Re: Authorizing the Temporary Closure of the Driving Lane, Parking Lane, and Sidewalk on Cherry Street.

## Executive Summary

Staff has prepared for Council consideration a resolution authorizing Nations Roof of Ohio, LLC to temporarily close west bound driving lane, parking lane, and northern sidewalk along Cherry Street between South Sixth Street and South Seventh Street through October 14, 2022, to complete repair to the roof of the CenturyLink Building at 625 Cherry Street.

## Discussion

The closure includes the west bound driving lane, parking lane, and northern sidewalk along Cherry Street between South Sixth Street and South Seventh Street from September 22, 2022 through October 14, 2022.

Staff authorized a 30-day closure for the westbound driving lane, parking lane, and sidewalk on Cherry Street beginning August 22, 2022. Nations Roof of Ohio, LLC, will repair and replace the roof of the CenturyLink Building at 625 Cherry Street. Staff has reviewed the attached traffic control plans and has no other issues with their request. Staff did not request a Lane Shift due to the poor quality of the east bound parking lane on Cherry Street for every day traffic. The detour originally routed traffic to Locust Street to the south, but was re-routed to East Broadway due to three MyHouse special events which closes Locust Street and/or Sixth Street during this timeframe.

A Public Inconvenience Fee will not be added to this request due to it involving a Utility per Ordinance.

Nations Roof of Ohio, LLC, will be responsible for all signs and barricades necessary for the protection and convenience of the general public.

## Fiscal Impact
