II. Obligor Warranties

Section 2.01 Obligor represents, warrants and covenants as follows for the benefit of Obligee or its assignees:

- (a) Obligor is an "issuer of tax exempt obligations" because Obligor is the State or a political subdivision of the State within the meaning of Section 103(a) of the Internal Revenue Code of 1986, as amended, (the "Code") or because Obligor is a constituted authority or district authorized to issue obligations on behalf of the State or political subdivision of the State within the meaning of Treasury Regulation 1.103-1(b), or a qualified volunteer fire company within the meaning of section 150(e)(1) of the Code.
- (b) Obligor has complied with any requirement for a referendum and/or competitive bidding.
- (c) Obligor has complied with all statutory laws and regulations that may be applicable to the execution of this Contract; Obligor, and its officer executing this Contract, are authorized under the Constitution and laws of the State to enter into this Contract and have used and followed all proper procedures of its governing body in executing and delivering this Contract. The officer of Obligor executing this Contract has the authority to execute and deliver this Contract. This Contract constitutes a legal, valid, binding and enforceable obligation of the Obligor in accordance with its terms.
- (d) Obligor shall use the Equipment only for essential, traditional government purposes.
- (e) Should the IRS disallow the tax-exempt status of the interest portion of the Contract Payments as a result of the failure of the Obligor to use the Equipment for governmental purposes, or should the Obligor cease to be an issuer of tax exempt obligations, or should the obligation of Obligor created under this Contract cease to be a tax exempt obligation for any reason, then Obligor shall be required to pay additional sums to the Obligee or its assignees so as to bring the after tax yield on this Contract to the same level as the Obligee or its assignees would attain if the transaction continued to be tax-exempt.
- (f) Obligor has never non-appropriated funds under a contract similar to this Contract.
- (g) Obligor will submit to the Secretary of the Treasury an information reporting statement as required by the Code.
- (h) Upon request by Obligee, Obligor will provide Obligee with current financial statements, reports, budgets or other relevant fiscal information.
- (i) Obligor shall retain the Equipment free of any hazardous substances as defined in the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9601 et. seq. as amended and supplemented.
- (j) Obligor presently intends to continue this Contract for the Original Term and all Renewal Terms as set forth on Exhibit B hereto. The official of Obligor responsible for budget preparation will include in the budget request for each Budget Year the Contract Payments to become due in such Budget Year, and will use all reasonable and lawful means available to secure the appropriation of money for such Budget Year sufficient to pay the Contract Payments coming due therein. Obligor reasonably believes that moneys can and will lawfully be appropriated and made available for this purpose.
- (k) Obligor has selected both the Equipment and the vendor(s) from whom the Equipment is to be purchased upon its own judgment and without reliance on any manufacturer, merchant, vendor or distributor, or agent thereof, of such equipment to the public.
- (l) Obligor owns free and clear of any liens any additional collateral pledged, subject only to the lien described herein; Obligor has not and will not, during the Contract Term, create, permit, incur or assume any levies, liens or encumbrances of any kind with respect to the Equipment and any additional collateral except those created by this Contract.

III. Acquisition of Equipment, Contract Payments and the Purchase Option Price

Section 3.01 Acquisition and Acceptance. Obligor shall be solely responsible for the ordering of the Equipment and for the delivery and installation of the Equipment. The Payment Request and Equipment Acceptance Form must be signed by the same authorized individual(s) who signed the Signature Card, Exhibit G. By making a Contract Payment after its receipt of the Equipment pursuant to this Contract, Obligor shall be deemed to have accepted the Equipment on the date of such Contract Payment for purposes of this Contract. All Contract Payments paid prior to delivery of the Payment Request and Equipment Acceptance Form shall be credited to Contract Payments as they become due as shown on the Contract Payment Schedule attached as Exhibit B hereto.

Section 3.02 Contract Payments. Obligor shall pay Contract Payments exclusively to Obligees or its assignees in lawful, legally available money of the United States of America. The Contract Payments shall be sent to the location specified by the Obligees or its assignees. The Contract Payments shall constitute a current expense of the Obligor and shall not constitute an indebtedness of the Obligor. The Contract Payments, payable without notice or demand, are due as set forth on Exhibit B. Obligees shall have the option to charge interest at the highest lawful rate on any Contract Payment received later than the due date for the number of days that the Contract Payment(s) were late, plus any additional accrual on the outstanding balance for the number of days that the Contract Payment(s) were late. Obligees shall also have the option, on monthly payments only, to charge a late fee of up to 10% of the monthly Contract Payment that is past due. Furthermore, Obligor agrees to pay any fees associated with the use of a payment system other than check, wire transfer, or ACH. Once all amounts due Obligees hereunder have been received, Obligor will release any and all of its rights, title and interest in the Equipment.

