SECTION 2. GRANT OF AUTHORITY TO USE THE RIGHTS-OF-WAY

2.1 Nature of Rights Granted by this Permit. This Permit shall not convey title to Licensees, equitable or legal, in the Rights-of-Way, and gives only a license to occupy Rights-of-Way for the purposes and for the period stated in and

subject to the requirements of this Permit. This Permit also shall not grant the right to use facilities owned or controlled by the City or a third-party without the separate consent of the City or such third-party owning or controlling the facilities, nor shall it excuse Licensees from obtaining appropriate access or agreements before locating on facilities controlled or owned by the City or a third party.

The burden and responsibility for making all such determinations in advance of construction or installation shall be entirely upon Licensees. The use of the Rights-of-Way authorized by this Permit shall in all matters be subordinate to the City's use of and rights to the same, and Licensees shall be limited to such uses as have been expressly granted to Licensees by the City.

2.4 No Interference. Licensees shall construct and maintain its Private Facilities to be so located, constructed and maintained as to cause minimum interference with the proper use of all Rights-of-Ways and so as not to materially interfere with other users of the Rights-of-Way. Except as may otherwise be provided, Licensees shall provide reasonable notice to all adjacent property owners affected by the proposed work prior to commencement of such work. All construction and maintenance by Licensees or its subcontractors shall be performed in accordance with generally accepted industry standards and any standard specifications, drawings, and procedures adopted by the City, and any permits issued by the City.

2.5 Licensees Responsible for Costs. Licensees shall be responsible for all reasonable, actual and documented costs incurred by the City that are directly associated with Licensees's installation, maintenance, repair, operation, use, and replacement of its Private Facilities within the Rights-of-Way that are not otherwise

accounted for as part of the permit fees established pursuant to the City Code. Cost billed to Licensees may include a reasonable charge for City staff time. Costs due to the City shall be due immediately upon the City providing Licensees an invoice for payment and any costs due to the City that are more than thirty days (30) past due shall bear interest at a rate of one and one-half percent (1.5%) per month until paid in full. Any costs, license fees, or other compensation required herein shall be in addition to, not in lieu of, all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by the City. Licensees acknowledges that any costs, license fees, or other compensation required herein shall in no way be deemed a tax of any kind.

SECTION 3. TERM AND COMPENSATION

3.1 Term. This Permit shall remain in effect until canceled by the City or be otherwise effective for a shorter term as set forth in **Exhibit C**, attached hereto and incorporated by reference ("Term"), subject to earlier termination or forfeiture as provided in this Permit. This Permit shall remain in effect during the Term unless terminated by either Licensees or City, upon six (6) months written courtesy notice to the other.

SECTION 4. THE PRIVATE FACILITIES

4.1 Permits Required. This Permit does not grant Licensees or any of its officers, agents or employees the right to cut, break, excavate or damage the street or sidewalk pavement within the Rights-of-Way depicted on **Exhibit B** without City consent. Prior to exercising its right granted hereunder, Licensees agrees to obtain all necessary permits required by the City of Columbia pertaining to the work being done in the Rights-of-Way. Additionally, the Licensees shall present its construction plans or diagrams locating the proposed Private Facilities to the City Public Works Department and City Water and Light Department and any existing utility company using facilities located within Rights-of-Way depicted on **Exhibit B**. Licensees shall excavate in or install Private Facilities in the Rights-of-Way in locations and in a manner only as authorized by a specific permit granted by the City.

4.2 Responsibility for Private Facilities. Licensees will be responsible for all costs of any future repairs, maintenance or replacements to the Private Facilities. Licensees shall keep the Private Facilities in good working order and condition and shall not permit the Private Facilities to deteriorate to a state of disrepair or to become a nuisance to the public health, safety, and general welfare.

