

**AGENDA REPORT
PLANNING AND ZONING COMMISSION MEETING
July 19, 2018**

SUMMARY

A request by C. Stephen Heying Surveying (agent) on behalf of Horizon Steel Buildings LLC (owner) for approval of a three-lot final plat of R-2 (Two-Family Dwelling) zoned property, constituting a replat of Lots 11 & 12 of *Renaissance Meadows - Plat 1* as well as unplatted property, to be known as *Renaissance Meadows - Plat 3* . The 0.84-acre subject site is located near the northwest corner of Ria Street and McKee Street, and includes property currently addressed as 4421, 4431 and 4433 Ria Street. (**Case #18-144**)

DISCUSSION

The applicant is seeking approval of a final plat that combines previously unplatted property along McKee Street with two existing lots from the final plat *Renaissance Meadows - Plat 1*, and reconfigures the property into four total lots. No additional right of way is required, and the site is currently served by utilities.

The plat will generally combine the east portion of Lot 12 with the west portion of the unplatted property to the north, which is at present an approximately 250-foot deep parcel, to create an additional lot that will front on Ria Street. The remaining unplatted property will front on McKee Street. Lot 11 will also have a slight adjustment to its west property line.

The new configuration of lots is consistent with the existing development pattern in the subdivision in terms of lot size, and allows for infill development that is sensitive to the context of the neighborhood. The parcel will also not require additional infrastructure extension, but will require the construction of sidewalks along the McKee Street frontage.

For the replat portion of the plat, staff finds that the requested replat will not eliminate any restrictions that have been relied upon by neighbors, is properly served by existing utilities, and will not be detrimental to the neighborhood.

The proposed plat has been reviewed by staff, and it meets all requirements of the Unified Development Code. The site will require the approval of stormwater maintenance site plans prior to forwarding to City Council.

RECOMMENDATION

Approval of the final plat for *Renaissance Meadows - Plat 3*.
