ARTICLE II

AUTHORIZATION OF THE BONDS

Section 201. Authorization of Bonds. There is hereby authorized and directed to be issued a series of bonds of the City, designated “Special Obligation Bonds (Airport Project), Series 2020A,” in the principal amount of \$14,120,000 (the “Bonds”), for the purpose of providing funds to (1) pay the costs of the Project and (2) pay the costs of issuing the Bonds.

Section 202. Description of Bonds. The Bonds shall consist of fully-registered bonds, numbered from 1 upward, in denominations of \$100,000 or any integral multiple of \$5,000 in excess thereof. The Bonds, as originally issued or issued upon transfer, exchange or substitution, shall be

substantially in the form set forth in **Exhibit A** attached hereto and shall be subject to registration, transfer and exchange as provided in **Section 205** hereof. The Bonds shall be dated the date of original issuance and delivery thereof, shall become due on October 1, 2034 (subject to redemption and payment prior to their Stated Maturity as provided in **Article III** hereof), and shall bear interest at the rate of 1.90% per annum (computed on the basis of a 360-day year of twelve 30-day months) from the date thereof or from the most recent Interest Payment Date to which interest has been paid or duly provided for, payable semiannually on April 1 and October 1 in each year, beginning on October 1, 2020.

Notwithstanding the foregoing, upon the occurrence of:

(1) a Determination of Taxability the interest rate on the Bonds shall be adjusted to 2.56% (the “**Taxable Rate**”) for the Taxable Period. Additionally, following a Determination of Taxability, the City agrees to pay to the Registered Owners on demand (a) an amount equal to the difference between (1) the amount of interest on the Bonds that would have been paid to such Registered Owner during the period for which interest on the Bonds is included in the gross income of such Registered Owner as a result of an Event of Taxability if the Bonds had borne interest at the Taxable Rate, beginning on the Taxable Date (the “Taxable Period”), and (2) the amount of interest actually paid to the Registered Owners during the Taxable Period, and (b) an amount equal to any interest, penalties or charges owed by such Registered Owners as a result of interest on the Bonds becoming included in the gross income of the Registered Owners, together with any and all attorneys’ fees, court costs, or other out-of-pocket costs incurred by the Registered Owners in connection therewith; or

(2) an Event of Default or Event of Nonappropriation, the interest rate on the Bonds shall be increased by 5.00% above the otherwise applicable rate (i.e., the Taxable Rate or otherwise) until such default is cured or funds are appropriated, as applicable.

Section 203. Designation of Paying Agent. The City’s Finance Director is hereby designated as the paying agent for the payment of principal of and interest on the Bonds and as bond registrar with respect to the registration, transfer and exchange of Bonds (herein called the “Paying Agent”).

The City will at all times maintain a Paying Agent meeting the qualifications herein described for the performance of the duties hereunder. The City reserves the right to appoint a successor Paying Agent by (1) filing with the Paying Agent then performing such function a certified copy of the proceedings giving notice of the termination of such Paying Agent and appointing a successor, and (2) causing notice of the appointment of the successor Paying Agent to be given by first class mail to each Registered Owner. The Paying Agent may resign upon giving written notice by first class mail to the City and the Registered Owners not less than 60 days prior to the date such resignation is to take effect. No resignation or removal of the Paying Agent shall become effective until a successor has been appointed and has accepted the duties of the Paying Agent.

Every Paying Agent appointed hereunder shall at all times be either (1) the Finance Director or (2) a commercial banking association or corporation or trust company located in the State of Missouri organized and in good standing and doing business under the laws of the United States of America or of the State of Missouri and subject to supervision or examination by federal or state regulatory authority.

The Paying Agent shall be paid its fees and expenses for its services in connection herewith.

Section 204. Method and Place of Payment of Bonds. The principal or Redemption Price of and interest on the Bonds shall be payable in any coin or currency of the United States of America that, on the respective dates of payment thereof, is legal tender for the payment of public and private debts.

The principal or Redemption Price of each Bond shall be paid at Maturity by check, electronic transfer or draft to the Person in whose name such Bond is registered on the Bond Register at the Maturity thereof, upon presentation and surrender of such Bond at the office of the Paying Agent. Notwithstanding the foregoing or any other provision herein to the contrary, principal payable with respect to scheduled mandatory sinking fund redemptions pursuant to **Section 301(b)** hereof shall not require presentation or surrender of such Bonds until the final Stated Maturity thereof or the final payment in full thereof.