SECTION 3.03 CONTRACT PAYMENTS UNCONDITIONAL. Except as provided under Section 4.01, THE OBLIGATIONS OF OBLIGOR TO MAKE CONTRACT PAYMENTS AND TO PERFORM AND OBSERVE THE OTHER COVENANTS CONTAINED IN THIS CONTRACT SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS WITHOUT ABATEMENT, DIMINUTION, DEDUCTION, SET-OFF, OR SUBJECT TO DEFENSE OR COUNTERCLAIM.

Section 3.04 Purchase Option Price. Upon thirty (30) days written notice, Obligor shall have the option to pay, in addition to the Contract Payment, the corresponding Purchase Option Price which is listed on the same line on Exhibit B. This option is only available to the Obligor on the Contract Payment date and no partial prepayments are allowed. If Obligor chooses this option and pays the Purchase Option Price to Obligees then Obligees will transfer any and all of its rights, title and interest in the Equipment to Obligor.

Section 3.05 Contract Term. The Contract Term shall be the Original Term and all Renewal Terms until all the Contract Payments are paid as set forth on Exhibit B except as provided under Section 4.01 and Section 9.01 below. If, after the end of the budgeting process which occurs at the end of the Original Term or any Renewal Term, Obligor has not non-appropriated as provided for in this Contract then the Contract Term shall be extended into the next Renewal Term and the Obligor shall be obligated to make all the Contract Payments that come due during such Renewal Term.

Section 3.06 Disclaimer of Warranties. OBLIGEE MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE OR ANY OTHER WARRANTY WITH RESPECT TO THE EQUIPMENT. OBLIGEE IS NOT A MANUFACTURER, SELLER, VENDOR OR DISTRIBUTOR, OR AGENT THEREOF, OF SUCH EQUIPMENT; NOR IS OBLIGEE A MERCHANT OR IN THE BUSINESS OF DISTRIBUTING SUCH EQUIPMENT TO THE PUBLIC. OBLIGEE SHALL NOT BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE ARISING OUT OF THE INSTALLATION, OPERATION, POSSESSION, STORAGE OR USE OF THE EQUIPMENT BY OBLIGOR.

IV. Non-Appropriation

Section 4.01 Non-Appropriation. Obligor represents and warrants to Obligees that Obligor (i) has sufficient appropriations or other funds available to pay all amounts due hereunder for the current fiscal year and (ii) reasonably believes that funds can be obtained sufficient to make all Contract Payments during the Contract Term. Obligor hereby covenants that it will do all things reasonably within its power to obtain funds from which the Contract Payments may be made, including (i) providing for such payments to the extent necessary in each budget submitted for the purpose of obtaining funding and (ii) using bona fide best efforts to have such portion of the budget approved. It is Obligor's intent to make Contract Payments for the full term of this Contract if funds are available therefor, and Obligor represents that the use of the Equipment is essential to Obligor's proper, efficient and economic operation. In the event no funds or insufficient funds are appropriated and budgeted or are otherwise not available for any fiscal year for Contract Payments due under this Contract then Obligor will immediately notify us of such occurrence and this Contract will terminate on the last day of the fiscal year for which appropriations were received. Obligor will not incur any penalty or expense as a result of any such termination or this Lease, and you will have no obligation to make Contract Payments with respect to the remainder of the Contract. Obligor will be obligated to make Contract Payments in the current fiscal year to the extent funds shall have been appropriated and budgeted or are otherwise available. In the event of such termination, Obligor agrees to deliver the Equipment to Obligees pursuant to Section 9.04 of this Contract, and Obligees will have all legal and equitable rights and remedies to take possession of the Equipment.

V. Insurance, Damage, Insufficiency of Proceeds

Section 5.01 Insurance. Obligor shall maintain both property insurance and liability insurance at its own expense with respect to the Equipment. Obligor shall be solely responsible for selecting the insurer(s) and for making all premium payments and ensuring that all policies are continuously kept in effect during the period when Obligor is required to make Contract Payments. Obligor shall provide Obligees with a certificate of Insurance which lists the Obligees and/or assigns as a loss payee and an additional insured on the policies with respect to the Equipment.

