

## WAV TAXI GRANT AGREEMENT

Between  
**CITY OF COLUMBIA, MO**  
 And  
**TAXI TERRY'S, LLC**

THIS AGREEMENT (hereinafter "Agreement") is by and between the City of Columbia, Missouri (hereinafter "City"), a municipal corporation whose address is 701 E. Broadway, Columbia, MO 65201 and Taxi Terry's, LLC (hereinafter "Grantee"), a limited liability company with the authority to transact business within the State of Missouri and whose address is 312 Nebraska Ave, Ste. B, Columbia, MO 65201 and is entered into on the date of the last signatory below (hereinafter "Effective Date"). City and Grantee are each individually referred to herein as a "Party" and collectively as the "Parties."

WITNESSETH:

WHEREAS, City is interested in improving the on-demand travel opportunities for all residents and visitors in the community who use a wheelchair and offers this grant to licensed taxi providers to increase the number of Wheelchair Accessible Vehicle (WAV) taxis in the community;

WHEREAS, in response to City's competitive solicitation, Grantee has submitted a proposal to procure and operate a WAV taxi; and

WHEREAS, City has selected Grantee based on Grantee's representations and both parties wish to enter into this Agreement pursuant to the terms and conditions provided for herein.

NOW, THEREFORE, in consideration of the mutual covenants set out in this Agreement and for other good and valuable consideration (the receipt and sufficiency of which is hereby acknowledged), the Parties agree as follows:

### 1. DEFINITIONS

For purposes of this Agreement, the following words and terms shall have the meanings respectively ascribed herein:

- (a) "*City Code*". The Municipal Code of Ordinances of the City of Columbia, Missouri.
- (b) "*Effective Date*". The date of the last signatory to this Agreement.
- (c) "*Inoperable*". The vehicle's engine, wheels or other parts have been removed, altered, damaged, or allowed to deteriorate to the extent that either (i) the vehicle cannot be legally or safely operated as a Taxicab, or (ii) the vehicle cannot be safely accessed by passengers who use wheelchairs.
- (d) "*Permit Date*". The date that Grantee receives the initial Taxicab permit for the WAV from the City, as required by City Code § 28-82.
- (e) "*Taxicab*". A public passenger motor vehicle with a rated passenger-carrying capacity of eight (8) or less with driver furnished for hire on a call or demand basis to transport persons,

packages, or messages where route traveled and trip destination are controlled by the passenger and at a charge or fare based upon time and mileage and recorded and indicated on a taximeter.

(f) "WAV". The wheelchair accessible vehicle to be purchased and operated by Grantee, more specifically described in the Vehicle Information attached hereto as **Exhibit 1** and made a part of this Agreement.

## 2. GRANTEE RIGHTS AND RESPONSIBILITIES

**2.1. Procurement and Permitting of WAV.** Grantee agrees to purchase WAV and have it permitted with the City as a Taxicab within one hundred twenty (120) days of the Effective Date. Grantee shall notify the City in writing of the Permit Date as soon as it is approved. City may, in its sole discretion, allow a reasonable extension to this deadline for good cause. Any extension granted herein must be in writing.

**2.2. Operation & Availability of WAV as a Taxicab.** Except if the WAV becomes Inoperable as defined in this Agreement, Grantee agrees to operate, and make available, the WAV as a Taxicab to all members of the public for trips within the city limits of Columbia, Missouri during all hours that Grantee is open for business for the term of this Agreement. It will be considered a material default of this Agreement if Grantee is ever open for business for less than fifty (50) hours in a week.

### **2.3. Inoperable WAV.**

(a). *Repairs.* Grantee agrees to exercise due diligence and promptly repair the WAV if it becomes Inoperable. Grantee shall notify the City anytime the WAV is reasonably anticipated to be, or becomes, Inoperable for fourteen (14) consecutive days. The notice shall include the reason that the WAV has become Inoperable, and the date it is reasonably expected to return to service as a Taxicab. Failure by Grantee to comply with the notice provisions herein or to make timely repairs is considered a material default of this Agreement.

(b). *WAV Becomes Permanently Unusable.* If the WAV is damaged beyond repair, stolen, sold or otherwise becomes unusable as a Taxicab by Grantee during the Term of this Agreement, then Grantee shall immediately notify City in writing and provide an explanation of why the WAV is no longer usable. City may either (i) terminate the Agreement and be entitled to damages as provided for herein or (ii) permit Grantee to replace the WAV with a comparable wheelchair accessible vehicle that is approved by the City. If the City is going to allow a replacement, then both Parties shall execute an amendment to this Agreement with the terms of the replacement. Failure to notify the City that the WAV has become permanently unusable will be considered a material default of this Agreement.

(c). *Tolling the Term of the Agreement.* The intention of the Parties is that Grantee will operate the WAV as a Taxicab for a minimum of three (3) years. If the WAV becomes Inoperable for an extended period of time, then the City may, in its discretion, toll the 3 year term to ensure that Grantee meets the intent of the Agreement. The authority and means to toll the term of the Agreement is provided for in Section 4.