The interest payable on each Bond on any Interest Payment Date shall be paid to the Registered Owner of such Bond as shown on the Bond Register at the close of business on the Record Date for such interest by check or draft mailed by the Paying Agent to such Registered Owner at the address shown on the Bond Register or by electronic transfer to such Registered Owner upon written notice signed by such Registered Owner and given to the Paying Agent not less than 15 days prior to the Record Date for such interest, containing the electronic transfer instructions including the bank, address, ABA routing number and account number to which such Registered Owner wishes to have such transfer directed and an acknowledgment that an electronic transfer fee may be applicable.

Notwithstanding the foregoing provisions of this Section, any Defaulted Interest with respect to any Bond shall cease to be payable to the Registered Owner of such Bond on the relevant Record Date and shall be payable to the Registered Owner in whose name such Bond is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed as hereinafter specified in this paragraph. The City shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (which date shall be at least 30 days after receipt of such notice by the Paying Agent) and shall deposit with the Paying Agent at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment. Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall promptly notify the City of such Special Record Date and, in the name and at the expense of the City, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, by first class mail, postage prepaid, to each Registered Owner of a Bond entitled to such notice at the address of such Registered Owner as it appears on the Bond Register not less than 10 days prior to such Special Record Date.

The Paying Agent shall keep a record of payment of principal and Redemption Price of and interest on all Bonds and shall upon the written request of the City at least annually forward a copy or summary of such records to the City.

Section 205. Registration, Transfer and Exchange of Bonds. The City covenants that, as long as any of the Bonds remain Outstanding, it will cause the Bond Register to be kept at the office of the Paying Agent for the registration, transfer and exchange of Bonds as herein provided. Each Bond when issued shall be registered in the name of the owner thereof on the Bond Register.

The Bonds may be transferred in whole only, and the Lender agrees that it will only offer, sell, pledge, transfer or exchange any of the Bonds it purchases (1) in accordance with an available exemption from the registration requirements of Section 5 of the Securities Act of 1933, as amended, (2) in accordance with any applicable state securities laws, (3) to an institution that is an "accredited investor" as defined in Regulation D under the Securities Act of 1933 and/or a "qualified institutional buyer" under Rule 144A promulgated under the Securities Act of 1933, and (4) in accordance with the provisions of this Ordinance. Bonds may be transferred and exchanged only on the Bond Register as provided in this Section. Upon

surrender of any Bond at the office of the Paying Agent, the Paying Agent shall transfer or exchange such Bond for a new Bond or Bonds in any authorized denomination of the same Stated Maturity and in the same aggregate principal amount as the Bond that was presented for transfer or exchange. Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or by the Registered Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. The City shall pay the fees and expenses of the Paying Agent for the registration, transfer and exchange of Bonds provided for by this Ordinance and the cost of printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Paying Agent, are the responsibility of the Registered Owners of the Bonds. In the event any Registered Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Registered Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Registered Owner hereunder or under the Bonds.

The City and the Paying Agent shall not be required (a) to register the transfer or exchange of any Bond after notice calling such Bond or portion thereof for redemption has been given or during the period of fifteen days next preceding the first mailing of such notice of redemption; or (b) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the City of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to **Section 204** hereof.

The City and the Paying Agent may deem and treat the Person in whose name any Bond is registered in the Bond Register as the absolute owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Bond and for all other purposes. All payments so made to any such Registered Owner or upon the Registered Owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Paying Agent, the Bond Register may be inspected and copied by the Registered Owners of 10% or more in principal amount of the Bonds then Outstanding or any designated representative of such Registered Owners whose authority is evidenced to the satisfaction of the Paying Agent.

Section 206. Execution, Authentication and Delivery of Bonds. The Bonds, including any Bonds issued in exchange or as substitution for the Bonds initially delivered, shall be signed by the manual or facsimile signature of the City Manager, attested by the manual or facsimile signature of the City Clerk, and shall have the official seal of the City affixed thereto or imprinted thereon. In case any officer whose signature appears on any Bond ceases to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The City Manager and City Clerk are hereby authorized and directed to prepare and execute the Bonds as herein specified, and when duly executed, to deliver the Bonds to the Paying Agent for authentication.