(a) Obligor shall insure the Equipment against any loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State and any other risks reasonably required by Obligees in an amount at least equal to the then applicable Purchase Option Price of the Equipment. Alternatively, Obligor may insure the Equipment under a blanket insurance policy or policies.

(b) The liability insurance shall insure Obligees from liability and property damage in any form and amount satisfactory to Obligees.

(c) Obligor may self-insure against the casualty risks and liability risks described above. If Obligor chooses this option, Obligor must furnish Obligees with a certificate and/or other documents which evidences such coverage.

(d) All insurance policies issued or affected by this Section shall be so written or endorsed such that the Obligees and its assignees are named additional insureds and loss payees and that all losses are payable to Obligor and Obligees or its assignees as their interests may appear. Each policy issued or affected by this Section shall contain a provision that the insurance company shall not cancel or materially modify the policy without first giving thirty (30) days advance notice to Obligees or its assignees. Obligor shall furnish to Obligees certificates evidencing such coverage throughout the Contract Term.

Section 5.02 Damage to or Destruction of Equipment. Obligor assumes the risk of loss or damage to the Equipment. If the Equipment or any portion thereof is lost, stolen, damaged, or destroyed by fire or other casualty, Obligor will immediately report all such losses to all possible insurers and take the proper procedures to obtain all insurance proceeds. At the option of Obligees, Obligor shall either (1) apply the Net Proceeds to replace, repair or restore the Equipment or (2) apply the Net Proceeds to the applicable Purchase Option Price. For purposes of this Section and Section 5.03, the term Net Proceeds shall mean the amount of insurance proceeds collected from all applicable insurance policies after deducting all expenses incurred in the collection thereof.

Section 5.03 Insufficiency of Net Proceeds. If there are no Net Proceeds for whatever reason or if the Net Proceeds are insufficient to pay in full the cost of any replacement, repair, restoration, modification or improvement of the Equipment, then Obligor shall, at the option of Obligees, either (1) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds or (2) apply the Net Proceeds to the Purchase Option Price and pay the deficiency, if any, to the Obligees.

Section 5.04 Obligor Negligence. Obligor assumes all risks and liabilities, whether or not covered by insurance, for loss or damage to the Equipment and for injury to or death of any person or damage to any property whether such injury or death be with respect to agents or employees of Obligor or of third parties, and whether such property damage be to Obligor's property or the property of others (including, without limitation, liabilities for loss or damage related to the release or threatened release of hazardous substances under the Comprehensive Environmental Response, Compensation and Liability Act, the Resource Conservation and Recovery Act or similar or successor law or any State or local equivalent now existing or hereinafter enacted which in any manner arise out of or are incident to any possession, use, operation, condition or storage of any Equipment by Obligor), which is proximately caused by the negligent conduct of Obligor, its officers, employees and agents.

Section 5.05 Reimbursement. Obligor hereby assumes responsibility for and agrees to reimburse Obligees for all liabilities, obligations, losses, damages, penalties, claims, actions, costs and expenses (including reasonable attorneys' fees) of whatsoever kind and nature, imposed on, incurred by or asserted against Obligees that in any way relate to or arise out of a claim, suit or proceeding, based in whole or in part upon the negligent conduct of Obligor, its officers, employees and agents, or arose out of installation, operation, possession, storage or use of any item of the Equipment, to the maximum extent permitted by law.

VI. Title and Security Interest

Section 6.01 Title. Title to the Equipment shall vest in Obligor when Obligor acquires and accepts the Equipment. Title to the Equipment will automatically transfer to the Obligees in the event Obligor non-appropriates under Section 4.01 or in the event Obligor defaults under Section 9.01. In such event, Obligor shall execute and deliver to Obligees such documents as Obligees may request to evidence the passage of legal title to the Equipment to Obligees.

Section 6.02 Security Interest. To secure the payment of all Obligor's obligations under this Contract, as well as all other obligations, debts and liabilities, plus interest thereon, whether now existing or subsequently created, Obligor hereby grants to Obligees a security interest under the Uniform Commercial Code constituting a first lien on the Equipment described more fully on Exhibit A. Furthermore, Obligor agrees that any other collateral securing any other obligation(s) to Obligees, whether offered prior to or subsequent hereto, also secures this obligation. The security interest established by this section includes not only all additions, attachments, repairs and replacements to the Equipment but also all proceeds therefrom. Obligor authorizes Obligees to prepare and record any Financing Statement required under the Uniform Commercial Code to perfect the security interest created hereunder. Obligor agrees that any Equipment listed on Exhibit A is and will remain personal property and will not be considered a fixture even if attached to real property.

