2 WAYNE BOYKIN: Calling to order the  
3 Citizens Police Review Board Meeting. We will start  
4 with introductions because I know we have -- we have  
5 two new board members, so we're going to kind of go in  
6 the line, with the new -- new board members. When we  
7 get to you, if you just want to give a little bit of  
8 background about yourself and why you became -- why  
9 you wanted to be part of the board, just so the board  
10 and the citizens can kind of get to know you a little  
11 bit more, that would be wonderful.

12 We will go ahead and start over here with  
13 Sergeant Ray first, and then kind of work our way  
14 around.

15 SERGEANT RAY: I'm Sergeant Ray with the  
16 Columbia Police Department. I'm the liaison for the  
17 chief to sit with you guys and answer any questions  
18 that you may have.

19 WILLIAM ADKINS: I'm William Adkins. I'm a  
20 law student at the University of Missouri. I got  
21 involved because I was a criminology major and  
22 undergrad and took some policing classes and thought  
23 it would be a really good opportunity to get involved  
24 and met with some of the founding members and thought  
25 it would be a really good way to have an impact on the

1 community.

2 DELSIE BONAPARTE: I am Delsie Bonaparte.  
3 I am a small businessowner. I have seen the good and  
4 the bad and wanted to get involved. I do a lot of  
5 volunteering and (inaudible) options.

6 RHONDA CARLSON: Rhonda Carlson,  
7 businessowner. And I've seen the good and bad, just  
8 giving back to my community.

9 STEVEN JEFFREY: Steven Jeffrey. I'm one  
10 of the new members. I've been a resident of Columbia  
11 for about 14 years. I have four kids. I love the  
12 community and just want to help the community grow and  
13 thrive and -- and be better each and every day.

14 WAYNE BOYKIN: My name is Wayne Boykin.  
15 I'm the current chair for the Citizens Police Review  
16 Board. I am a local entertainer and activist in town,  
17 and that's it.

18 CHERYL MILLER: My name is Cheryl Miller.  
19 I am the vice chair, and I am also the human rights  
20 liaison.

21 Wayne, you caught me off guard with why I  
22 wanted to get involved. Basically, I wanted just to  
23 make a difference, and kind of echoing with Rhonda and  
24 Delsie said, I've seen the good and the bad, and I  
25 just want to make it all good, so that's why I got

1 involved.

2 ROBERT OVERMANN: I'm Bob. I'm also a new  
3 member, so thank you everyone who has welcomed me. I  
4 work as a writer, editor, and contents strategist. I  
5 work remotely for a pharmaceutical marketing company.  
6 I got involved because my interest here really started  
7 when I was in school and I worked as a reporter and  
8 did a crime and fire beat, so I found that  
9 fascinating. Just started, you know, to follow the  
10 criminal justice news wherever I lived and, you know,  
11 now that I have settled in Columbia, more or less, I  
12 want to get involved here.

13 DECEMBER HARMON: I'm December Harmon. I  
14 also serve on the commission of cultural affairs and  
15 I'm -- I recently became a businessowner. I'm on the  
16 board because I'm just really passionate about the --  
17 the issues. Thank you.

18 ROSALYN MEYER: Rosalyn Meyer (phonetic).  
19 I'm the staff liaison from the law department.

20 WAYNE BOYKIN: All right. I do want to  
21 make a quick announcement, just so the board knows.  
22 Make sure you're speaking very clearly into the mics.  
23 As you see, we do not have a court reporter so the --  
24 our minutes will be taken and reported through our  
25 audio and our video. So please make sure you guys are

1 clearly talking through the mics, and if you can state  
2 your name before you start speaking, that would be  
3 greatly appreciated and help with our reporting and  
4 make sure that our transcripts are accurate.

5 Have all the members gotten to see the  
6 agenda for tonight's meeting?

7 UNIDENTIFIED FEMALE: Yes. Yes.

8 RHONDA CARLSON: I move we accept the  
9 agenda.

10 CHERYL MILLER: I second, Miller.

11 RHONDA CARLSON: Carlson.

12 WAYNE BOYKIN: Rhonda first approves the  
13 minutes. Miller seconds. All in favor say aye.

14 (All said aye.)

15 WAYNE BOYKIN: Any opposed? All right.  
16 Agenda is approved.

17 Has all the members been able to see the  
18 draft for the board's opening minutes for  
19 February 9th?

20 UNIDENTIFIED FEMALE: Yes.

21 UNIDENTIFIED FEMALE: Yes.

22 UNIDENTIFIED FEMALE: Yes.

23 WAYNE BOYKIN: Can I get a motion to  
24 approve those minutes?

25 RHONDA CARLSON: Carlson. I move to

1 approve the draft of the February 9th minutes.

2 WAYNE BOYKIN: Opening minutes; right? The  
3 open meeting.

4 RHONDA CARLSON: Open meeting minutes.

5 WAYNE BOYKIN: Do I have a second?

6 DECEMBER HARMON: I second, Harmon.

7 WAYNE BOYKIN: All right. All those in  
8 favor say aye.

9 (All said aye.)

10 WAYNE BOYKIN: Any opposed? Any abstain.

11 ROBERT OVERMANN: I abstain.

12 STEVEN JEFFREY: Abstain.

13 WAYNE BOYKIN: Let the record show that Bob  
14 Overmann and -- thank you -- Steven Jeffrey has  
15 abstained.

16 All right. And have the board been able to  
17 see the closed meeting minutes for the February 9th?  
18 Can I get a motion to approve those?

19 DECEMBER HARMON: Harmon.

20 WAYNE BOYKIN: December Harmon's motion to  
21 approve. A second?

22 DELSIE BONAPARTE: Bonaparte, second.

23 WAYNE BOYKIN: Delsie Bonaparte, second.

24 All those in favor say aye.

25 (All said aye.)

1 WAYNE BOYKIN: All those opposed? Any  
2 abstains.

3 STEVEN JEFFREY: Abstain, Jeffrey.

4 ROBERT OVERMANN: Abstain, Overmann.

5 WAYNE BOYKIN: All right. Bob Overmann and  
6 Steven Jeffrey abstains. All other approved.

7 All right. Moving onto reports. Do we  
8 have any positive connections or ride alongs to talk  
9 about today?

10 RHONDA CARLSON: Ride alongs -- Carlson.  
11 Are ride alongs back open?

12 WAYNE BOYKIN: I was just getting ready to  
13 ask Julia that. I heard that they now -- yes?

14 UNIDENTIFIED FEMALE: Yes. They're back  
15 open.

16 WAYNE BOYKIN: Okay.

17 STEVEN JEFFREY: I got mine scheduled --  
18 Jeffrey -- on the 26th.

19 WAYNE BOYKIN: All right.

20 UNIDENTIFIED FEMALE: Can I ask -- I put in  
21 a request right before it got cancelled, so I need to  
22 put -- do you know if I need to put in a new request  
23 or if someone just contact me, I guess?