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Exhibit A** attached hereto, which shall be manually executed by an authorized signatory of the Paying Agent, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Paying Agent. Such executed certificate of authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Ordinance. Upon authentication, the Paying Agent shall deliver the Bonds to or upon the order of the Lender upon payment of the purchase price to the City.

Section 207. Mutilated, Destroyed, Lost and Stolen Bonds. If (a) any mutilated Bond is surrendered to the Paying Agent or the Paying Agent receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the City and the Paying Agent such security or indemnity as may be required by the Paying Agent, then, in the absence of notice to the City and the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Paying Agent, in its discretion may pay such Bond instead of delivering a new Bond.

Upon the issuance of any new Bond under this Section, the City or the Paying Agent may require the payment by the Registered Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the City, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds.

Section 208. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and shall file an executed counterpart of such certificate with the City.

Section 209. Sale of Bonds. The City is authorized to sell the Bonds to the Lender at a purchase price of \$14,120,000. The Bonds shall be delivered to or upon the order of the Lender as soon as practicable after the adoption of this Ordinance, upon payment therefor in accordance with the terms of sale.

ARTICLE III

(a) *Optional Redemption.* At the option of the City, the Bonds may be called for redemption and payment prior to their Stated Maturity on October 2, 2028 and thereafter as a whole or in part at any time in such amounts as shall be determined by the City in inverse order of mandatory sinking fund redemptions at the Redemption Price of 100% of the principal amount thereof plus accrued interest thereon to the Redemption Date.

(b) *Mandatory Redemption of Bonds.* The Bonds will be subject to mandatory redemption and payment prior to their Stated Maturity pursuant to the mandatory redemption requirements of this Section at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date. The City shall redeem on October 1 in each year the following principal amounts of the Bonds:

<u>Year</u>	<u>Principal Amount</u>
2021	\$ 455,000
2022	470,000
2023	490,000
2024	505,000
2025	1,085,000
2026	1,115,000
2027	1,140,000
2028	1,175,000
2029	1,205,000
2030	1,235,000
2031	1,260,000
2032	1,295,000
2033	1,325,000
2034 [†]	1,365,000

[†] Final Maturity

At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the City may: (1) deliver to the Paying Agent for cancellation Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired, or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Bonds subject to mandatory redemption on said mandatory Redemption Date from any Registered Owner thereof, whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical. Each Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the City to redeem the Bonds on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for the Bonds in chronological order, and the principal amount of the Bonds to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the City intends to exercise any option granted by the provisions of clauses (1) or (2) above, the City will, on or before the 45th day next preceding each mandatory Redemption Date, furnish to the Paying Agent a

written certificate indicating to what extent the provisions of said clauses (1) and (2) are to be complied with, with respect to such mandatory redemption payment.

Section 302. Selection of Bonds to Be Redeemed.

(a) The Paying Agent shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Paying Agent at least 15 days prior to the Redemption Date of written instructions from the City specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. If any Bonds are refunded more than 90 days in advance of such Redemption Date, any escrow agreement entered into by the City in connection with such refunding shall provide that such written instructions to the Paying Agent shall be given by the escrow agent on behalf of the City not less than 15 days prior to the Redemption Date. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in **Section 303** are met. The foregoing provisions of this paragraph shall not apply to the mandatory redemption of Bonds hereunder, and Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the City and whether or not the Paying Agent holds moneys available and sufficient to effect the required redemption.

(b) Bonds shall be redeemed only in the principal amount of \$100,000 or any integral multiple of \$5,000 in excess thereof. Bonds of less than a full Stated Maturity shall be selected by the Paying Agent in \$100,000 units of principal amount in such equitable manner as the Paying Agent may determine.

