Re: Memorandum of Understanding for Greek Town Primary Response

Executive Summary

Approval from Council will allow the City Manager to authorize a Memorandum of Understanding between the University of Missouri and the City of Columbia for Greek Town operational authority, mutual aid and primary response by law enforcement officers.

Discussion

Approval of this memorandum of understanding between the University of Missouri and the City will allow the University of Missouri Police Department (MUPD) to police the area known as "Greek Town" with operational authority. Further, the MUPD will be the primary responder for calls in this area.

This area is largely populated by University of Missouri students. A primary response by MUPD lends more University resources (i.e. Student Conduct referrals) to mitigate issues that arise in student-occupied housing and surrounding areas.