24 UNIDENTIFIED FEMALE: You send me an  
25 e-mail. I'll make sure it gets scheduled.

1 UNIDENTIFIED FEMALE: Gotcha.

2 WAYNE BOYKIN: All right. Any more  
3 positive connections or ride alongs? Pretty much  
4 positive connections right now?

5 All right. All right. Can we get an  
6 update from our out reach subcommittee?

7 UNIDENTIFIED FEMALE: Yes. I actually  
8 asked Rhonda to give you a report in reference to the  
9 complaint form, how we went about gathering  
10 information and what the status of that and what we're  
11 going to be doing going forward. Rhonda.

12 RHONDA CARLSON: Yes. And what we did,  
13 Sergeant Ray was kind of enough to forward us the --  
14 I've got them all flipped backwards and forwards here.  
15 The complaints and what had been made as complaints  
16 over the past, I believe, year and a half, two years.

17 UNIDENTIFIED FEMALE: Uh-huh.

18 RHONDA CARLSON: And, so I just basically  
19 did your tick-off tally of those complaints and  
20 Sergeant Albers (phonetic) had provided us with an  
21 Antonio Police Department accommodations and complaint  
22 form, and it had both accommodations and complaints on  
23 the form, and what we found were, basically, some of  
24 the complaints were almost exactly the same complaints  
25 that came out almost exactly the same based on what we

1 saw when I ticked them off. There was only -- the  
2 only one that we didn't see was the same is there were  
3 zero corruption. Yay. No complaints of that. And  
4 there were no complaints of violations of civil  
5 rights. There were complaints of bias-based profiling  
6 and policing, but there were no complaints of civil  
7 rights, so those two items were not any complaints on  
8 at all. So we're going to look at working to try to  
9 make that form, because on our city website, there's  
10 an accommodation form and complaint form, and we're  
11 going to look at -- try to put those two forms  
12 together, because we feel like the positive and the  
13 negative, we'd like to see both of those on one form.  
14 And when we go to do outreach with groups, we would  
15 like to see the positive re-enforced as well, because  
16 there are many positive things that happen in the  
17 public.

18 UNIDENTIFIED FEMALE: I think that'll make  
19 it easier for my office as well, if they have the same  
20 forms, so nobody has to search for both.

21 RHONDA CARLSON: Correct. That's my  
22 report.

23 WAYNE BOYKIN: Okay. We're going to move  
24 over to old business. Starting with model and  
25 structure of civilian oversight. I know December has

1    been working really hard on this section and sent all  
2    the board this little -- put together, which I  
3    appreciate it, so I'm going to move you -- move over  
4    to let December talk about it a little bit and what  
5    you got for us.

6                   DECEMBER HARMON: Yes. I'm very excited to  
7    talk about this. I did some research as promised. I  
8    reached out to other oversight committees, and towards  
9    the end you can see that I attached their responses  
10   that was given -- hopefully it's in here. Yes, that's  
11   in there. I had a couple of different versions going.

12                   So, basically, what I am presenting today  
13   is just simply a starting point or think of it as a  
14   foundation on -- for a future discussion about  
15   establishing a new model for our board with SB-26, and  
16   the changes that have been made to the ordinance. We  
17   have trouble actually functioning as an appeals board.  
18   So what I'm hoping is that over the next month up  
19   until our next meeting that everyone has time to  
20   review this, and when I come back, I -- when we all  
21   come back, I would like to have a discussion about it  
22   and possibly discuss having a work session to start  
23   figuring out an outline, but for now, I'm not -- I'm  
24   not asking for anything other than that. You all take  
25   this time to read it and make some notes and tell me

1    what you think about it. I think I also -- and I  
2    did -- I did talk to some of the members of the  
3    community when I was forming this. So for the  
4    outreach subcommittee, I -- I guess I was wondering if  
5    at some point we could also discuss having maybe a  
6    Zoom event or some sort of method to make sure we get  
7    input from -- from members of the community about  
8    this.

9                   UNIDENTIFIED FEMALE: I -- that's the one  
10   thing in which -- in thinking about this model that I  
11   would like to get input from and that's the community.  
12   I don't -- I'm glad you said that we can discuss this  
13   and tonight, we're not going to actually do it  
14   tonight, but it sounds like that you're thinking  
15   maybe, you know, over a period of -- of meetings and  
16   everything. I'm glad. I like that. Because for me,  
17   it's going to come down to, what does the community  
18   want, as to how this model is being operated. I mean,  
19   I know there's different models which are out there,  
20   but something that works over in Berkley may not be  
21   working well here. So, to me, getting that public  
22   input and that may mean maybe through the outreach  
23   committee. I don't know, as to holding those public  
24   forms which are out there and having some questions  
25   and -- and maybe hearing some experiences and not only

1 from the citizens, but also from the police office or  
2 any stakeholder, that's how I see is to get that input  
3 before we are actually talking about changing the  
4 model. That's just kind of where my thinking is at.

5 DECEMBER HARMON: I mean, I'm sorry, real  
6 quick. I mean, for me, it seems like the reality that  
7 we either need to change it or disban, because we  
8 can't do appeals which is our one -- our main job. I  
9 mean, we have to do something or at least that's what  
10 I'm trying to propose here, but absolutely, we'll have  
11 a lot of conversations. Sorry. I was -- I  
12 interrupted, Rhonda.

13 RHONDA CARLSON: Carlson. I think we -- I  
14 agree. We need to look through all of this. My  
15 question, though, is to change the model, and this is  
16 probably more for Rose, does this have to go to city  
17 council? Does it have to be supported by city  
18 council? I know that we have sent our thoughts to  
19 city council as a board, but anything that we're going  
20 to do, city council is going to have to take action?