(c) In the case of a partial redemption of Bonds at the time Outstanding in denominations greater than \$100,000, then for all purposes in connection with such redemption each \$100,000 of face value shall be treated as though it were a separate Bond of the denomination of \$100,000. If it is determined that one or more, but not all, of the \$100,000 units of face value represented by any Bond are selected for redemption, then upon notice of intention to redeem such \$100,000 unit or units, the Registered Owner of such Bond or the Registered Owner's duly authorized agent shall present and surrender such Bond to the Paying Agent (1) for payment of the Redemption Price and interest to the Redemption Date of such \$100,000 unit or units of face value called for redemption, and (2) for exchange, without charge to the Registered Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Registered Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the Redemption Date to the extent of the \$100,000 unit or units of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. Unless waived by any Registered Owner of Bonds to be redeemed, official notice of any redemption shall be given by the Paying Agent on behalf of the City by mailing a copy of an official redemption notice by first class mail at least 10 days prior to the Redemption Date to each Registered Owner of the Bonds to be redeemed at the address shown on the Bond Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;

(c) if less than all Outstanding Bonds of a maturity are to be redeemed, the identification number, Stated Maturity, and, in the case of partial redemption of any Bonds, the respective principal amounts of the Bonds to be redeemed;

(d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and

(e) the place where such Bonds are to be surrendered for payment of the Redemption Price.

The failure of any Registered Owner to receive notice given as heretofore provided or any defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the City shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date at the Redemption Price therein specified, and from and after the Redemption Date (unless the City defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been redeemed shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

The Paying Agent is also directed to comply with any mandatory standards established by the SEC and then in effect for processing redemptions of municipal securities. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

ARTICLE IV

SECURITY FOR AND PAYMENT OF BONDS

Section 401. Security for the Bonds. The Bonds shall be special obligations of the City payable as to both principal and interest solely from annual appropriations of funds by the City for such purpose to be deposited in the Special Obligation Debt Service Fund. The obligation of the City to make payments into the Special Obligation Debt Service Fund and for any other obligations of the City under this Ordinance do not constitute a general obligation or indebtedness of the City for which the City is obligated to levy or pledge any form of taxation, or for which the City has levied or pledged any form of taxation and shall not be construed to be a debt of the City in contravention of any applicable constitutional, statutory or charter limitation or requirement but in each Fiscal Year shall be payable solely from the amounts pledged or appropriated therefor (i) out of the income and revenues provided for such year, plus (ii) any unencumbered balances for previous years. Subject to the preceding sentence, the obligations of the City to make payments hereunder and to perform and observe any other covenant and agreement contained herein shall be absolute and unconditional.

The covenants and agreements of the City contained herein and in the Bonds shall be for the equal benefit, protection and security of the legal owners of any or all of the bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds to the payment of the principal of and the interest on the Bonds, or otherwise, except as to the rate of interest and Stated Maturity as provided in this Ordinance.

Section 402. Covenant to Request Appropriations. The City Council hereby directs that from and after delivery of the Bonds and so long as any of the Bonds remain Outstanding, subject to **Section 401** hereof, the City Manager, the Finance Director or any other officer of the City at any time charged with the responsibility of formulating budget proposals to include in each annual budget an appropriation of the amount necessary (after taking into account any moneys legally available for such purpose) to pay debt service on the Bonds and to make other payments required pursuant to this Ordinance. The City is not required or obligated to make any such annual appropriation, and the decision whether to appropriate such funds will be solely within the discretion of the then current City Council. An Event of Nonappropriation will be deemed to have occurred if the City Council does not appropriate such funds.

ARTICLE V

ESTABLISHMENT OF FUNDS; DEPOSIT AND APPLICATION OF BOND PROCEEDS

Section 501. Establishment of Funds. There have been or shall be established in the treasury of the City and shall be held and administered by the Finance Director of the City (a) a Project Fund, (b) a Special Obligation Debt Service Fund, and (c) a Rebate Fund. Each fund shall be maintained as a separate and distinct fund and the moneys therein shall be held, managed, invested, disbursed and administered as provided in this Ordinance. All moneys deposited in the funds shall be used solely for the purposes set forth in this Ordinance. The City shall keep and maintain adequate records pertaining to each fund and all disbursements therefrom.

Section 502. Deposit of Bond Proceeds and Other Money. The proceeds received from the sale of the Bonds shall be deposited simultaneously with the delivery of the Bonds in the Project Fund and shall be applied in accordance with **Section 503** hereof.