4.3 Abandonment of Private Facilities. If the Private Facilities are ever abandoned or removed by Licensees, all rights herein granted shall cease and terminate and Licensees shall have no further right of interest therein except that, upon abandonment, Licensees remains responsible for all of Licensees's Private Facilities left in place and any costs to remove the Private Facilities, store the Private Facilities, or to otherwise restore and/or clean up affected Rights-of-Way. If the

Private Facilities are abandoned and removed by the City, Licensees must take possession of the Private Facilities within ninety (90) days of removal, otherwise the City may take possession and dispose of the Private Facilities in its sole discretion.

4.4 Relocation or Removal of Facilities. The City may, in its exercise of the public interest, require that Licensees, at Licensees' sole cost and expense, relocate or reinstall any of Licensees' Private Facilities. The City shall give reasonable notice of such requirement to Licensees, including the location of facilities to be relocated and a reasonable time to relocate such facilities. Licensees shall forthwith remove or relocate such facilities within the reasonable time provided by the City in its written notice. The cost of such relocation, removal, or reinstallation of the Facilities shall be the exclusive obligation of said Licensees without expense to the City. If the Licensees fails to relocate the Private Facilities within the time set forth in the City's notice, the City may relocate or remove the Private Facilities and bill the Licensees for any such costs incurred by the City in relocating or removing the Private Facilities. If the Private Facilities are damaged in anyway by the construction, repair, maintenance, modification, or relocation of street, sidewalk, utility or other public facilities in the Right-of-Way, Licensees will repair or replace the Private Facilities at its own cost and hold the City harmless for any of the costs associated with the repair or replacement or any other costs associated with any damages to the Private Facilities.

4.5 Protection of Public Facilities/Improvements and Restoration to the Land. Licensees shall responsible for all damages to the Rights-of-Way and any public facilities caused directly or indirectly by Licensees' construction, operation, and maintenance of the Private Facilities in, through and along the City's Right-of-Way. If the Licensees fails to repair or restore the Rights- of-Way or public facilities promptly after causing such damage, the City may repair or restore the Rights-of-Way or public facilities and bill the Licensees for any such costs incurred by the City in so repairing or restoring. Licensees shall perform all restoration and repairs in manner consistent with standards and specification provided by the City and shall guarantee for a period of four (4) years the restoration of the Rights-of-Way against sagging, buckling, deterioration, and other premature failures of the restoration in any area where Licensees restored the Rights-of-Way. Licensees shall take measures to prevent damage to any facilities or improvements on adjacent land to the Rights-of-Way. If any damage is caused by Licensees, its employees, contractors or agents, Licensees shall ensure the damage to such land or property is repaired, the land is restored and any damaged property is repaired or replaced, to the satisfaction of the property's owner. In addition, the Licensees shall restore damaged areas and the Rights-of-Way to the satisfaction of City, including but limited to the following: bringing the ground to its original contour and removing all ruts; reseedling or re-sodding or re-pouring any surface disturbed; replace any trees or landscaping; and replacing any improvements of City or others. Unless otherwise directed by the Director of Public Works, all repairs and restoration shall be completed in accordance with the City of Columbia *Street, Storm Sewer, and Sanitary Specifications and*

Standards, as may be amended, or other successor documents, on file with the Director of Public Works.

4.6 Damage to Private Facilities. Licensees agrees by exercising its rights under this Permit that if the Private Facilities are damaged in anyway, whether negligently or intentionally by the construction, repair, modification or relocation of any public facilities or utilities located in the right of way, Licensees will be solely responsible for the repair or replacement of the Private Facilities at the sole cost of Licensees and will hold the City harmless for any costs associated with the repair or replacement or any other costs associated with the damage to the Private Facilities.

SECTION 5. TRANSFER OF AGREEMENT OR FACILITIES

5.1 Transfer of Permit. Licensees shall not sell, transfer, lease, or assign this Permit or its rights under this Permit, in whole or in part, without obtaining the City's prior consent. Notwithstanding the foregoing sentence, Licensees may transfer or assign this Permit or its rights under this Permit, in whole or in part, with prior written notice to the City if to: (a) any entity controlling, controlled by or under common control with Licensees; (b) any surviving successor entity or newly created successor entity in the event of a merger, reorganization or consolidation involving Licensees. The City reserves the right to be reimbursed for its reasonable costs relating to a transfer of ownership. Licensees shall not change its name under which it does business with the public without providing at least 30 days prior notice to the City.

