RE: Wyndham Ridge Homeowners Association

Dear Ms. Fox:

Please accept this letter as confirmation that the Board of Directors of Wyndham Ridge Homeowners Association did hold a board meeting with a prior published agenda made available to the membership and discussed the pollinator project. There were several homeowners present and the consensus of the group was that they would like to see the Association continue to maintain the grass area between the road and sidewalk on the east side of Scott Blvd that begins from north of Leighton Dr and ends at Abbington Terrace.

This action was documented in the minutes of the meeting which was then made available to the membership.

If you have any questions, please feel free to contact our management company office at 573-499-4445 or via email at info@camcolumbia.com.

Thank you,

Herb Watchinski Jr
President of the Board of Directors