Section 503. Application of Moneys in the Project Fund. Moneys in the Project Fund shall be used by the City solely for the purpose of (a) paying the cost of the Project as hereinbefore provided, in accordance with the plans and specifications therefor prepared by the City's architects for the Project, if any, as heretofore approved by the Council of the City and on file in the office of the City Clerk, including any alterations in or amendments to said plans and specifications deemed advisable by the City's architects, if any, and approved by the Council of the City, and (b) paying the costs and expenses incident to the issuance of the Bonds, including, but not limited to, the fees of attorneys, financial consultants, accountants, printers and others employed to render professional services and other costs, fees and expenses incurred in connection with the issuance of the Bonds.

Upon completion of the Project as hereinbefore provided, any surplus money remaining in the Project Fund and not required for the payment of unpaid costs thereof shall be deposited into the Special Obligation Debt Service Fund for the Bonds and applied in accordance with **Section 504** hereof.

Section 504. Application of Moneys in the Special Obligation Debt Service Fund. All amounts paid and credited to the Special Obligation Debt Service Fund shall be expended and used by the

City for the purpose of paying the Bonds as and when the same become due and the usual and customary fees and expenses of the Paying Agent. The Finance Director is authorized and directed to withdraw from the Special Obligation Debt Service Fund sums sufficient to pay the Bonds and the fees and expenses of the Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Paying Agent will become due. If, through the lapse of time or otherwise, the Registered Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the City. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance and shall be held in trust by the Paying Agent for the benefit of the Registered Owners of the Bonds entitled to payment from such moneys.

Any moneys or investments remaining in the Special Obligation Debt Service Fund after the retirement of the indebtedness for which the Bonds were issued and all other indebtedness of the City shall be transferred and paid into the appropriate fund(s) of the City as required by law.

Section 505. Application of Moneys in the Rebate Fund.

(a) There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. All money in the Rebate Fund shall be held in trust, to the extent required to pay arbitrage rebate (as determined pursuant to the Federal Tax Certificate) to the United States of America, and neither the City nor the Registered Owner of any Bond shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and the Federal Tax Certificate.

(b) The City shall periodically determine the rebatable arbitrage under Section 148(f) of the Code in accordance with the Federal Tax Certificate, and the City shall make payments to the United States Government at the times and in the amounts determined under the Federal Tax Certificate. Any funds remaining in the Rebate Fund after redemption and payment of all of the Bonds and the interest thereon and payment and satisfaction of any rebate amount, or provision made therefor, shall be released to the City.

(c) Notwithstanding any other provision of this Ordinance, including in particular **Article VII** hereof, the obligation to pay rebatable arbitrage to the United States and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Bonds.

Section 506. Deposits and Investment of Moneys.

(a) Moneys in each of the funds and accounts created by and referred to in this Ordinance shall be deposited in a bank or banks or other legally permitted financial institutions located in the State of Missouri that are members of the Federal Deposit Insurance Corporation. All such deposits shall be continuously and adequately secured by the banks or financial institutions holding such deposits as provided by the laws of the State of Missouri.

(b) Moneys held in any fund or account held in the custody of the City referred to in this Ordinance may be invested in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than the date when the moneys invested may be needed for the purpose for which such fund or account was created. All earnings on any investments held in any fund or account shall accrue to and become a part of such fund or account.

Section 507. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent, all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said Bond. If any Bond is not presented for payment within one year following the date when such Bond becomes due at Maturity, the Paying Agent shall repay to the City without liability for interest thereon the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 508. Payments Due on Saturdays, Sundays and Holidays. In any case where a Bond Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Bond Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Bond Payment Date, and no interest shall accrue for the period after such Bond Payment Date.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Events of Default. An Event of Default means any of the following events:

- (a) default in the payment of any interest on any Bond for which funds have been appropriated by the City Council;
- (b) default in the payment of the principal of (or premium, if any, on) any Bond when the same becomes due and payable (whether at maturity, upon proceedings for redemption, by acceleration or otherwise) for which funds have been appropriated by the City Council; or
- (c) the City or its governing body or any of the officers, agents or employees thereof fail or refuse to comply with any of the provisions of this Ordinance or of the constitution or statutes of the State of Missouri, and such default continues for a period of 30 days after written notice specifying such default has been given to the City by any Registered Owner of any Bond then Outstanding.