21 ROSALYN MEYER: Correct.

22 RHONDA CARLSON: So unless city council is  
23 going to take action, and we're right in the middle of  
24 a campaign and until after April 5th, depending on  
25 what happens, unless city council is going to support

1 a change to their ordinance, we could all sit here and  
2 work hard on changing the model that's not going to  
3 make a hoot of difference. I think we should go ahead  
4 and discuss and work through this, because the -- it's  
5 the community's wish, if that's what the community  
6 wants to do that, that's correct. But it -- if the  
7 ordinance is there, we could all be spinning our  
8 wheels, if they're not going to change it. Because we  
9 could make a new model, and city council goes, fine.

10 WAYNE BOYKIN: I will tell you that we  
11 aren't going to get anything sent to the council until  
12 after the election on April, because we're not going  
13 to be sending -- making any --

14 RHONDA CARLSON: Yeah. But do we have a  
15 council person that's going to --

16 DECEMBER HARMON: Yes.

17 WAYNE BOYKIN: I think so.

18 RHONDA CARLSON: And do they have the --  
19 someone else that'll support it?

20 DECEMBER HARMON: Well, we have to present  
21 it first. We got -- we have to be the thinkers, and  
22 we have to give it to them. We can't tell them to  
23 think of it.

24 WAYNE BOYKIN: It's kind of one of those  
25 things we don't know unless we do it. Kind of thing,

1 but I think that it would be smart that if we do have  
2 a work session about this --

3 RHONDA CARLSON: Uh-huh.

4 WAYNE BOYKIN: -- that we invite the city  
5 council to come with us to that work session, so that  
6 they can -- can be there and be -- because if they're  
7 there and involved in making sure we know -- can know  
8 where their brains are and know that we have some of  
9 that support to get this changed as well, but I feel  
10 that at this current board we probably have a few that  
11 definitely would be supportive of a change in our  
12 board structure, and depending on the outcome in  
13 April, we might have a few more. It just depends on  
14 kind of that outcome from there. Yeah. But nothing's  
15 going to get sent to the board on this tonight.

16 RHONDA CARLSON: No.

17 WAYNE BOYKIN: So it's definitely not going  
18 to -- anything's going to be changed until after --

19 RHONDA CARLSON: Right.

20 WAYNE BOYKIN: -- the election of a new  
21 mayor and --

22 DECEMBER HARMON: I would -- Harmon. I  
23 would project that in just discussing this, possibly  
24 having a work session feedback, I -- I don't think  
25 that that's going to be, like, next week. It's going

1 to be a long process before we ever really have  
2 anything to give to city council, so this isn't, you  
3 know, a race. It's not a race.

4 RHONDA CARLSON: Uh-huh. Well --  
5 Carlson -- I think I would agree, you know, work  
6 session, but I think like Cheryl said it needs to have  
7 the input of all the stakeholders.

8 DECEMBER HARMON: Uh-huh.

9 RHONDA CARLSON: Because I think if we  
10 change the model, present it to city council without  
11 other input, it will fall.

12 UNIDENTIFIED FEMALE: Fall flat on its  
13 face.

14 DECEMBER HARMON: Uh-huh.

15 RHONDA CARLSON: What we're dealing with,  
16 so I -- I'm willing to work on it.

17 UNIDENTIFIED FEMALE: Yeah, I'm willing to  
18 work on it. I just think that it's just going to take  
19 some planning and some discussion as to what we're  
20 trying to do, what steps we need to take, that sort of  
21 thing. So, I mean, I'm interested in working on it.

22 RHONDA CARLSON: It looks like a lot of  
23 work that went into this.

24 UNIDENTIFIED FEMALE: Yeah. It's going to  
25 be a lot. I just want to say -- and I just want to

1     throw this out there is that I'm very appreciative of  
2     the founders who actually found this commission. I  
3     mean, without you guys David (inaudible) Smith comes  
4     to mind and, I know that there's many others, but  
5     without them, there would be no us here. So all of  
6     this is a big endeavor that we're talking about, and I  
7     want them to know that I'm so appreciative of what the  
8     work that they have done in the past and where I'm at  
9     now and where we're all at, so I just kind of wanted  
10    to throw that out there.

11                   WAYNE BOYKIN: Absolutely.

12                   STEVEN JEFFREY: Jeffrey. Thank you for  
13    your work on this. It looks like a lot went into  
14    that, and of the three models here that you discussed,  
15    are you advocating for the investigation focused  
16    model; is that --

17                   DECEMBER HARMON: Allow me to clarify. So  
18    from the -- Nicole, our -- I can't think of her --  
19    Nicole. Nicole. Where -- they provide the three main  
20    categories of the type of models. So that's -- that's  
21    really kind of where that part comes in at. What I'm  
22    advocating for is we switch to an investigative model  
23    which would allow us to operate within -- we are under  
24    a 90-day time limit, and I made this argument before  
25    that it doesn't really make sense that our board has

1 to operate within an investigative period which is the  
2 90-day period given that we are appeals at city  
3 council, this came up, and Mayor Treece also made the  
4 same argument, and if I have it correctly, the police  
5 union made the same argument that it doesn't really  
6 make sense that we would really fall into that time --  
7 that timeframe. However, we do. So under the current  
8 circumstances, we can't really be effective doing an  
9 appeals, so if we have an investigative model, which I  
10 try to make that case in this. We would operate at  
11 the start of a complaint rather than in the aftermath.  
12 Did I answer your question?

13 STEVEN JEFFREY: Yes.

14 WAYNE BOYKIN: Can I ask you a question?

15 DECEMBER HARMON: Absolutely.

16 WAYNE BOYKIN: I know that there is current  
17 processes of removing review boards from that, the  
18 oversight -- not review boards, but oversight from  
19 that bill, if that passed, are you still motivated  
20 enough to get this changed? Or is that change  
21 current?

22 DECEMBER HARMON: I'm not talking about --

23 WAYNE BOYKIN: In that aspect?

24 DECEMBER HARMON: I'm sorry, I didn't quite  
25 hear. Are you talking about on the state level?

1 WAYNE BOYKIN: Correct.

2 DECEMBER HARMON: I mean, I don't -- I'm  
3 not aware -- I'm aware that they -- from what I  
4 understand, they are working on it, but as far as how  
5 I'm seeing is that it hasn't been forward unless -- I  
6 mean, unless it has, and I don't know, but my logic is  
7 that we should operate under what does exist and what  
8 is happening and what we do know as opposed to what  
9 will or what could be or should be, if that's a fair  
10 response. It's better that I think we take action  
11 and -- and do what we know is already in our power and  
12 I try to address a major problem that we are -- are  
13 burdened with rather than wait a year out in hopes it  
14 gets changed is -- is my view on that.

