The evaluation committee hereby attest that the evaluation points assigned to each offeror listed above were scored pursuant to the established evaluation criteria and represent the best judgment of the subjective areas of the offerors' proposals. We have attached a brief written narrative, which highlights the reasons for my evaluation of the proposals as indicated by the scores above. The comments represent the opinion of the evaluation committee only and do not represent the position of the City of Columbia, or any other party. In addition, we understand that the offeror with the highest total point score will be my final recommendation of the lowest and best proposal.