VII. Assignment

Section 7.01 Assignment by Oblige. All of Oblige's rights, title and/or interest in and to this Contract may be assigned and reassigned in whole or in part to one or more assignees or sub-assignees by Oblige at any time without the consent of Obligor. No such assignment shall be effective as against Obligor until the assignor shall have filed with Obligor written notice of assignment identifying the assignee. Obligor shall pay all Contract Payments due hereunder relating to such Equipment to or at the direction of Oblige or the assignee named in the notice of assignment. Obligor shall keep a complete and accurate record of all such assignments.

Section 7.02 Assignment by Obligor. None of Obligor's right, title and interest under this Contract and in the Equipment may be assigned by Obligor unless Oblige approves of such assignment in writing before such assignment occurs and only after Obligor first obtains an opinion from nationally recognized counsel stating that such assignment will not jeopardize the tax-exempt status of the obligation.

VIII. Maintenance of Equipment

Section 8.01 Equipment. Obligor shall keep the Equipment in good repair and working order, and as required by manufacturer's and warranty specifications. If Equipment consists of copiers, Obligor is required to enter into a copier maintenance/service agreement. Oblige shall have no obligation to inspect, test, service, maintain, repair or make improvements or additions to the Equipment under any circumstances. Obligor will be liable for all damage to the Equipment, other than normal wear and tear, caused by Obligor, its employees or its agents. Obligor shall pay for and obtain all permits, licenses and taxes related to the ownership, installation, operation, possession, storage or use of the Equipment. If the Equipment includes any titled vehicle(s), then Obligor is responsible for obtaining such title(s) from the State and also for ensuring that Oblige is listed as First Lienholder on all of the title(s). Obligor shall not use the Equipment to haul, convey or transport hazardous waste as defined in the Resource Conservation and Recovery Act, 42 U.S.C. 6901 et. seq. Obligor shall allow Oblige to examine and inspect the Equipment at all reasonable times.

IX. Default

Section 9.01 Events of Default defined. The following events shall constitute an "Event of Default" under this Contract:

- (a) Failure by Obligor to pay any Contract Payment listed on Exhibit B for fifteen (15) days after such payment is due according to the Payment Date listed on Exhibit B.
- (b) Failure to pay any other payment required to be paid under this Contract at the time specified herein and a continuation of said failure for a period of fifteen (15) days after written notice by Oblige that such payment must be made. If Obligor continues to fail to pay any payment after such period, then Oblige may, but will not be obligated to, make such payments and charge Obligor for all costs incurred plus interest at the highest lawful rate.
- (c) Failure by Obligor to observe and perform any warranty, covenant, condition, promise or duty under this Contract for a period of thirty (30) days after written notice specifying such failure is given to Obligor by Oblige, unless Oblige agrees in writing to an extension of time. Oblige will not unreasonably withhold its consent to an extension of time if corrective action is instituted by Obligor. Subsection (c) does not apply to Contract Payments and other payments discussed above.
- (d) Any statement, material omission, representation or warranty made by Obligor in or pursuant to this Contract which proves to be false, incorrect or misleading on the date when made regardless of Obligor's intent and which materially adversely affects the rights or security of Oblige under this Contract.
- (e) Any provision of this Contract which ceases to be valid for whatever reason and the loss of such provision would materially adversely affect the rights or security of Oblige.
- (f) Except as provided in Section 4.01 above, Obligor admits in writing its inability to pay its obligations.
- (g) Obligor defaults on one or more of its other obligations.
- (h) Obligor becomes insolvent, is unable to pay its debts as they become due, makes an assignment for the benefit of creditors, applies for or consents to the appointment of a receiver, trustee, conservator, custodian, or liquidator of Obligor, or all or substantially all of its assets, or a petition for relief is filed by Obligor under federal bankruptcy, insolvency or similar laws, or is filed against Obligor and is not dismissed within thirty (30) days thereafter.