15 UNIDENTIFIED FEMALE: I mean, I agree that  
16 I think that things have changed since this formal  
17 model of a review board had been implemented, so there  
18 has been changes, and I do think that the board should  
19 reflect those changes. I just would -- want for us to  
20 get the stakeholders feedback in going into this  
21 process so that we can -- if we are going to change so  
22 that we can create that model that's going to be  
23 more -- you know, meeting the needs of the community  
24 members here.

25 WAYNE BOYKIN: We have any more commentary

1 on the model structure of civilian oversight?

2 DELSIE BONAPARTE: If I could add one  
3 thing, I believe Rhonda had mentioned the concern  
4 about, you know, does council want to go down this  
5 path? One option could be, you could do a report to  
6 council after you all look at this and consider and  
7 you could -- if you pass a motion, send a report to  
8 council to propose a public engagement process, to  
9 look at the model change from the current model to the  
10 investigative model, and then you could get council to  
11 then decide whether they want you to go down that path  
12 or not. That might address your concern with -- you  
13 know, that would be a lot of work and maybe nothing  
14 would come of it. Or you could engage in the public  
15 discourse and see how you all feel at that point, and  
16 if you still believe that you want to do a model  
17 change, then send a report to council. It's almost  
18 kind of like a preliminary report, and then a later  
19 report.

20 UNIDENTIFIED FEMALE: I mean, I like the  
21 public discourse. That's just me personally, because  
22 I like to have that one-on-one with the public. I  
23 need -- I want to be able to understand their  
24 concerns. I need to be able to hear their voice. You  
25 know, that's just me.

1                   WAYNE BOYKIN: I think the first one,  
2    though, to the -- to the council would not only help  
3    us see where the council lies, but also get --  
4    it'll -- excuse me -- broaden our spectrum of reach to  
5    the citizens that were wanting this change and might  
6    get more feedback that way as well, because we know  
7    that more people of our -- more citizens see and watch  
8    and -- and look at the city council meetings more than  
9    our own meeting, so it could possibly help us get more  
10   of that feedback. If we do, do a preliminary kind of,  
11   hey, what do you all think of -- at the city council  
12   about getting some feedback from that, it's a  
13   possibility, my thought, of expanding that  
14   information.

15                  DECEMBER HARMON: I -- I just want to  
16   highlight again, this isn't like -- like a set  
17   outline. This is actually just a collection of  
18   information about other oversight boards. This isn't  
19   December made a list of what the next board's going to  
20   be. I just really want to stress that, and again, I'm  
21   in favor of us hosting possibly a Zoom event or  
22   something where we can get this feedback. I'm in  
23   support of feedback for sure from the citizens since  
24   it's their board.

25                  WAYNE BOYKIN: Anything else? We'll move

1 on -- leave that on -- on the agenda for next month.  
2 Next, on the agenda is classification of complaints,  
3 which I know we talked a little bit about already  
4 throughout the -- or the outreach committee, but do we  
5 have any more we want to talk about, those  
6 classifications? I know -- kind of really explain  
7 that in your guys' section.

8 UNIDENTIFIED FEMALE: It fell right in.

9 WAYNE BOYKIN: If you guys are taking over  
10 that discussion, are we all okay with removing that  
11 off of our agenda and leaving that to you guys and you  
12 guys can keep us up -- an update --

13 UNIDENTIFIED FEMALE: Uh-huh.

14 WAYNE BOYKIN: -- during your guys'  
15 reports?

16 UNIDENTIFIED FEMALE: Yep.

17 WAYNE BOYKIN: So we'll remove  
18 classification of complaints from our agenda for next  
19 month.

20 All right. Next one is police involved  
21 shootings (policy 310) and reviews of use of force  
22 (canines and tasers). I know that was on -- I think I  
23 raised concern that I would like to look into the  
24 possibility of whenever there's a police-involved  
25 shooting, that we automatically get included into the

1 investigation, so we can review that -- that case  
2 and -- and be able to send recommendations to the  
3 chief on that situation. I have not gotten to look at  
4 other -- other cities that have that. I know there's  
5 other cities that have that in their situation. I  
6 think you actually have some in there.

7 UNIDENTIFIED FEMALE: I was going to say,  
8 we discussed this last time. I think what we -- what  
9 was explained was that we can't give ourselves that  
10 kind of power is what I thought the understanding was.

11 DELSIE BONAPARTE: Yeah. If you wanted to  
12 do something like that, that would be an ordnance  
13 change.

14 WAYNE BOYKIN: Right. Which I think got  
15 linked into the discussion with the model and  
16 structure; right?

17 UNIDENTIFIED FEMALE: It also be --

18 WAYNE BOYKIN: So can we -- we remove that  
19 for now, and we'll just link that with our structure  
20 and model discussions?

21 All right. Moving onto status update for  
22 police policy 1020.

23 UNIDENTIFIED FEMALE: I believe this is  
24 Sergeant Ray giving an update as to where the police  
25 chief is in regard to his revision of policy 1020.

1                   SERGEANT RAY: Yes, ma'am. So -- Ray. We  
2 are actually in the process of getting a consultant to  
3 review all of our internal affairs policies to look at  
4 everything, make sure that it's the current and best  
5 practice and make any changes as necessary. Once that  
6 contract is written up, they plan on coming in and  
7 meeting with members of CPRB, our CPOA union,  
8 officers, run through all of our affairs and meet with  
9 some members of the community, and they want to make  
10 sure that everything is lined up with the ordinance,  
11 House Bill 26 and policies, so that they all reflect  
12 each other. The estimated time for that is actually  
13 being written right now to send to the consultant for  
14 final approval for the city manager reviews it, and  
15 once it's approved, the estimated time is about  
16 12 weeks. Any other questions or concerns about that?  
17 Do we want to -- so we won't know that for -- you said  
18 12 weeks to 2 months probably?

19                   UNIDENTIFIED FEMALE: Yes.

20                   WAYNE BOYKIN: So we can probably remove  
21 that for next month and just make sure we put that  
22 back on for an update in May? 2020 -- wow.  
23 Supplemental annual report. I think -- that's still  
24 on me. I will get that fixed. I will have that  
25 before next month. I will get that done.