**2.4. Ownership, Maintenance, Liability.** Both Parties agree that City's procurement payment is to assist Grantee with the purchase of the WAV in exchange for its future operation as a Taxicab

within the community. City does not take any ownership interest in the vehicle upon its purchase. Grantee will be the owner of the WAV and solely responsible for all of its future costs and maintenance, as well as any future liabilities associated with its operation as a Taxicab.

**2.5. No Medicare or Medicaid Funded Trips.** The purpose of this Agreement is to increase on-demand transportation opportunities for people with disabilities in the community; it is not intended for a business to dedicate the WAV to trips that are reimbursable via Medicare or Medicaid funds. In consideration of receiving this funding, Grantee agrees to never apply for, accept or receive Medicare or Medicaid funds for trips provided with the WAV.

**2.6. Annual Report and Maintenance Payment Invoice.** Grantee shall submit an Annual Report to City, along with an invoice for its maintenance payment, within thirty (30) days of the renewal of the Taxicab permit for the WAV each year. The report shall be substantially similar to the Annual Report Form, attached hereto as **Exhibit 2** and made a part of this Agreement.

**2.7. ADA Compliance and ADA Compliance Card.** Grantee shall comply with the Americans with Disabilities Act (ADA) at all times. This includes, but is not limited to, the following: Grantee shall not deny a ride to an individual with a disability; charge a higher fare to a person that uses a wheelchair; improperly refuse a service animal; or, otherwise discriminate against people with disabilities. Grantee agrees to keep an ADA Compliance Card within the WAV as a reference to both the driver and any passenger that might request to see it. A copy of the ADA Compliance Card is attached hereto as **Exhibit 3** and made a part of this Agreement.

**2.8. Additional Responsibilities.** For the term of this Agreement, Grantee shall be responsible for the following:

- (a) Maintain valid insurance, licensing and a Taxicab permit on the WAV at all times;
- (b) Comply with all requirements of Chapter 28 of the City Code as it relates to the permitting and operation of Taxicabs within the city of Columbia;
- (c) Maintain the WAV in a clean serviceable condition and in adequate repair while it is being operated as a Taxicab, as required by City Code § 28-104;
- (d) Submit to reasonable audit and review of Grantee's compliance with this Agreement by the City;
- (e) Comply with all federal, state and local laws, rules, regulations and ordinances.

### 3. CITY RIGHTS AND RESPONSIBILITIES

**3.1. Procurement Payment.** City agrees to pay an amount of **Twelve Thousand Dollars (\$12,000)** towards the purchase of the WAV. City may, in its discretion, pay this amount directly to the dealer of the WAV or directly to Grantee (as reimbursement or prior to purchase but only with assurance the entirety of the funding is going towards the purchase of the WAV). Grantee shall provide written request of the payment and identify the recipient of the funds. City shall make this payment within thirty (30) days of receipt of the request.

**3.2. Maintenance Payments.** City agrees to make a maintenance payment to Grantee in an amount of **One Thousand Dollars (\$1,000)** for each year that (i) Grantee is in compliance with this Agreement and (ii) the WAV was in operation for at least eighty percent (80%) of the reporting period. This percentage will be determined by the number of days the WAV was

available as a Taxicab divided by the number of days the Grantee was open for business. If the WAV was not available for at least 80% of the reporting period, then City may, in its sole discretion, still make a maintenance payment. This determination will be based on the reason the WAV was inoperable, the Grantee's action and expense to repair the WAV, and the current status of the WAV. This maintenance payment is only available after Grantee submits its Annual Report and provides an invoice for the \$1,000 payment. This payment is available once per year for three (3) years.

**3.3. Payments Not to Exceed.** It is expressly understood by both Parties that in no event will the total amount to be paid by City under the terms of this Agreement exceed Fifteen Thousand Dollars (\$15,000), unless otherwise agreed to by both Parties in writing and executed as an amendment to this Agreement.

#### 4. TERM, TERMINATION AND DAMAGES

**4.1. Term.** The term of this Agreement shall begin on the Effective Date hereof and shall continue until three (3) years after the Permit Date. If the WAV becomes Inoperable for an extended period or it become permanently unusable, then the City may, in its discretion, toll the 3 year term. Any such tolling of the 3 year term must be provided to the Grantee in writing. The Agreement can only be tolled for the amount of time that the WAV is not being operated as a Taxicab.

**4.2. Termination for Default.** If either Party fails to perform its duties and obligations provided for herein, then that Party shall be in default. The non-defaulting Party may, by written notice, terminate this Agreement in whole or in part for failure to perform by providing at least thirty (30) calendar days' written notice of termination. The written notice of termination will provide the reasoning for termination and the date upon which the termination will become effective.

#### **4.3. Damages.**

(a) *Default by City.* If City defaults in the performance of this Agreement, then City shall be liable for all damages (including all costs and attorney's fees) arising out of or related to the default.

(b) *Default by Grantee.* If Grantee defaults in the performance of this Agreement, then Grantee shall reimburse the City on a prorated basis for its procurement payment and be liable for all damages (including all costs and attorney's fees) arising out of or related to the default. The amount of reimbursement shall be calculated as the following:

$$\text{Reimbursement} = (36 \text{ months} - \# \text{ of months WAV operated as a Taxicab}) / 36 \times \text{Procurement Payment}$$

The WAV must have been operated as a Taxicab for at least ten (10) days in a month for that month to count in the reimbursement payment calculation.
