

## ANNEXATION AGREEMENT

This Agreement between the **City of Columbia, Missouri**, a municipal corporation (hereinafter "City") and **Donald Scott Fritz and Wendy Oviatt, Trustees of the Fritz Family Gift Trust under Trust Agreement, a Missouri Trust**, (hereinafter "Owner") is entered into as of the last date of all of the parties to execute the Agreement (the "Effective Date"). In consideration of the mutual covenants contained herein, the parties agree as follows:

1. Owner hereby represents that Owner is the sole legal owner of the following described real estate located in Boone County, Missouri and has the capacity to enter into this Agreement:

A portion of the Fritz Family Gift Trust tract recorded in Book 3075, Page 39, Records of Boone County, Missouri, described as follows:

The north 1050 feet of all that part of the Southwest Quarter of Section 8, Township 48 North, Range 13 West which lies west of Perche Creek; also the West 30 feet of that part of the Northwest Quarter of Section 8 which lies South of Columbia and Rocheport Gravel Road (this last tract of land to be used as a right of way); and containing 30.2 acres more or less;

Also part of the Southeast Quarter of Section 7, Township 48 North, Range 13 West described as follows; Beginning at the East Quarter Corner of Section 7 thence Westerly along the east-west quarter section line 330 feet, thence Southeasterly to a point on the north-south quarter section line located 330 feet south of said East Quarter Corner, thence northerly 330 feet to the point of beginning and containing 1.25 acres more or less.

(hereinafter the "Property").

2. City hereby agrees to design and construct the trunk line sanitary sewer extension known as the "Henderson Branch Sewer Extension" in the general location as shown on Exhibit A attached hereto and incorporated herein by this reference (the "Project"). City will acquire all sewer easements reasonably necessary for the construction, operation and maintenance of the Project through Owner's property at City's sole cost and expense.

3. City agrees to allow Owner to connect sanitary sewer lines serving the Property to the City's sanitary sewer system as set forth herein and in accordance with Amendment 3 to the General Cooperative Agreement Dated March 8<sup>th</sup>, 2011 between the Boone County Regional Sewer District and the City of Columbia, approved August 19, 2015 and attached hereto as Exhibit B, as may be amended from time to time. Owner shall make the connection to the City's sanitary sewer

system at Owner's sole cost and expense. Owner shall obtain all necessary permits and shall pay all fees required to connect to the sewer system.

4. All sewer lines and appurtenances shall be located within standard sewer or utility easements dedicated to the public use and constructed in compliance with City regulations and standards and shall, to the extent necessary to transfer title to such lines, be conveyed to the City following construction and approval. Inspection and approval of such construction shall be conducted by the City as though the property were located within the City limits and shall be subject to City approval prior to acceptance of the Project improvements.

5. Owner shall not allow any other property to connect to or utilize the sewer lines constructed in connection with the Project other than the Property specifically set forth in the Agreement without the express written consent of the City.

6. Except as otherwise provided herein, development and construction on the Property by Owner shall conform to all Boone County ordinances and standards for the duration the property remains outside the city limits. Once annexed into the City, development and construction on the Property shall conform to all City standards, including, but not limited to, the Unified Development Code. Provided, however, any phase of development under construction at the time of annexation may be completed under Boone County requirements together with inspections and approvals by Boone County provided the construction is completed within two (2) years following the date of annexation. Notwithstanding the foregoing, in the event of new construction and development on the Property after the date of execution of this agreement but prior to annexation, Owner shall construct and maintain the following items in connection with such development as required by the city code as though the Property is located within the City limits: (1) public sidewalks, (2) landscaping, (3) lighting, and (4) designate appropriate tree preservation areas. Following construction, all sanitary sewers, storm sewers, streets and sidewalks shall be forever dedicated to the public use.

7. So long as the Property remains outside the City limits, any subdivision of the Property shall be prepared in accordance with the applicable requirements of Boone County. The City shall be provided written notice of the subdivision of the property, but there shall be no requirement that the City approve any plat prior to any action taken on a plat by the Boone County Commission.

8. Prior to annexation, if any irreconcilable conflict exists between a County regulation and a City regulation, the Owner, to the extent required by law, shall follow the County regulation. Owner acknowledges that no conflict is involved where a City regulation imposes a more stringent minimum requirement than a corresponding County regulation or in any instance where the City imposes a regulation that is not imposed by the County. In such instance, Owner shall be required to follow the more stringent requirement.

