Comments: *I travel between Mexico Street & Clark Lane
5 days a week - usually Southbound. I have long felt
this road to be unsafe with a high number of pedestrians
vs a lot of cars traveling at 45 mph (or faster) and am
worried about injuring someone walking - when they
have no where to walk. I am pleased to see a proposal
to rectify this situation.*

Comments: I am all for it! I think it be safer for peods. & Drivers on hill N. of oakView to make the road go straight. I see a lot of accidents or near accidents in wet & winter on this hill (I live at top & see it all) The proposed now is to go around Dan Brush's property now = adding yet another dangerous curve on this hill = unsafe!!! Comments: WE ARE IN FAVOR OF THE PROJECT. WE WOULD CONSIDER DONATING THE NECESSARY RIGHT OF WAY IF THE CITY WOULD CONSIDER CONSTRUCTING AN ACCESS TO THE PROPERTY FROM BALLENGER LANE. WE UNDERSTAND THAT THE CITY MAY CONSIDER IT TO BE DESIRABLE TO RESTRICT IT TO RIGHT IN RIGHT OUT AND WE WILL ACCEPT THAT IF THE CITY BUILDS IT DURING THEIR CONSTRUCTION PROJECT