Section 9.02 Remedies on Default. Whenever any Event of Default exists, Oblige shall have the right to take one or any combination of the following remedial steps:

- (a) With or without terminating this Contract, Oblige may declare all Contract Payments and other amounts payable by Obligor hereunder to the end of the then current Budget Year to be immediately due and payable.
- (b) With or without terminating this Contract, Oblige may require Obligor at Obligor's expense to redeliver any or all of the Equipment and any additional collateral to Oblige as provided below in Section 9.04. Such delivery shall take place within fifteen (15) days after the Event of Default occurs. Notwithstanding that Oblige has taken possession of the Equipment and any additional collateral, Obligor shall still be obligated to pay the remaining Contract Payments already appropriated due up until the end of the then current Original Term or Renewal Term. Obligor will be liable for any damage to the Equipment and any additional collateral caused by Obligor or its employees or agents.
- (c) Oblige may take whatever action at law or in equity that may appear necessary or desirable to enforce its rights. Obligor shall be responsible to Oblige for all costs incurred by Oblige in the enforcement of its rights under this Contract including, but not limited to, reasonable attorney fees.

Section 9.03 No Remedy Exclusive. No remedy herein conferred upon or reserved to Oblige is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Contract now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or shall be construed to be a waiver thereof.

Section 9.04 Return of Equipment and Storage.

- (a) Surrender: The Obligor shall, at its own expense, surrender the Equipment, any additional collateral and all required documentation to evidence transfer of title from Obligor to the Oblige in the event of a default or a non-appropriation by delivering the Equipment and any additional collateral to the Oblige to a location accessible by common carrier and designated by Oblige. In the case that any of the Equipment and any additional collateral consists of software, Obligor shall destroy all intangible items constituting such software and shall deliver to Oblige all tangible items constituting such software. At Oblige's request, Obligor shall also certify in a form acceptable to Oblige that Obligor has complied with the above software return provisions and that they will immediately cease using the software and that they shall permit Oblige and/or the vendor of the software to inspect Obligor's locations to verify compliance with the terms hereto.
- (b) Delivery: The Equipment and any additional collateral shall be delivered to the location designated by the Oblige by a common carrier unless the Oblige agrees in writing that a common carrier is not needed. When the Equipment and any additional collateral is delivered into the custody of a common carrier, the Obligor shall arrange for the shipping of the item and its insurance in transit in accordance with the Oblige's instructions and at the Obligor's sole expense. Obligor at its expense shall completely sever and disconnect the Equipment and any additional collateral or its component parts from the Obligor's property all without liability to the Oblige. Obligor shall pack or crate the Equipment and any additional collateral and all of the component parts of the Equipment and any additional collateral carefully and in accordance with any recommendations of the manufacturer. The Obligor shall deliver to the Oblige the plans, specifications, operation manuals or other warranties and documents furnished by the manufacturer or vendor on the Equipment and any additional collateral and such other documents in the Obligor's possession relating to the maintenance and methods of operation of such Equipment and any additional collateral.
- (c) Condition: When the Equipment is surrendered to the Oblige it shall be in the condition and repair required to be maintained under this Contract. It will also meet all legal regulatory conditions necessary for the Oblige to sell or lease it to a third party and be free of all liens. If Oblige reasonably determines that the Equipment or an item of the Equipment, once it is returned, is not in the condition required hereby, Oblige may cause the repair, service, upgrade, modification or overhaul of the Equipment or an item of the Equipment to achieve such condition and upon demand, Obligor shall promptly reimburse Oblige for all amounts reasonably expended in connection with the foregoing.
- (d) Storage: Upon written request by the Oblige, the Obligor shall provide free storage for the Equipment and any additional collateral for a period not to exceed 60 days after the expiration of the Contract Term before returning it to the Oblige. The Obligor shall arrange for the insurance described to continue in full force and effect with respect to such item during its storage period and the Oblige shall reimburse the Obligor on demand for the incremental premium cost of providing such insurance.

X. Vendor Payable Account

Section 10.01 Establishment of Vendor Payable Account. On the date that the Oblige executed this Contract, which is on or after the date that the Obligor executes this Contract, Oblige agrees to (i) make available to Obligor an amount sufficient to pay the total Purchase Price for the Equipment by establishing a separate, non-interest bearing account (the "Vendor Payable Account"), as agent for Obligor's account, with a financial institution that Oblige selects that is acceptable to Obligor (including Oblige or any of its affiliates) and (ii) to deposit an amount equal to such Purchase Price as reflected on Exhibit B in the Vendor Payable Account. Obligor hereby further agrees to make the representations, warranties and covenants relating to the Vendor Payable Account as set forth in Exhibit C attached hereto. Upon Obligor's delivery to Oblige of a Payment Request and Equipment Acceptance Form in the form set forth in Exhibit F attached hereto, Obligor authorizes Oblige to withdraw funds from the Vendor Payable Account from time to time to pay the Purchase Price, or a portion thereof, for each item of Equipment as it is delivered to Obligor. The Payment Request and Equipment Acceptance Form must be signed by an authorized individual acting on behalf of Obligor. The authorized individual or individuals designated by the Obligor must sign the Signature Card which will be kept in the possession of the Oblige.