9. Following construction of the Project and to the extent allowed by law, at such time as the Property becomes contiguous to the corporate limits of the City, City may, but shall not be obligated to, annex the Property into the City, without further action of the Owner. The City in its sole discretion may, but shall not be required to, delay annexation of the Property until such time the Property is contiguous to the City by property having frontage on an adjacent roadway which serves the Property, or until any other such time the City reasonably and solely determines to be appropriate to annex the Property and provide available municipal services to the Property.

10. Owner irrevocably appoints the City Manager of Columbia, Missouri, as its attorney-in-fact for the sole purpose of presenting a verified petition requesting annexation of the Property to

the City Council of Columbia, Missouri. The City Manager may exercise this power of attorney at any time after the Project has been constructed and the Property becomes contiguous to the corporate limits of the City. Any delay in filing such petition shall not be deemed a waiver of any right of the City to file such petition at such time in the future when, in the sole discretion of the City Manager, the filing of such petition is deemed advisable.

11. In lieu of the power of attorney granted to the City Manager herein, the City Manager may request the Owner to submit a verified petition requesting annexation. In such event, Owner shall, within such time as specified by the City Manager, submit a verified petition requesting annexation of the Property to the Director of Community Development for presentation to the City Council of Columbia, Missouri. The City Manager may request Owner to present an annexation petition at any time after the Project has been constructed and the Property becomes contiguous to the corporate limits of the City. The provisions of this paragraph shall be enforceable by specific performance.

12. The petition for annexation may request that the Property be placed in zoning District A, or equivalent, upon annexation. If the proposed ordinance annexing the Property does not place the Property, or any portion thereof, in the zoning district(s) specified herein or if the then existing uses of the Property would not be permitted following annexation of the Property (the "Conditions Precedent"), Owner may withdraw the petition for annexation as to any portion of the Property for which the Conditions Precedent have not been met and City may not proceed with annexation of such portions of the Property until the Conditions Precedent have been met for such portions of the Property. In the event a Condition Precedent does not apply to an entire tract or parcel, the portion of the Property excluded from annexation for failure to meet a Condition Precedent shall be limited to such limited geographical area of any parcel to which the Condition Precedent applies. Such withdrawal shall not affect the parties' remaining obligations under this Agreement, including City's obligation to provide sewer service.

13. Except as expressly set forth and authorized in paragraph 12 hereof, Owner agrees not to take any action to oppose any annexation initiated by the City which includes the Property. Owner further agrees not to take any action to oppose any annexation initiated by the City or by any property owner which includes any property lying between the Property and the City limits.

14. Owner shall give a copy of this Agreement to each person who buys all or a portion of the Property.

15. If Owner fails to annex the Property as provided herein, City may terminate sewer service to the Property and disconnect the sewer lines serving the Property from the City's sanitary sewer system. City shall give Owner one hundred eighty (180) days prior written notice of its intent to terminate sewer service.

16. This Agreement is not intended to confer any rights or remedies on any person other than the parties.

17. The benefits and burdens of this Agreement are intended to attach to and run with the land and shall be binding on and inure to the benefit of the parties and their respective legal representatives, successors, heirs and assigns. All persons claiming under the parties shall conform to and observe the provisions of this Agreement.

18. This Agreement shall be construed according to the laws of the State of Missouri. The parties shall comply with all local, state, and federal laws and regulations relating to the performance of this Agreement.

19. Any action at law, suit in equity, or other judicial proceeding to enforce or construe this Agreement, or regarding its alleged breach, shall be instituted only in the Circuit Court of Boone County, Missouri.

20. This Agreement contains the entire and complete agreement between the City and the Owner. The parties agree that this Agreement constitutes a lawful contract between the parties and the Owner hereby acknowledge and agree that this Agreement and the City's ordinances and regulations applicable to this Agreement constitute lawful exercises of the City's authority and police power.

21. The City shall record this Agreement in the office of the Boone County Recorder of Deeds.

22. This agreement shall be null and void upon the occurrence of one or more of the following: (1) failure of the City Council to authorize construction of the Project by enactment of a Bid Call Ordinance on or before September 30, 2018, OR (2) failure of the city to commence construction of the Project on or before December 31, 2019, OR (3) upon annexation of the Property, OR (4) by written agreement of the Parties to terminate the rights and obligations set forth herein.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day set forth below each of their signatures.