5.2 Licensees as Abutting Land Owner. If Licensees is the fee owner of land ("Abutting Land") directly abutting the Rights-of-Way described in **Exhibit B**, this Permit may be transferred to heirs, assigns, and successors in interest of Licensees to the Abutting Land with the written consent of the Director of Public Works, notwithstanding Subsection 5.1 above.

SECTION 6. FORFEITURE OF LICENSE AND PRIVILEGE.

6.1 In case of failure on the part of the Licensees, its successors and assigns, to comply with any of the provisions of this Permit, including the provisions of the Code, or if the Licensees, its successors and assigns, should do or cause to be done any act or thing prohibited by or in violation of the terms of this Permit, including the provisions of the City's Code of Ordinances, the Licensees, its successors and assigns, shall forfeit all rights and privileges permitted herein, and all rights hereunder shall cease, terminate and become null and void. If the City believes that the failure of the Licensees will be cured by the Licensees, the City may give a written notice that shall set forth in detail the neglect or failure complained of by the City and the time frame in which the City expects the failure to be cured. If the default is cured to the satisfaction of the City and the Licensees is otherwise in compliance with the Permit the forfeiture of the Permit will be avoided and the City may reinstate the license. Notwithstanding any provision herein, if the City Manager determines, in the

Manager's sole discretion, that the public's health, safety or welfare could be at risk, by Licensees use of the License or any action contravening such License, the Manager may immediately terminate the Permit and have the Licensees notified of such action. Nothing herein shall prevent the City from taking any other action or remedy as may be set forth in the City's Code of Ordinances or as may otherwise exist at law. All remedies described in this section are cumulative and in addition to any other rights and remedies to which a party may be entitled at law, in equity or under this Permit.

SECTION 7. GENERAL CONDITIONS

7.1 Compliance With Laws. In performing activities and exercising its rights and obligations under this Permit, the Licensees shall comply with all applicable federal, state and local laws, ordinances, regulations and policies, including all laws, ordinances, regulations and policies relating to construction, bonding, insurance, and use of public property.

7.2 Enforcement; Attorneys' Fees. The City shall be entitled to enforce the terms and conditions of this Permit through all remedies lawfully available, and Licensees shall pay the City its costs of enforcement, including reasonable attorneys' fees in the event that Licensees is determined judicially to have violated the terms of this Permit.

7.3 Relationship of the Parties. Under no circumstances shall this Permit be construed as one of agency, partnership, joint venture, or employment between the parties.

7.4 No Cause of Action Against the City. The Licensees shall have no remedy or recourse whatsoever against the City for any loss, cost, expense, or damage arising from any of the provisions or requirements of this Permit, or because of the enforcement thereof by the City, or for the failure of the City to have the authority to grant, all, or any part, of the rights herein granted; provided that said Licensees expressly acknowledges that it accepted the rights herein granted under this Permit in reliance upon its independent and personal investigation and understanding of the power of authority of the City to grant this Permit; provided further that the Licensees acknowledges by its acceptance of this Permit that it has not been induced to accept this Permit upon any understanding, or promise, whether given verbally or in writing by or on behalf of any party, or by any other person concerning any term or condition of this Permit not expressed herein; provided further that the Licensees acknowledges by the acceptance of this Permit that it has carefully read the provisions, terms, and conditions hereof and all incorporated provisions and is willing to, and does accept, all of the risk attendant to said provisions, terms, and conditions of this Permit. Nothing herein shall be deemed to waive the City's sovereign immunity.

SECTION 8. INDEMNIFICATION AND INSURANCE.