1                   Vehicle stop committee. I did get a  
2   response back from the chairperson. They wanted to  
3   ask a few questions, so I brought -- I wanted to bring  
4   the questions to you guys, so we can answer them and  
5   respond back to them. They wanted to know why -- they  
6   wanted to know what the focus and mandate for the  
7   committee that you are currently working with and how  
8   does the CPRB mission connect or intersect with that  
9   of the vehicle stop committee. They also wanted us to  
10  define the need for a liaison, and if a liaison was  
11  appointed, what would their purpose on the vehicle  
12  stop committee be and would that person be a sitting  
13  member on the CRPB or person from the committee of  
14  their choosing.

15                  So I know obviously the last answer is, we  
16  wanted one of our members to be sitting on their  
17  board, but they wanted to know what the need for that  
18  was, so I wanted to bring that to you guys, so we  
19  can -- I wanted to give them what our -- what  
20  everybody else's opinions and not my opinions were  
21  from that personally, so.

22                  ROBERT OVERMANN: Overmann. So the obvious  
23  one, to me, is that's the most common interactions  
24  between citizens and police. So, you know, to me,  
25  that's something that our board should prioritize.

1                   DECEMBER HARMON: Can I make a comment?

2                   WAYNE BOYKIN: Uh-huh.

3                   DECEMBER HARMON: So I attended their  
4 meeting last night. And they were very, very, very  
5 unhappy with my presence at the meeting. At one point  
6 one of the members began disparaging me and attack my  
7 character, because he didn't realize I was sitting in  
8 the room. I -- I don't know -- I don't know why they  
9 don't want to work with us, because I did actually try  
10 to open that up for them when I was there, and I asked  
11 them -- I told them that I -- I actually I think it  
12 would be great for our boards to have a line of  
13 communication, which I -- I obviously don't feel we  
14 have right now, and this was during public comment in  
15 which they then rescinded public comment and moved to  
16 end the meeting. They wouldn't let me speak at their  
17 meeting. So I -- I don't know, really, kind of what  
18 to make of my experience, and I don't know if -- I'm  
19 glad that they got back to you. I -- I -- I think  
20 that we should have a role -- I don't know. We -- I  
21 don't know if I even say a liaison necessarily, but  
22 have that line of communication where we can work  
23 together. I -- I don't -- I don't know how to -- I  
24 don't think I'm the person maybe to ask them to be  
25 open to that, but.

1                   WAYNE BOYKIN: I would say that it's funny  
2 they didn't let you speak considering -- continuing  
3 into this e-mail, the chairperson says, our meetings  
4 are open to the public, and the public has a lot of  
5 time at the end of our meetings to speak, make  
6 suggestions or ask questions. Our agenda, as well as  
7 our meeting minutes, are posted on the city's website  
8 for transparency. So I'm greatly interested in the  
9 answers to these initial questions, at the very least,  
10 should generate a very interesting conversation. So  
11 it does definitely signal that they are on the side of  
12 not wanting to work with us.

13                  DECEMBER HARMON: Yeah.

14                  STEVEN JEFFREY: Jeffrey here, so just a  
15 couple of questions. So the -- the vehicle stop  
16 committee, is this -- is this a committee where  
17 infractions or any --

18                  WAYNE BOYKIN: What I've gotten, the  
19 vehicle stop committee is provided by Chief Jones.  
20 Chief Jones is the one that has initiated that and  
21 kind of puts the people on the board. And they go  
22 over data, the stats of vehicle stops and -- and  
23 inputs all that information together to give provider  
24 feedback to Chief Jones on -- on how their police  
25 department is doing on the stops. That is the general

1 consensus I've got from that board.

2           DECEMBER HARMON: I would say -- Harmon. I  
3 would say in just an example what they discussed last  
4 night, they covered data, the racial disparities  
5 between stops. They had a lot of discussion about  
6 whether there was a solution that -- that could  
7 address racial disparities and stop. One thing I also  
8 wanted to bring up -- also here was one of the things  
9 they did was, they had -- had a K9 handler, and  
10 it's -- the K9 come, and they -- he presented before  
11 their board and kind of explained what they do, and  
12 they got to ask questions which maybe at the end of  
13 the meeting I can bring that up again about whether we  
14 can extend an invite to speak to a K9 handler because  
15 I know we had some questions in some of our past  
16 meetings, so they -- just to continue what you said is  
17 what they look at a lot of data regarding traffic  
18 stops and see if there's a solution available.

19           STEVEN JEFFREY: So -- Jeffrey again.  
20 Again, I'm not -- obviously new to the committee here  
21 and just trying to ask questions to understand, but.

22           WAYNE BOYKIN: Absolutely.

23           STEVEN JEFFREY: You know, if we're -- if  
24 we want to be a part of that committee, to me, that  
25 suggests our -- our scope changes from what is back to

1 your model discussion earlier; right? At least in my  
2 mind, because, again, otherwise, if there's no  
3 infractions, if there's no issues, if there's no  
4 complaints during any vehicle stops, then we would not  
5 necessarily be getting that -- that data; right? That  
6 information.

7 ROSALYN MEYER: The board is actually  
8 charged with providing -- one of their duties is to  
9 review and make recommendations to the police chief  
10 and the city manager on police policies, procedures  
11 and training. So the work of that board does  
12 definitely align with one of your duties, because  
13 depending upon what the data shows that might lead you  
14 all to make recommendations on policies, training,  
15 procedures. Prior members of the board, when they  
16 initially brought up this request, when they met with  
17 the chief at one of the meetings here, the chief  
18 thought, well, anybody can come to the meeting. It's  
19 a public meeting, but the board members at that time,  
20 and you all may feel differently, but at that time  
21 they felt they wanted better access to the  
22 information, better access to the data. They wanted  
23 to be able to ask questions during the meeting and not  
24 just wait for public comment at the end, because they  
25 felt then when they would hear things in the -- see

1 things in the press, hear things from the public, read  
2 about the work of this group, they were always trying  
3 to catch up, and we're not getting the information in  
4 the fashion and timeliness that they needed it. So  
5 that was the request that had been explained. Chief  
6 Jones repeatedly said, no, and then he would consider  
7 it, and then the last time he said, well, I'll leave  
8 it up to the chair of the board to make that decision  
9 because she would have to manage it is what he said.  
10 Ultimately, because the chief formed this group  
11 separate from you all --

12 STEVEN JEFFREY: Uh-huh.

13 UNIDENTIFIED FEMALE: -- and it was a  
14 council action. It's the chief who would have to  
15 appoint a member of this board to the liaison -- to  
16 serve as a liaison member of that board.

