Re: Memorandum of Understanding re Mid-Missouri Bomb Squad

Executive Summary

Requesting authorization for the City Manager to sign the Mid-Missouri Bomb Squad Memorandum of Understanding (MOU).

Discussion

An MOU was originally created in 2008 to form the Mid-Missouri Bomb Squad among several local agencies. The participating agencies are Boone County Sheriff's Department, Columbia Police Department, University of Missouri, Columbia Police Department, and the Columbia Fire Department. The attached MOU (Exhibit A) redefines the cooperative relationship so that all agencies and parties are able to collaborate and agree on topics such as jurisdiction, authority, resources, training, accreditation, and certifications. The changes to the new MOU include the designation of the Squad Commander, the personnel involved from each agency, and the inclusion of training to national standards and best practices.
