Re: Authorizing a Memorandum and Agreement for Use of the Wabash Station with Greyhound Lines, Inc.

Executive Summary

Staff is requesting Council authorize the City Manager to execute a memorandum and agreement for use of the Wabash Station with Greyhound Lines, Inc. Greyhound Lines, Inc. is requesting to utilize the Wabash Station as a drop-off and pick-up point for their route from Kansas City to St. Louis on a twice-daily basis. GoComo Transit will provide one dedicated space at the Wabash Station for Greyhound Lines, Inc. to use.

Discussion

Greyhound Lines, Inc. has requested a stop in Columbia in order to better serve students and citizens wanting to travel over breaks, holidays and to a metropolitan area. This stop will also better serve citizens wishing to travel from or to Columbia who may not have the mode or means to travel another way. Wabash Station is the preferred and most logical stop in Columbia for buses. The Greyhound bus will stop to load and unload passengers who have an existing ticket. GoComo Transit will not be responsible for managing ticket sales, and parking will not be provided for passengers. Wabash Station will only be a connection point along the route. Buses are expected to remain at the station only as long as required to load or unload passengers.

Fiscal Impact

Short-Term Impact: None, there will be no charge to Greyhound Lines, Inc. to utilize the one dedicated space to load and unload passengers on a twice-daily basis.

Long-Term Impact: None