17 STEVEN JEFFREY: Okay.

18 ROSALYN MEYER: Well, I think one of the  
19 times he came, he was concerned about a board member  
20 serving on two capacities, but we have, the Humans  
21 Rights Commission has a liaison to this board and  
22 that's Cheryl, so she serves on both the Human Rights  
23 Commission and police review board.

24 STEVEN JEFFREY: Thanks for your  
25 clarification there.

1                   DECEMBER HARMON: To piggyback off of --  
2 Harmon -- to piggyback off of what Rose said, in my  
3 experience yesterday, when they had the K9  
4 demonstration, I actually really wanted an opportunity  
5 to ask some questions, but he left immediately after  
6 presented. I actually had to -- I brought a question  
7 here after -- after that. One of the things he said  
8 in his explanation to them was -- sorry. One of the  
9 things he -- he said, which I thought was kind of odd,  
10 was that when a K9 does a sniff perimeter around a  
11 vehicle, he said that's not considered a search. And  
12 I -- I -- I actually thought -- I had make sure I come  
13 back and ask either Sergeant Rose or Sergeant Ray or  
14 Ms. Rose, in what context or -- did I understand that  
15 right or is that a thing? Is that a real thing?

16                   ROSALYN MEYER: I actually just looked at  
17 that today.

18                   DECEMBER HARMON: Okay.

19                   ROSALYN MEYER: So it kind of depends  
20 where -- where the situation occurs. So if it occurs  
21 within the curtilage of a person's house, that is  
22 considered a search. If it's in a public area, you  
23 know, like in a traffic stop, the car's parked on the  
24 road, and the dog is walked around, as long as the  
25 officer didn't unreasonably extend the traffic stop to

1 have the drug dog appear, and I believe they also have  
2 a -- to have a basis to have -- to do that versus  
3 there's different cases on that now in and apart where  
4 they walk the drug dogs through everything. That's  
5 part of the normal screening process, so that doesn't  
6 necessarily has the same -- it doesn't necessarily  
7 have the same Fourth Amendment problems, if that makes  
8 any sense. So it's tied to the expectation of  
9 privacy, basically.

10 DECEMBER HARMON: I guess -- I don't know  
11 if you have something I could get e-mailed --

12 ROSALYN MEYER: I can.

13 DECEMBER HARMON: I would like to see the  
14 difference.

15 ROSALYN MEYER: I can. I actually just  
16 literally today pulled up Morley Swingle's guide to  
17 search and seizure and printed the pages on this issue  
18 today, so I will send it out to everyone.

19 DECEMBER HARMON: Thank you, because I -- I  
20 definitely want to know for in the future should  
21 something like this ever come up again.

22 WAYNE BOYKIN: So my question I pose to you  
23 guys is because we're seeing these slacks, do we want  
24 to continue to push, to continue to get one of us on  
25 that board knowing the -- the -- the slack that we're

1 getting -- the fight back we're getting back or do we  
2 want to let the situation go and hope that they are  
3 willing to work with us as a board to board and make  
4 sure we can try to get them to give us the information  
5 and the data that they're obtaining in that retrospect  
6 instead of having someone on the board, and I'm going  
7 to leave that decision up to you guys. What I'm going  
8 to do is respond to the chair of that board, but that  
9 is up to you guys, if we want to continue to kind of  
10 push and let them know that we really do want to be a  
11 part of that board or if we really want to just make  
12 sure that they can try to send us information and let  
13 us know what -- what that data and that information  
14 would be beneficial for us to make our policy opinions  
15 and changes and recommendations for.

16 ROBERT OVERMANN: Overmann. I apologize,  
17 if I'm being naive here, you know, when I think about  
18 what the goals of these two boards are, I can see a  
19 lot of overlap. I mean, you know, surely the chief  
20 wants to have stops that adhere to policy -- you know,  
21 stops that are not going to cause trouble for him  
22 later. Surely, he doesn't want to see, you know,  
23 racial disparities in those stops or, you know, other  
24 things that could cause him grief later. So, you  
25 know, I wonder what the holdup is? Why is this -- you

1 know, again, I apologize -- I apologize if I'm being  
2 naive, but it seems like there's a lot of common  
3 ground here.

4 WAYNE BOYKIN: You're not being naive. I  
5 have the same questions.

6 UNIDENTIFIED MALE: Uh-huh.

7 WAYNE BOYKIN: I was -- I think there was  
8 only -- Rhonda, were you here when we first started  
9 this --

10 RHONDA CARLSON: Yes. But --

11 WAYNE BOYKIN: -- motion?

12 RHONDA CARLSON: Carlson. I was just  
13 asking, was it by happenstance? Because I do know  
14 that they are -- Mr. Love or somebody was -- we have  
15 gone --

16 WAYNE BOYKIN: So we had Don Love come and  
17 give us information, and I know that there was a big  
18 issue over that, too.

19 RHONDA CARLSON: Was that a problem or  
20 something by accident or we weren't supposed to get  
21 it?

22 WAYNE BOYKIN: Apparently, from what I  
23 understood, the board was upset by some of the stuff  
24 because Don came and provided us some information with  
25 their own opinion and not just the opinions of the

1 board.

2 RHONDA CARLSON: Oh.

3 WAYNE BOYKIN: So that's why it was raised.

4 Well, let us be a part of that board so we can be a  
5 part of that information and be a part of obtaining  
6 and understanding that information because, again, our  
7 job is to -- you know, to form that and -- you know,  
8 build that bridge between our citizens and our police  
9 department, so this committee gets information and --  
10 and gets all that stuff that could help us make our  
11 jobs better as well.

