Dear Mr. Sorrell:

Attached is our standard joint-funding agreement for the operation and maintenance of a streamgage on the Hinkson Creek in Columbia, Missouri, for the period October 1, 2019 through September 30, 2020, in the amount of \$14,400 from your agency. Please sign and return one fully-executed original to Julie A. Asher at the Rolla address above or via e-mail.

Federal law requires that we have a signed agreement before we start or continue work. Please return the signed agreement by **October 1, 2019**. If, for any reason, the agreement cannot be signed and returned by the date shown above, please me at phone number (573) 308-3674 or email csbarks@usgs.gov to make alternative arrangements.

This is a fixed cost agreement to be billed quarterly via Down Payment Request (automated Form DI-1040). Please allow 30-days from the end of the billing period for issuance of the bill. If you experience any problems with your invoice(s), please contact Julie Asher at phone number (573) 308-3558 or email at jasher@usgs.gov.

The results of all work performed under this agreement will be available for publication by the U.S. Geological Survey. We look forward to continuing this and future cooperative efforts in these mutually beneficial water resources studies.

Sincerely,

C. Shane Barks
Deputy Director, Central Midwest WSC
