Council Meeting Date: December 20, 2021

Re: Authorizing a Right of Use Permit with Boone County, Missouri, on behalf of Its Office of Emergency Management, for the Construction, Improvement, Operation, and Maintenance of a Warning Siren with Supporting Infrastructure within a Portion of the St. Charles Road Right-of-Way.

Executive Summary

Staff is requesting Council authorize the City Manager to execute a right of use permit with Boone County, Missouri, on behalf of its Office of Emergency Management, for the construction, improvement, operation, and maintenance of a warning siren with supporting infrastructure within a portion of the St. Charles Road right-of-way (See Exhibit A).

Discussion

Boone County, Missouri, Office of Emergency Management is requesting approval of a Right of Use Permit for the construction, improvement, operation, and maintenance of a warning siren with supporting infrastructure within a portion of the St. Charles Road right-of-way. The proposed warning siren with supporting infrastructure would be constructed at a location on the south side of St. Charles Road, between Clark Lane and Remm Drive (See Exhibit A).

The right of use permit agreement outlines the responsibilities of Boone County Missouri, Office of Emergency Management. Boone County Missouri, Office of Emergency Management will not obstruct or block any City street or sidewalk during construction without first obtaining permission from the City.
