Department Source: City Utilities - Water and Light

To: City Council

From: City Manager & Staff

Council Meeting Date: January 21, 2025

Re: Authorizing an agreement to provide funding for the Columbia Housing Authority to install solar on the Kinney Point Resources Center.

## Executive Summary

Staff has prepared for Council consideration of an ordinance authorizing the City Manager to execute an agreement with the Columbia Housing Authority to provide \$35,000 in funding to install a photovoltaic system at the Kinney Point Resources Center, a multi-use building, located at 7 E Sexton Road in Columbia, Missouri.

## Discussion

The City of Columbia Utilities and the Columbia Housing Authority (CHA) are interested in maximizing the installation of photovoltaic equipment on the Kinney Point Resource Center, with the utility providing \$35,000 to be used for the installation of a photovoltaic system. This resource center provides a location for events and programming for CHA residents, including the residents of the Kinney Point Apartments being constructed, along with space for CHA programming and staff.

The installation of photovoltaic equipment is expected to offset most of the energy usage for the property. Additionally, the photovoltaic system will also assist in reducing the City's carbon footprint, help protect the environment and contribute to the City's renewable energy portfolio.

Funding for the photovoltaic system at the Kinney Point Resource Center was a line item in the Fiscal Year 2025 budget.

## Fiscal Impact

Short-Term Impact: \$35,000 from the line item in the FY25 budget

Long-Term Impact: No fiscal impact anticipated

## Strategic & Comprehensive Plan Impact

### [Strategic Plan Impacts:](#)

Primary Impact: Inclusive and Equitable Community, Secondary Impact: Reliable and Sustainable Infrastructure, Tertiary Impact: Not Applicable

### [Comprehensive Plan Impacts:](#)

Primary Impact: Livable & Sustainable Communities, Secondary Impact: Infrastructure, Tertiary Impact: Not Applicable
