RE: Amendment 7 to the General Cooperative Agreement dated March 8<sup>th</sup>, 2011

Dear Mr. Glascock:

Enclosed are 2 originals of the above – referenced agreement. The purpose of this agreement is to provide sanitary sewer service to property on the west side of South Arrowhead Lake Drive. With this agreement the BCRSD requests that this property be excused from annexation and development to city standards. The property has been submitted as a potential plat to Arrowhead Lake Estates which is served by the District and there is county sewer available to the property.

Additionally, Amendment 7 reflects that the BCRSD will pay the “special connection fee for the Cascades Pump Station” and the “regular connection fee” which is required by the City for sewer connection to the City’s treatment system.

I hope this amendment is acceptable and I look forward to hearing from you in regards to its approval by the City Council. If this amendment is acceptable, please sign the originals and return one original to me.

If you have any questions or require additional information, please call me at 573-443-2765 or e-mail me at [tratermann@bcrsd.com](mailto:tratermann@bcrsd.com). Thank you for your cooperation in this matter.

Sincerely,  
BOONE COUNTY REGIONAL SEWER DISTRICT