Section 602. Remedies.

- (a) Upon an Event of Default, the Registered Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding may:
 - (1) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Registered Owner or Owners against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Missouri;

(2) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust;

(3) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owners of the Bonds; or

(4) declare the principal of and interest on the Bonds scheduled to become due in the then-current Fiscal Year for which funds have been appropriated by the City Council immediately due and payable.

(b) Upon an Event of Nonappropriation, the Registered Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding may declare the principal of and interest on the Bonds scheduled to become due in the then-current Fiscal Year for which funds have been appropriated by the City Council immediately due and payable.

Section 603. Limitation on Rights of Registered Owners. The covenants and agreements of the City contained herein and in the Bonds shall be for the equal benefit, protection and security of the legal owners of any or all of the Bonds. All of the Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to date of Maturity or right of prior redemption as provided in this Ordinance. No one or more Registered Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Registered Owners of such Outstanding Bonds.

Section 604. Remedies Cumulative. No remedy conferred herein upon the Registered Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Registered Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies consequent thereon. No delay or omission of any Registered Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Registered Owners of the Bonds by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by any Registered Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to such Registered Owner, then, and in every such case, the City and the Registered Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Registered Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 605. No Obligation to Levy Taxes. Nothing contained in this Ordinance shall be construed as imposing on the City any duty or obligation to levy any taxes either to meet any obligation incurred herein or to pay the principal of or interest on the Bonds.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds or the interest payments thereon shall have been paid and discharged, then the requirements contained in this Ordinance and all other rights granted hereby shall terminate with respect to the Bonds or interest payments so paid and discharged. Bonds or the interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Ordinance if there has been deposited with the Paying Agent or other commercial bank or trust company located in the State of Missouri and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned thereon, will be sufficient for the payment of the principal or Redemption Price of said Bonds, and/or interest to accrue on such Bonds to the Stated Maturity or Redemption Date, as the case may be, or if default in such payment shall have occurred on such date, then to the date of the tender of such payments; provided, however, that if any such Bonds shall be redeemed prior to the Stated Maturity thereof, (1) the City shall have elected to redeem such Bonds, and (2) either notice of such redemption shall have been given, or the City shall have given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Paying Agent to redeem such Bonds in compliance with **Section 303** of this Ordinance. Any moneys and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the City, for the purpose of paying and discharging any of the Bonds or the interest payments thereon, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Registered Owners of such Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All moneys and Defeasance Obligations deposited with the Paying Agent or other bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance.

To accomplish a defeasance of the principal of the Bonds or scheduled interest payments thereon when the City will rely on interest to be earned on any Defeasance Obligations deposited as described above, the City shall cause to be delivered a verification report of an independent recognized public accountant verifying the sufficiency of the amounts on deposit with the Paying Agent or other escrow agent to provide for payment in full of the Bonds as provided herein.

ARTICLE VIII

MISCELLANEOUS PROVISIONS

Section 801. Tax Covenants. The City hereby covenants and agrees to comply with all provisions and requirements of the Federal Tax Certificate, which is hereby approved in substantially the form attached hereto as **Exhibit B**, with such changes therein as shall be approved by the City Manager and Finance Director, which officials are hereby authorized to execute the Federal Tax Certificate for and on behalf of the City, such official's signature thereon being conclusive evidence of his or her approval thereof.

Section 802. Amendments. The rights and duties of the City and the Registered Owners, and the terms and provisions of the Bonds or of this Ordinance, may be amended or modified at any time in any respect by ordinance of the City with the written consent of the Registered Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an

instrument or instruments executed by such Registered Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the City Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) alter the optional Redemption Date of any Bond;
- (c) effect a reduction in the amount which the City is required to pay as principal of or interest on any Bond;
- (d) permit preference or priority of any Bond over any other Bond; or
- (e) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Ordinance.

Any provision of the Bonds or of this Ordinance may, however, be amended or modified by ordinance duly adopted by the City Council at any time in any legal respect with the written consent of the Registered Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Registered Owners, the City may amend or supplement this Ordinance for the purpose of curing any formal defect, omission, inconsistency or ambiguity therein, or in connection with any other change therein which is not materially adverse to the security of the Registered Owners.

