Dear Mr. Mayor and Council Members:

I represent the applicant for the above-referenced case. My client was not aware until right before the meeting on April 19 that this item was scheduled when it is, and I am out of town for work on May 3. As a result, we are requesting that this be tabled to the meeting on May 17.

Thank you for your consideration of this request. Please let me know if you need any additional information about this matter.

Re: Table final plat Fyfers Subdivision Plat No. 2

Dear Mr. Teddy:

I am writing you on behalf of my client, Mark Stevenson, that you and your staff will process our request to table the final plat called Fyfers Subdivision Plat No. 2. Case number 65-21. We have a scheduling conflict with the attorney and himself regarding the representation of this plat. We would like to request that you reschedule and table this until May 17th, 2021. We are sorry for any inconvenience this may cause. Thank you for your consideration in this matter. Have a great day.

Sincerely,
Crockett Engineering Consultants, LLC
