Re: Update and Renew MOU with University of Missouri

## Executive Summary

An updated Memorandum of Understanding with the University of Missouri, including added language related to specific duties of the shared position, will be created.

## Discussion

A Memorandum of Understanding was agreed to by council, city staff and the University of Missouri in 2002 to create a liaison position between the Columbia Fire Department's Fire Marshal's Division and the University's Department of Environmental Health and Safety. This document has not been reviewed since then until recently. There have been a few minor changes that both organizations agreed to and added to the document.
