grant Recipient shall also require each subcontractor to provide Grant Recipient with a sworn affidavit under the penalty of perjury attesting to the fact that the subcontractor's employees are lawfully present in the United States.
- f. **No Waiver of Immunities.** In no event shall the language of this Agreement constitute or be construed as a waiver or limitation for either party's rights or defenses with regard to each party's applicable sovereign, governmental, or official immunities and protections as provided by federal and state constitutions or laws.

Describe in detail how Tourism Development funds will be used.

Since its inception in 2004, the True/False Film Fest has captivated and engaged communities in immersive arts experiences. Over the past 20 years, the Fest has expanded its artistic focus to include art installations, live music performances, filmmaker mentorships, and a robust education program. The international reputation of the Fest as a place for people to connect, debate and share diverse viewpoints has grown with many filmmakers, critics, journalists and other visitors who return year after year for the unparalleled hospitality and creative spirit of our city. The 2024 festival will look similar to 2023 in scope and scheduling: it will span four days, feature approximately 96 screenings of 32 full-length and 25 short films, and bring out an audience of approximately 10,000 individuals. We will host over 150 filmmakers, artists, and musicians from across the globe.

One special element that contributes to the Fest's lore is the accessibility and interaction between filmmakers and attendees—engagement that is unique in the film festival world. Both organic run-ins at coffee shops and restaurants, and True/False programs intentionally designed to provide attendees with a heightened experience with film—post-film Q&As, dinner with filmmakers for students and teachers that participate in Camp True/False, Campfire Stories and Gimme Truth, among others—are made possible by the funding provided by the CVB Signature Series grant. **True/False will divide the Signature Series funds it receives between ground transportation for artists, promotional and marketing outside of Boone County, and the printed program books which includes ads and information on local attractions.** As a direct result from these funds, not only is True/False able to bring exquisite films and high caliber filmmakers, musicians and artists to Columbia, it also invites new and returning passholders and guests for an unforgettable experience while enjoying the local establishments.

To extend our reach as far as possible, T/F crafts events and outreach that cast a wide net and reflect the ever-evolving art form that we champion: creative nonfiction film. We do this by engaging new filmmakers with our biennial artist development program, Confluence, and special events such as the game show Gimme Truth! We partner with local business owners to support our service industry and our entrepreneurship community, and offer state-of-the-art educational opportunities that feature direct interactions between students and filmmakers.

Additionally, in an effort to increase ADA accessibility of our programming to a wider range of individuals, True/False continues to improve the Fest by having wheelchair accommodations at all venues, sign-language interpretation at select screenings and events, and assistive listening devices available at several film venues.

By approaching film as an art form and promoting media literacy, education, and new ideas, Fest guests and attendees alike are inspired to expand their understanding of art, explore their assumptions on crucial contemporary issues, and critically analyze media messages. Going into its 21st year, the Fest's reputation has grown from a DIY film festival to a hallmark cultural event, a direct result of the generous funding from organizations like the CVB, and continued support from our community, whose hearts and hands have had an important role in cultivating the Fest's signature spirit of hospitality.

How many overnight stays does your event generate and how do you determine this?

According to our 2023 post-Fest survey results, 48 percent of attendees have a primary residence outside of mid-Missouri. Of those who traveled and stayed overnight, 29 percent stayed in a hotel, 18 percent stayed in a short-term rental, and 53 percent stayed with family or friends. Of those guests staying in Columbia for True/False, 62.8 percent of them stayed for three or more nights.

The Fest Hospitality team manages all guest bookings, and according to our records, we utilized a total of 270 room nights at the Drury Plaza Hotel and a total of 358 room nights at The Broadway in 2023. Room night totals include the four days of the Fest as well as the few days in advance of the Fest when guests are in town for pre-Fest programming and events. Beyond our official hotel partners, we also direct Fest attendees to stay at other CVB identified hotels throughout Columbia during the days leading up to and including the Fest. That list of hotels and their rates are listed on our website for booking convenience.

What was the attendance of last year's event and what method did you use to determine this?

The headcount for the 2023 festival is estimated around 10,000 people and is based on 28,900 tickets. In addition to our guests, we relied on the generosity, creativity, and hard work of 575 volunteers.