Every amendment or modification of the provisions of the Bonds or of this Ordinance to which the written consent of the Registered Owners is given, as above provided, shall be expressed in an ordinance passed by the governing body of the City amending or supplementing the provisions of this Ordinance and shall be deemed to be a part of this Ordinance. Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the City Clerk a copy of this Ordinance of the City herein provided for, duly certified, as well as proof of any required consent to such modification by the Registered Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification. A certified copy of every such amendatory or supplemental proceedings and a certified copy of this Ordinance shall be made available for inspection by the Registered Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Ordinance, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental proceedings or of this Ordinance will be sent by the City Clerk to any such Registered Owner or prospective Registered Owner.

The City shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Ordinance made hereunder which affects the duties or obligations of the Paying Agent under this Ordinance.

Section 803. Notices, Consents and Other Instruments by Registered Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Registered Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Registered Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, other than the assignment of the ownership of a Bond, if made in the following manner, shall be sufficient for any of the purposes of this Ordinance, and shall be conclusive in favor of the City and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Registered Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Ordinance, Bonds owned by the City shall be disregarded and deemed not to be Outstanding under this Ordinance, except that, in determining whether the Registered Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Registered Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Registered Owners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the City.

Section 804. Corporate Existence. The City will maintain its corporate identity and existence so long as any of the Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities and duties of the City and is obligated by law to comply with the terms and provisions of this Ordinance without materially adversely affecting at any time the privileges and rights of any Registered Owner of any Outstanding Bond.

Section 805. Insurance. The City will carry and maintain fire and extended coverage insurance with respect to the Project upon all of the properties forming a part of the Project insofar as the same are of an insurable nature, such insurance to be of the character and coverage and in such amounts as would normally be carried by other municipalities or public entities engaged in similar activities of comparable size and similarly situated. In the event of loss or damage, the City, with reasonable dispatch, will use the proceeds of such insurance to reconstruct and replace the property damaged or destroyed, or to pay the claims on account of which such proceeds were received, or if such reconstruction or replacement is unnecessary or impracticable, then the City will pay and deposit the proceeds of such insurance into the Special Obligation Debt Service Fund.

Section 806. Further Authority. The officers and officials of the City, including the Mayor, City Manager, Finance Director, City Counselor and City Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 807. Annual Audit and Budget. Annually, promptly after the end of the Fiscal Year, the City will cause an audit to be made of its funds and accounts for the preceding Fiscal Year (in substantially the same form as the most recent audit or in such other form as is reasonably acceptable to the Lender) by an independent public accountant or firm of independent public accountants.

Within 30 days after the completion of each such audit and not later than the March 31 following the end of the Fiscal Year to which the audit applies, a copy thereof shall be mailed to the Lender if the

audit is not posted on the City's website. Such audits shall at all times during the usual business hours be open to the examination and inspection by any Registered Owner of any of the Bonds, or by anyone acting for or on behalf of such Registered Owner.

As soon as possible after the completion of the annual audit, the City Council shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of the Ordinance, the City shall, subject to **Section 401** hereof, promptly cure such deficiency.

Prior to the commencement of each Fiscal Year, the City will cause to be prepared a budget setting forth the estimated receipts and expenditures of the City for the next succeeding Fiscal Year (in substantially the same form as the budget for the current Fiscal Year or in such other form as is reasonably acceptable to the Lender). The Finance Director will, promptly following the Council's approval of the budget, mail a copy of said budget to the Lender if the budget is not posted on the City's website.

Upon the occurrence of an Event of Default or an Event of Nonappropriation with respect to the Bonds, the City agrees to (a) immediately, and not later than 10 Business Days following the occurrence of such event, post notice of the occurrence of such event on the Electronic Municipal Market Access system for municipal securities disclosures established and maintained by the Municipal Securities Rulemaking Board, and (b) provide the Lender with evidence of such posting.

Section 808. Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

Section 809. Governing Law. This Ordinance shall be governed exclusively by and construed in accordance with the applicable laws of the State of Missouri.

Section 810. Electronic Storage of Documents. The City agrees that the transaction described herein may be conducted and related documents may be sent, received or stored by electronic means.

Section 811. Effective Date. This Ordinance shall take effect and be in full force from and after its passage by the City Council.
