The Missouri Highways and Transportation Commission (MHTC) has planned an improvement project along Route 763 in Boone County. The improvement includes pavement, sidewalk and entrance improvements along Route 763 in Boone County, Missouri.

The project affects a portion of the COLT Railroad located on the east and west sides of Route 763. Because of the benefits to be derived from the project, MHTC has requested an agreement with the City for Temporary Construction Easements needed to accomplish the construction.
