THIS AGREEMENT, by and between **CITY OF COLUMBIA, MISSOURI**, a municipal corporation (hereinafter "City"), and VidWest hereinafter "Contractor"), is entered into on the date of the last signatory noted below ("Effective Date").

WHEREAS, City, through its Office of Cultural Affairs, has canvassed the cultural needs of City and determined that certain unmet cultural needs exist within the community; and

WHEREAS, Contractor provides services that may fulfill the cultural needs of Columbia's citizens; and

WHEREAS, City is desirous of meeting the unmet cultural needs by contracting for services with Contractor.

NOW, THEREFORE, the Parties hereto, for good and sufficient consideration, the receipt of which is hereby acknowledged, intending to be legally bound, do hereby agree as follows.

1. **Term.** The services of Contractor shall commence as soon as practicable after the execution of this Agreement, unless otherwise directed in writing, and shall be undertaken and completed in such sequence as to assure their expeditious completion in the light of the purposes of the Agreement, but in any event, all of the services required hereunder shall be completed by **December 31, 2024** unless the Parties agree otherwise, in writing.
2. **Services.** City agrees to engage the services of Contractor and Contractor agrees to perform the services outlined in Exhibit A. Significant programming changes require the approval of the Commission on Cultural Affairs.
3. **Subcontracts.** Contractor represents that Contractor will secure at Contractor's own expense, all personnel required to perform the services called for under this Agreement by Contractor. None of the work or services covered by this Agreement shall be subcontracted or assigned without the written approval of City.
4. **Payment.**

- a. City agrees to pay Contractor the sum of four thousand five hundred thirty two dollars (\$4,532.00) which shall constitute complete compensation for all services and payment of expenses to be rendered under this Agreement. It is expressly understood that in no event will the total amount to be paid to Contractor under the terms of this Agreement or any amendment thereto exceed the sum set forth in this paragraph unless otherwise agreed to in writing between the parties in advance of the provision of such services.
 - b. Payment shall be made as follows:

If the Contractor fails to file a final report with the Office of Cultural Affairs within ninety (90) days of the completion of the services agreed upon, the ten percent (10%) retained shall be forfeited to City and Contractor shall not be eligible to participate in future agreements with City for the provision of cultural services until such unmet requirements are fulfilled.
 - c. Contractor agrees that City may withhold payment of funds until Contractor has satisfied all requirements of this Agreement and any previous contract between Contractor and City. Where Contractor has had previous City funds for projects under programs of the Office of Cultural Affairs, a final report including a detailed schedule of income and expenses must have been presented in order for new project funds to be disbursed.
5. Contractor agrees that it is responsible for all funds made available to Contractor by this Agreement and further agrees that it will reimburse to City any funds expended in violation of city, state, or federal law or in violation of this Agreement. Contractor agrees that it is subject to audit and review on request by City. If Contractor has a financial audit prepared, that report shall be furnished to the Office of Cultural Affairs. Contractor agrees that all funds received from City shall be expended as outlined in the Exhibit A and in the budget approved by the City's Manager of Cultural Affairs. None of the funds shall be used to replace monies normally budgeted by Contractor for other projects or for staff salaries, contractor overhead, generalized administrative expenses or be diverted to any other use or purpose. Full records of all expenditures and disbursements and any income from the provision of the program described in Exhibit A shall be kept and open to City inspection during regular business hours.

In such event, Contractor shall immediately stop work and City shall not be liable to Contractor except for payment for actual work performed prior to such notice in an amount proportionate to the completed contract price and for the actual costs of preparations made by Contractor for the performance of the cancelled portions of the contract, including a reasonable allowance of profit applicable to the actual work performed. Anticipatory profits and consequential damages shall not be recoverable by Contractor. Should City terminate this Agreement, Contractor shall refund any advance payment made and amount due to the City within thirty (30) days of the termination date.
8. Cancellation of Art Services, Program(s) or Event(s).
 - a. Cancellation by Contractor. Should Contractor cancel the proposed art services, program(s), or event(s) that are outlined in Exhibit A, Contractor shall return all of the funds to the City.
 - b. Cancellation by City. Should City cancel the proposed art services, program(s), or event(s) that are outlined in Exhibit A or should an order of the City result in cancellation of the services, program(s) or event(s), Contractor shall return the unspent funds to the City.

EXHIBIT A SCOPE OF SERVICES

Media Accessed: A Workshop Series at Vidwest

PROJECT DESCRIPTION

Our proposed project is 10 workshop days that aim to provide participants with knowledge and skills in photography, audio techniques, podcasting, content creation for social media, online design applications, and archiving historical media. Each workshop will be led by experienced, vetted instructors and industry professionals who will provide hands-on training and guidance to participants. The workshops will include interactive activities, discussions, and ongoing support to reinforce the concepts covered. The Media Accessed series is meant to serve as a supplemental opportunity to Vidwest's core mission of video production and technical assistance of execution of video productions.

Our workshop series aims to achieve the following objectives: increase media literacy for Columbia residents, build a sense of community and educational support among workshop participants, and provide media resources and tools to help participants apply the concepts they learn in the workshops to their own media production. To realize these objectives, our program will include the following components:

Curriculum development: we will support vetted media professionals and educators to develop a workshop curriculum that covers key media literacy topics within their expertise.

Workshop delivery: we will deliver the workshops at Vidwest and will work with instructors to promote the workshops and recruit participants. Each workshop will be led by a professional in their niche and will include interactive activities and group discussions to reinforce the concepts covered.

Resources and tools: we will provide participants with easy access to equipment to help them apply the concepts to their own media production. Notably, Vidwest is a community media center with robust existing infrastructure to support the program by providing media equipment, education space, member collaboration and support, sustainable access via affordable memberships, 24/7 building access, and accessible parking.

Community building: we will prioritize creating a supportive and inclusive community among workshop participants. This will include networking opportunities, peer support, and follow-up resources via a subsidized membership to Vidwest for one year following the class to encourage continued learning and engagement.

USE OF FUNDS

Awarded City funds will be used in the following manner: funds will cover the labor of instructors and their assistants. Instructors will generate their curriculum, prepare equipment and space with aid from the Vidwest studio manager, teach workshops with their assistants, and then follow up with participants who have additional queries; funds will go to administrative labor for the workshops (outreach, organization, enrollment, execution, documentation, and follow-up): funds will available for instructors who may request

workshop materials and/or expendables; funds will be for media creation and marketing, and funds for printed materials.