12 RHONDA CARLSON: Well -- Carlson again --  
13 might I suggest that maybe this has already been  
14 suggested, and I'm being, again, naive and stupid  
15 myself. Is it possible maybe we could work backwards  
16 and suggest maybe they might give us a presentation  
17 and request that -- because we're so interested in the  
18 information, we just are sitting here dying to know?  
19 They would let us know what that information is and --  
20 and we're not really trying to spy on them. We  
21 just --

22 UNIDENTIFIED MALE: Would like --

23 RHONDA CARLSON: -- would like to know.

24 UNIDENTIFIED MALE: Would like the  
25 information.

1                   RHONDA CARLSON: Yeah. And they would  
2 present it to us, so we could have it.

3                   DECEMBER HARMON: Again, I'm just throwing  
4 this also out -- Harmon. You know, another weird  
5 thing that happened in the meeting was they had an  
6 extensive information about CPD training with --  
7 because they were talking about traffic stops and  
8 disparity. And, so they were talking about racial  
9 bias training. I did try to ask them because they --  
10 they seem to have extensive knowledge about it, and  
11 they are former officers and judges. So when I  
12 asked -- my question was, had -- did they have -- have  
13 they been given any information regarding trainings,  
14 have they ever requested information or were they  
15 speaking from their personal experience? The  
16 chairwoman told me and the board not to answer -- or  
17 told the board not to answer me in that could only  
18 respond to what was the purview of -- of their  
19 committee. I don't -- I -- I don't understand why  
20 everything is a secret, I guess is kind of how I --  
21 I -- I got that. I don't understand why they didn't  
22 want to even answer basic questions that -- from --  
23 and they're people from experience. I can't even ask  
24 them about their own experience. I mean, this is  
25 really kind of a weird and messy situation, I think.

1                   ROBERT OVERMANN: I want to say I think --  
2 Overmann. I want to say I thought the proposal to  
3 have them come present to our board was constructive.  
4 You know, they don't particularly like the idea of  
5 having one of our members sit there, perhaps, they --  
6 they would feel comfortable bringing the materials  
7 that they're willing to share and answer the questions  
8 they're willing to answer here.

9                   RHONDA CARLSON: I mean, I -- I'm trying to  
10 play in the same sandbox. I -- Carlson. I would --  
11 if you want a motion and just say it would be  
12 constructive to offer it and -- on their timeline, if  
13 they would kindly share their information, and if that  
14 doesn't work, then probably play hard ball.  
15 (Inaudible) nice.

16                  DECEMBER HARMON: So do we ask, like, a  
17 letter, a formal letter to their chairman or to their  
18 board asking them if they would like to come here?

19                  RHONDA CARLSON: We're just dying for this  
20 information.

21                  WAYNE BOYKIN: I think from a strategic  
22 standpoint, you have two new members. This is their  
23 first meeting.

24                  RHONDA CARLSON: And they would like to  
25 understand as we are.

AUDIO TRANSCRIPTION

Page 37

1 WAYNE BOYKIN: And I just got here as well.

2 RHONDA CARLSON: Carlson.

3 WAYNE BOYKIN: December, you're new.

4 Delsie, you're new as well. So I think maybe we just  
5 ask, a lot of us are unfamiliar with what the vehicle  
6 stop committee does. I don't think it's wrong to ask,  
7 just be like -- just for good faith, we would like  
8 some information. Can you present to new members, so  
9 we have a better idea of what the vehicle stop  
10 committee is, give us a better understanding of where  
11 our duties lie, where their duties lie, where that  
12 line is and just an informational thing. I don't  
13 think it's something where we need to, like, grill  
14 them. They're going to come here and sit like a  
15 congressional hearing and ask them what their data is,  
16 why aren't they sharing it with us and get aggressive.  
17 I think we should probably be nice and keep it cordial  
18 and informational and --

19 UNIDENTIFIED MALE: Uh-huh.

20 WAYNE BOYKIN: -- just say we have new  
21 members. No one knows what you guys do, come meet us.

22 UNIDENTIFIED MALE: Right.

23 RHONDA CARLSON: I'll bring cookies.

24 Carlson.

25 ROBERT OVERMANN: Overmann. I'm not sure

1 if I heard a motion there, but I would second that if  
2 we want to --

3 WAYNE BOYKIN: I didn't know if that was a  
4 motion.

5 UNIDENTIFIED FEMALE: I'll make a motion.

6 DECEMBER HARMON: Harmon.

7 RHONDA CARLSON: Carlson.

8 DECEMBER HARMON: Is it a motion or a  
9 letter? I don't --

10 RHONDA CARLSON: Carlson. I'll make a  
11 motion that --

12 UNIDENTIFIED FEMALE: Letter.

13 WAYNE BOYKIN: I can just respond back to  
14 her if everybody's approved with that.

15 RHONDA CARLSON: Yeah.

16 WAYNE BOYKIN: Just an invitation.

17 UNIDENTIFIED MALE: Right.

18 WAYNE BOYKIN: Just an invitation to come  
19 talk.

20 UNIDENTIFIED FEMALE: Yeah, because this is  
21 a young board which is sitting up here. I mean, I  
22 haven't even been on a year myself, so.

23 UNIDENTIFIED FEMALE: A formal letter.

24 ROSALYN MEYER: You don't have to pass a  
25 motion, but you can if you want to, and I don't know

1 if you're doing that or not, so.

2 WAYNE BOYKIN: We don't have to do a  
3 motion. I can, again, respond to this e-mail that she  
4 sent me and just ask if they would like to come and  
5 mainly make a presentation on what the vehicle stop  
6 committee is, for a lot of other board members so that  
7 maybe we can greater answer these questions they want  
8 to ask of us.

9 RHONDA CARLSON: Carlson has her thumb up.

10 WAYNE BOYKIN: Okay. If I get a response,  
11 I will let you know, Rose. We can maybe put it on  
12 next month's agenda as a guest speaker.

13 ROSALYN MEYER: You do also have Heather  
14 Heckman-McKenna and Carley Gomez next month.

15 UNIDENTIFIED MALE: Exactly.

16 WAYNE BOYKIN: Perfect. I'm okay with  
17 having two speakers. They want to try to get this  
18 done next month.

19 Okay. So moving on, do we have anything  
20 else about the vehicle stop committee?

21 All right. Status update on response times  
22 data and CPD guidelines for response times? We're  
23 still working on that, I'm assuming.

24 SERGEANT RAY: This is Ray. I should have  
25 sent you guys -- yes. The response time data that I

1 had -- and I didn't know what else you needed in  
2 particular. That's the one with the graphs on it.