Section 10.02 Down Payment. Prior to the disbursement of any funds from the Vendor Payable Account, the Obligor must either (1) deposit all the down payment funds that the Obligor has committed towards the purchase of the Equipment into the Vendor Payable Account or (2) Obligor must provide written verification to the satisfaction of the Oblige that all the down payment funds Obligor has committed towards the purchase of the Equipment have already been spent or are simultaneously being spent with the funds requested from the initial Payment Request and Equipment Acceptance Form. For purposes of this Section, the down payment funds committed towards the Equipment from the Obligor are the down payment funds that were represented to the Oblige at the time this transaction was submitted for credit approval by the Obligor to the Oblige.

Section 10.03 Disbursement upon Non-Appropriation or Default. If an event of non-appropriation or default occurs prior to the Partial Prepayment Date, the amount then on deposit in the Vendor Payable Account shall be retained by the Oblige and Obligor will have no interest therein.

Section 10.04 Surplus Amount. Any Surplus Amount then on deposit in the Vendor Payable Account on the Partial Prepayment Date shall be applied to pay on such Partial Prepayment Date a portion of the Purchase Option Price then applicable.

Section 10.05 Recalculation of Contract Payments. Upon payment of a portion of the Purchase Option Price as provided in Section 10.04 above, each Contract Payment thereafter shall be reduced by an amount calculated by Oblige based upon a fraction the numerator of which is the Surplus Amount and the denominator of which is the Purchase Option Price on such Partial Prepayment Date. Within 15 days after such Partial Prepayment Date, Oblige shall provide to Obligor a revised Exhibit B to this Contract, which shall take into account such payment of a portion of the Purchase Option Price thereafter and shall be and become thereafter Exhibit B to this Contract. Notwithstanding any other provision of this Section 10, this Contract shall remain in full force and effect with respect to all or the portion of the Equipment accepted by Obligor as provided in this Contract, and the portion of the principal component of Contract Payments remaining unpaid after the Partial Prepayment Date plus accrued interest thereon shall remain payable in accordance with the terms of this Contract, including revised Exhibit B hereto which shall be binding and conclusive upon Oblige and Obligor.

8038 REVIEW FORM

The 8038 form attached hereto is an important part of the documentation package and must be properly filled out and submitted to the Department of the Treasury in order for you to receive the lower tax-exempt rate. Unless you instruct us otherwise, we have engaged a Paid Preparer to assist in the filling out of this form. The Paid Preparer has filled out the relevant portions of this form based on the current understanding of what is required by the Department of the Treasury. The responses on this 8038 form are based on the dates and amounts which you have requested (structure of the transaction) and which are on the Payment Schedule.

1. Please review our responses for accuracy. If anything is inaccurate, please contact our office so that we can make proper revisions.
2. If the information provided to you on this form is accurate, please sign where indicated and return with the document package.
3. If there are any changes to the structure of the transaction that occur prior to funding which require a change to the 8038 form, we will make such changes and provide notification to you.
4. We will return to you a copy of the 8038 form that was mailed to the Department of the Treasury.

Important Note:

The IRS is now requesting information regarding tax-exempt issuers' and borrowers' written policies and procedures designed to monitor post-issuance compliance with the federal tax rules applicable to tax-exempt obligations (boxes 43 and 44). Do not check items 43 and 44 on the 8038 form unless you have established written procedures in accordance with the instructions referenced directly below. If you choose to "check" items 43 and/or 44, please be prepared to provide copies of such written procedures to the Paid Preparer or any representatives of the IRS upon request. Written procedures should contain certain key characteristics, including making provisions for:

- Due diligence review at regular intervals;
- Identifying the official or employee responsible for review;
- Training of the responsible official/employee;
- Retention of adequate records to substantiate compliance (e.g., records relating to expenditure of proceeds);
- Procedures reasonably expected to timely identify noncompliance; and
- Procedures ensuring that the issuer will take steps to timely correct noncompliance.

For additional guidance on this 8038 form, you can refer to the Documentation Instructions located on the following government website: <http://www.irs.gov/app/picklist/list/formsInstructions.html>, or contact your local IRS office.
