Re: Appropriation of Funds

Executive Summary

Appropriating \$8,474 from the Misc. Non Operating/Hazardous Material Account into Fire Department Public Safety Misc. account.

Discussion

Federal Regulation SARA Title III allows for recovery of Fire Department Resources. When there is a Hazardous Material spill the spiller is invoiced for the materials that are used on a spill. The funds that have been reimbursed will be used to replenish material supply that has been depleted. These funds will be used to resupply foam that was used on an ethanol fire.