3 RHONDA CARLSON: I printed it now. I'm  
4 trying to find what I printed because when -- Carlson.  
5 When I printed it, this one, like, gave me the --

6 WAYNE BOYKIN: Maybe it was 11 by 17.

7 SERGEANT RAY: Does it actually have all  
8 the beats on there? No? Yeah. Or is it just part of  
9 it?

10 RHONDA CARLSON: Just gave me, like, part  
11 of it.

12 SERGEANT RAY: Part of it.

13 STEVEN JEFFREY: Well, you printed it --

14 RHONDA CARLSON: I printed it. I probably  
15 didn't look at the size because it -- if you look at  
16 it, it's -- it's -- it would be very helpful if I had  
17 the whole page. I'm going to have to go back and find  
18 this lost beaut.

19 SERGEANT RAY: I can check with them and  
20 see if they can maybe print a bigger map.

21 RHONDA CARLSON: Carlson. This is exactly  
22 what we asked for, so I think -- because it did come  
23 out later.

24 SERGEANT RAY: Uh-huh.

25 RHONDA CARLSON: I think we need to review

1     this because what it shows by explanation, it's a  
2     priority of the call, the beat, which was the easiest  
3     way to break -- the best way to break it down, so then  
4     when you look at the map, it's where the beat is and  
5     how long it took to respond to that call, and it also  
6     was by the -- was it be the time of day, I think or  
7     no?

8                 SERGEANT RAY:   No.

9                 RHONDA CARLSON:  And by the year.

10                SERGEANT RAY:   Yes.

11                RHONDA CARLSON:  So you can -- if you kind  
12     of match those two up, so Rhonda's going to have to go  
13     back and get a better printer or just look at it on  
14     her computer screen, because I was sitting here trying  
15     to find it, because i looked at it, but it -- it -- it  
16     has average response time by beat, and I'm trying to  
17     find where 60-W is.

18                ROSALYN MEYER:  I just re-forwarded it out  
19     to you call.

20                UNIDENTIFIED FEMALE:  I was going to say --

21                UNIDENTIFIED FEMALE:  I think you forward  
22     it to the members of the subcommittee.  I don't think  
23     the full board got a copy of that of that response  
24     time.

25                WAYNE BOYKIN:   Do we want to then move --

1 go ahead and move that to next business next month and  
2 we can discuss what we think about what we see and --  
3 and our opinions about that then.

4 RHONDA CARLSON: But whoever compiled --  
5 Carlson. Whoever compiled that, that's -- we've been  
6 waiting almost a year for that, so the person that got  
7 hired did a great job.

8 SERGEANT RAY: Perfect. And if there was  
9 anything additional that you guys needed to see on  
10 that, please let me know, and I can request it from  
11 him. And since he already has this data, it shouldn't  
12 take too long for him to pull it.

13 WAYNE BOYKIN: That means when you guys  
14 were overlooking at it this month, if you have any  
15 questions or need more detail, make sure you e-mail to  
16 Rose, to all of us what you're asking, so we can get  
17 it over to her, and we can get that information, and  
18 we'll talk about it next month.

19 All right. Moving onto new business. The  
20 duty to intervene, police policy 300.7.

21 DECEMBER HARMON: Do you want me to dive?

22 WAYNE BOYKIN: Yeah.

23 DECEMBER HARMON: Yeah. I asked this be  
24 put on the last time we all met. I took -- I took  
25 some advice and tried to look at what other

1 departments had found a way to foster an environmental  
2 where officers could feel comfortable expressing  
3 concerns or issues when they arose. That was part of  
4 our last conversation together. It turned out that I  
5 didn't have to look very far. My search brought me to  
6 the same programs that are mentioned in the  
7 community-oriented policing program proposal that we  
8 all received a while back at -- for -- we haven't seen  
9 the percentage yet, but they're going to be at the  
10 next one. Awesome. Yeah. So I don't want to jump  
11 ahead of that, but in their -- if you already read the  
12 proposal, it mentions epic, police for tomorrow and  
13 projectable. So what I found is that there are  
14 already programs that are designed to foster a good  
15 and healthy environment between -- between -- and the  
16 police force, so we don't -- we can probably just  
17 remove this from the agenda or hear from them. They  
18 can explain it a lot better than whatever I'm going to  
19 say.

20 WAYNE BOYKIN: Everybody good with that?

21 RHONDA CARLSON: Yes.

22 UNIDENTIFIED FEMALE: Yes.

23 WAYNE BOYKIN: We'll wait to hear back and  
24 put that back on the agenda once we get that  
25 information.

1 All right. We have reached the time where  
2 we have any general comments by members and staff.  
3 And then once we're done with that, I'll open it up to  
4 the public. Do we have any --

5 UNIDENTIFIED FEMALE: I guess cycling back  
6 to -- do we want to ask to speak to a K9 handler or  
7 not?

8 ROSALYN MEYER: I made a note to put it  
9 down next month. You'll already have a presentation  
10 possibly, too, so we'll probably look for further  
11 months. So Sergeant Ray, if you could reach out to  
12 whoever the K9 handler is and see if maybe May or  
13 June --

14 SERGEANT RAY: I'll check with them.

15 ROSALYN MEYER: The other thing you'll have  
16 coming up is, you'll need to have your twice a year  
17 meeting with the police chief in the near future.

18 WAYNE BOYKIN: Any other comments from  
19 staff? Or members?

20 All right. I wanted to take this time -- I  
21 know many of the board members already know, but I'm  
22 going to be making it public. Next month will be my  
23 last meeting on this board. I would say  
24 unfortunately, but it is a positive thing. April 14th  
25 will be my last day as a citizen of Columbia as I will

1 be moving to Oregon in that aspect, so I will be  
2 starting out the meeting next month as the chair.  
3 We'll have a -- an election or vote for new chair next  
4 month to take my position on this board, so just so  
5 you guys are aware, for those on the board if anyone's  
6 interested in this position or maybe even the vice  
7 chair, if the vice chair becomes the chair, that is  
8 where we're at on things, so I just wanted to make  
9 that public so everybody knows that that's coming.

10 I will now leave or open up the -- the  
11 meeting to the public, if anybody in the public would  
12 like to make any statements or have anything to say,  
13 now is your time. Anybody?

14 Okay. I make a motion to go into closed  
15 session to discuss pending cases pursuant to Section  
16 610.021(1) RSMo, legal actions and causes -- or legal  
17 actions, causes of actions or litigation involving a  
18 public governmental body and any confidential or  
19 privileged communications between public governmental  
20 body or its representatives and its attorneys and  
21 section 610.021(14) RSMo, records which are protected  
22 from disclosure by law.

23 Do I have a second?

24 RHONDA CARLSON: Carlson second. Oh, go  
25 ahead.