To determine the total number of tickets used (or seats taken), we track tickets sold, clicker counts at the door and passes and tickets scanned by our venue staff, which are then checked against our box office reports. While there is always some room for human error, we have confidence in our projections due to our consistency as well as the real-time element of how many seats are filled from the Q lines measured against what capacity remains unfilled. To calculate the festival attendance for unique individuals, we add the number of passholders to an informed estimation of non-passholder individuals. In 2023 the passholder numbers were: 239 Super and Silver Circle; 422 Center; 656 Spring, 1,225 Classic, and 175 Stay Up Late. Additionally, we had 126 Guest passholders, 180 Artist passholders, 617 staff & volunteers, for a total of 3,640 passholders. Non-passholder individuals are estimated based on the following data: general admission tickets redeemed, vouchers redeemed, and attendance at unticketed, free events such as Synapses, Field Sessions, Buskers Last Stand, Toasted, and the free music showcases. We estimate the 2023 attendance to be approximately 10,000 individuals. While this number is still down from pre-pandemic years, it is a notable increase from the 2022 number.

How many years has your event been held?

2024 will be the 21st annual event.

How are you marketing your event? Complete & attach the Marketing Grid.

The unique artistic aesthetic True/False Film Fest has become known for—from reimagined theater venues and larger than life art installations at the Fest to the poster, outreach and marketing materials—is meticulously curated by a team of artistic directors, a marketing team, and graphic designers. For 2024, these promotional materials and programming—including the TV commercial, print ads, poster, and website—focus on the theme: *The Human Paradox*.

Our marketing and design teams create visually appealing marketing materials that draw attendees, both new and returning, to the Fest and our hometown. We are excited to partner with the CVB's PR company, Turner, to help increase our reach and breadth of festival press coverage. Fest advertisement timeline begins on October 1 (online ads) and continues through early March: November 1 (print advertising), December 1 (radio advertising), and January 1 (TV advertising). Our anticipated media buy (cash and trade) for the 2024 Fest is approximately \$143,000.

The True/False Film Fest website, truefalse.org, provides prospective and returning attendees and guests with detailed information about Fest films, events, music, ticketing, passes, art installations, educational programming, community programming, and more. Never missing an opportunity to intentionally and simultaneously promote our hometown, our website features Columbia travel, lodging, and dining options, including direct web links, increasing the likelihood that attendees engage with and utilize community businesses and organizations during the Fest. Our social media presence provides significant reach with 15,700 followers on our Facebook page, with similar numbers for both our Instagram and Twitter accounts, which currently have 14,000 (T/F Film Fest, True/False Art, and True/False Music accounts combined) and 24,700 followers, respectively. Lastly, Fest updates and event details are provided in our e-newsletter, via Constant Contact, to our 4,052 subscribers on a monthly basis, increasing in frequency to bi-weekly in January and February.

*Please note that ad placements for the 2024 Fest are still being negotiated. Publications and platforms listed in the grid are based off of the 2023 marketing budget and contracts as well as 2024 information we have so far.

What method do you use to attract sponsors? Attach your Sponsorship plan.

True/False Sponsorship goals are driven by Executive Director, Arin Liberman and Natalie Hantak, the True/False Sponsorship Manager. The team works diligently year-round to secure national, local, and in-kind sponsors. True/False's local, national, and international reputation as a leader and champion for cutting-edge nonfiction cinema—and utopian-esque celebration of film, art, and music—coupled with the expertly crafted marketing aesthetic (one that results in our posters and program books gracing the walls and bookshelves of attendees across the globe), assures sponsors that their support of the Fest will be cared for and highlighted with the same intentionality. Sponsors choose from ready-made packages or, as in the case of large sponsorships, customized branding for the Fest. The Fest's Programming and Sponsorship teams pair sponsors with enduring, impactful festival programming that aligns with their organizational interests, including our growing partnership with Paytient, heading into their second year as the presenting sponsor of the True Life Fund.

For T/F 2024, we have set a cash goal of \$325,000, plus an additional \$435,000 of in-kind sponsorship. As of January 1, we have confirmed \$175,000 in cash (53.8% of our goal) and \$233,000 in-kind (53.5% of our goal) sponsorships. The team will continue to nourish past relationships as well as develop new ones to meet the needs of this year's event. As the team builds support for the 2024 Fest, sponsorship opportunities are broadening locally, regionally, and nationally as well.
