RE: Pre-Annexation Request for 8378 E. I-70 Dr. SE

City Council Members:

On behalf of EquipmentShare we ask for your support for the pre-annexation agreement for our property located at 8378 E. I-70 Dr. SE. The property is currently not contiguous to the City of Columbia but is part of the Grindstone Watershed Sewer Agreement. We are wanting to expand our facilities and continue to grow our company here in Columbia, MO.

The city has been a great partner as EquipmentsShare has grown in this community. We are asking for your support to honor this long-standing sewer agreement between Boone County Regional Sewer District and the City of Columbia and approve the Pre-annexation agreement so we can continue to contribute to our community.

Sincerely,

Jabbok Schlacks
