Ordinance No. 024867

Council Bill No. B 390-21

**AN ORDINANCE**

determining it is in the public interest to reconstruct the pavement, curb, gutter, sidewalk and driveway approaches along Walnut Street between College Avenue and Old Highway 63 North; approving and adopting plans and specifications; determining that the work shall be done by contract; calling for bids through the Purchasing Division; providing for payment for the improvement; authorizing the City Manager to obtain, execute and record all documents necessary for the improvement; providing for compliance with the prevailing wage law and state-mandated construction safety training; and fixing the time when this ordinance shall become effective.

WHEREAS, an online interested parties meeting for the proposed reconstruction of the pavement, curb, gutter, sidewalk and driveway approaches along Walnut Street between College Avenue and Old Highway 63 North was held by the Public Works Department from June 1, 2021 through June 14, 2021, and in-person interested parties meeting was held on September 29, 2021; and

WHEREAS, the City Council adopted a resolution declaring the necessity for the proposed improvement project; and

WHEREAS, the notice of a public hearing on this project was published in a daily newspaper of general circulation in the city; and

WHEREAS, the City Council has held a public hearing on construction of the proposed improvement.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The Council finds that the reconstruction of the pavement, curb, gutter, sidewalk and driveway approaches along Walnut Street between College Avenue and Old Highway 63 North in the City of Columbia, Missouri, is necessary for the welfare and improvement of the city and that it is in the public interest that such improvements be made. More specifically, the proposed improvements are as follows:

- Milling and an asphalt overlay along Walnut Street between College Avenue and Old Highway 63.
- Removing and reconstructing certain portions of the existing roadway on Walnut Street.
- Reconstructing approximately 1,570 feet of curb and gutter.
- Reconstructing approximately 2,190 square feet of sidewalk, to include new curb ramps and landings.
- Pavement striping and new crosswalk markings.

SECTION 2. The plans and specifications for this improvement project, as prepared by the Director of Public Works, are hereby approved.

SECTION 3. The construction of the improvement project shall be done by contract in accordance with the plans and specifications, the laws of the State of Missouri, and the Charter and Ordinances of the City of Columbia, Missouri.

SECTION 4. The Purchasing Agent is hereby authorized to call for bids and execute a contract for the improvement project.

SECTION 5. Payment for this improvement project shall be made from one-quarter cent capital improvement program (CIP) sales tax funds, and such other funds as may be lawfully appropriated.

SECTION 6. The City Manager is authorized to obtain, execute and have recorded all licenses, easements, deeds and any other conveyances or instruments necessary for the City to complete this improvement.

SECTION 7. Pursuant to Section 290.250 RSMo., the contract for the improvement project shall provide that not less than the prevailing hourly rate of wages, as found by the Department of Labor and Industrial Relations of Missouri, shall be paid to all workers performing work under any contract in excess of \$75,000.00. The contractor's bond shall guarantee the faithful performance of the prevailing hourly wage clause in the contract.

SECTION 8. Pursuant to Section 292.675 RSMo., the bid specifications and contract for the improvement shall provide that the contractor and any subcontractor shall provide a ten-hour Occupational Safety and Health Administration construction safety program (or a similar program approved by the Missouri Department of Labor and Industrial Relations) for all employees working on-site. All employees working on the site of the improvement are required to complete the safety program within 60 days of beginning work on the improvement project.

SECTION 9. This ordinance shall be in full force and effect from and after its passage.

PASSED this 20<sup>th</sup> day of December, 2021.
