

Public Comment Form

Sexton Road Traffic Calming

We would appreciate hearing your thoughts about this project. You may make comments on this form and leave it with City staff at today's meeting; or take it home to fill out. Please write legibly, include your complete mailing address, and sign your comment form.

Comment forms can be mailed to: **Jacob Ray P.E.**
Public Works Department
City of Columbia
PO Box 6015
Columbia, MO 65205

Comments may also be faxed to.... **(573) 449-9641**
or forwarded via E-mail to... **pubw@CoMo.gov**
(please include "Sexton Road Traffic Calming" in the subject line and provide your name and complete mailing address)

- I support traffic calming being installed on Sexton Road
 Traffic Calming wouldn't bother me if it were implemented
 I do NOT support traffic calming being install on Sexton Road

We are accepting comments until December 22, 2017. Thank you for your input!

Comments:

So much heavy traffic, gravel trucks that feel they're all that matter, excessive speed, uncovered loads, shouldn't see any parking on street at all

There is more space on the back of this form.

Comments: Rush hour traffic, speeding between 8-9, morn. picks backup 11-1 lunch time afternoon 2-5.
Sexton Rd. is used for cut thru to get to main roads, like Providence Rd, they use McKel, Sexton, Banks to get to Worley St.
Excussive speed of Dump Trucks.

Comments: As a means of bypassing traffic on the business loop and providence Sexton experiences speeds well in excess of the posted speed limits; this creates a dangerous environment for families w/ young children in this predominantly residential area

There is more space on the back of this form.

Public Comment Form

Eastbound traffic between the business loop & garth
tends to be the fastest/most dangerous. Reducing speeds and
increasing* awareness in this area would likely reduce
both speeds and excessive through traffic.
