Re: Setting a Public Hearing – Sewer Utility Rate Structure Changes

Executive Summary

Resolution setting a public hearing for September 6, 2016 to consider proposed amendments to Chapters 13 and 22 of the City Code of Ordinances relating to structure changes to the sanitary sewer utility rates, sewer utility connection fees, and increase of the waste hauler disposal service fees.

Discussion

In order to provide adequate funding to meet current bond obligations, and to operate and maintain the sewer utility, staff is recommending that Chapters 13 and 22 of the City Code be amended to implement structural rate changes in connection with the November 2013 revenue bond package presented to voters for sanitary sewer utility capital improvements. This resolution sets the public hearing for the proposed ordinance changes.
