

MEMORANDUM

Date: August 27, 2024
To: City Council
From: Climate and Environment Commission
Subject: Commission Support for Sustainability Budget Amendment

The Climate and Environment Commission voted unanimously to direct me, as chair, to draft a brief letter to council in support of funding for the amendment to the Office of Sustainability's budget request.

The commission wishes to express its support for the allotment of \$31,000 in city funds. This is the amount needed to replace the portion of funding that the Missouri Department of Conservation will no longer be providing for the Community Conservationist position.

Thank you for your consideration of this request.
