 The Professional Engineer, whose signature and personal seal appear on this document, accepts responsibility for the work, specification, estimates, reports, documents or other information provided by the Professional Engineer, whether or intended to be used by any party or parties. The Professional Engineer's signature and seal are required for the Professional Engineer's work on any project for which the document was prepared. The Professional Engineer has the enclosed seal and seal of the Engineer across the top and date. Copies of this document are available for review at the Missouri State Board of Professional Engineers. The Professional Engineer will not be responsible for subsequent changes to this document unless the changes are made by the Engineer or with the Engineer's direct supervision.
