Ordinance No. 023704 Council Bill No. B 279-18

AN ORDINANCE

determining it is in the public interest to construct the Keene Street and I-70 Drive Southeast intersection improvement project; approving and adopting plans and specifications; determining that the work shall be done by contract; calling for bids through the Purchasing Division; providing for payment for the improvement; authorizing the City Manager to obtain, execute and record all documents necessary for the improvement; providing for compliance with the prevailing wage law and state-mandated construction safety training; and fixing the time when this ordinance shall become effective.

WHEREAS, an interested parties meeting for the proposed construction of the Keene Street and I-70 Drive Southeast intersection improvement project was held by the Public Works Department on March 15, 2016; and

WHEREAS, the City Council adopted a resolution declaring the necessity for the proposed construction of the improvement project; and

WHEREAS, the notice of a public hearing on this improvement project was published in a daily newspaper of general circulation in the city; and

WHEREAS, the City Council has held a public hearing on construction of the proposed improvement project.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The Council finds that the construction of the Keene Street and I-70 Drive Southeast intersection improvement project in the City of Columbia, Missouri, is necessary for the welfare and improvement of the city and that it is in the public interest that such improvements be made. The improvements proposed include the following:

- Construction of a 120-foot diameter inscribed circle single-lane roundabout;
- Construction of splitter islands;
- Construction of sidewalks along both sides of Keene Street;

- Construction of a sidewalk on the southeast leg of the roundabout;
- Reconstruction of the existing grocery store entrances on Keene Street and I-70 Drive Southeast;
- Construction of stormwater improvements; and
- Installation of street lighting.

SECTION 2. The plans and specifications for this improvement project, as prepared by the Director of Public Works, are hereby approved.

SECTION 3. The construction of the improvement project shall be done by contract in accordance with the plans and specifications, the laws of the State of Missouri, and the Charter and Ordinances of the City of Columbia, Missouri.

SECTION 4. The Purchasing Agent is hereby authorized to call for bids and execute a contract for the improvement project.

SECTION 5. Payment for this improvement project shall be made from a cost share agreement with the Missouri Highways and Transportation Commission, capital improvement sales tax funds and such other funds as may be lawfully appropriated. Per the terms of a cost-share agreement, the Missouri Highways and Transportation Commission will reimburse the City 50% of the estimated construction cost of \$652,240.00 and the City is responsible for the balance of the project in excess of the \$326,120.00.

SECTION 6. The City Manager is authorized to obtain, execute and have recorded all licenses, easements, deeds and any other conveyances or instruments necessary for the City to complete this improvement project.

SECTION 7. Pursuant to Section 290.250 RSMo., the contract for the improvement project shall provide that not less than the prevailing hourly rate of wages, as found by the Department of Labor and Industrial Relations of Missouri, shall be paid to all workers performing work under any contract in excess of \$75,000.00. The contractor's bond shall guarantee the faithful performance of the prevailing hourly wage clause in the contract.

SECTION 8. Pursuant to Section 292.675 RSMo., the bid specifications and contract for the improvement project shall provide that the contractor and any subcontractor shall provide a ten-hour Occupational Safety and Health Administration construction safety program (or a similar program approved by the Missouri Department of Labor and Industrial Relations) for all employees working on-site. All employees working on the site of the improvement project are required to complete the safety program within 60 days of beginning work on the improvement project.

SECTION 9. This ordinance shall be in full force and effect from and after its passage.

PASSED this 19th day of November, 2018.
