Introduced by Treece Council Bill No. R 167-21

A RESOLUTION

authorizing the use of a design/build process for construction of a bridge as part of the Perche Creek Trail Phase I: MKT Trail to Gillespie Bridge Road improvement project.

WHEREAS, the City Council passed Ordinance No. 024376 on September 21, 2020 to authorize the construction of the Perche Creek Trail, from the MKT Trail to Gillespie Bridge Road, to include construction of a 10-foot wide concrete trail, a bridge over the Perche Creek and a small trailhead on the south side of Gillespie Bridge Road, together with an agreement for professional engineering services with Crockett Engineering Consultants, LLC for design of the trail project; and

WHEREAS, Crockett Engineering has completed all preliminary work associated with the bridge construction, including topographic cross-sections for floodway evaluation, floodway analysis of the proposed bridge location, and FEMA approval of the crossing; and

WHEREAS, it has been determined that utilization of a pre-fabricated bridge will be advantageous in the construction of the trail bridge, which requires the use of a design/build process be authorized by Council pursuant to Sec. 22-76 of the City Code.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The City Council authorizes the use of a design/build process for construction of a bridge approximately 200-feet in length as part of the Perche Creek Trail Phase I: MKT Trail to Gillespie Bridge Road improvement project.

ADOPTED this 10th day of October, 2021.
