- I support traffic calming being installed on Bray Avenue
- Traffic Calming wouldn't bother me if it were implemented
- I do NOT support traffic calming being installed on Bray Avenue

We are accepting comments until October 29, 2021. Thank you for your input!

Comments: This proposal seems like finding a solution to a problem that doesn't exist. Bray has enough hills and cars parked on the sides of the road, which naturally restrict speed limits. This project is a detriment to the neighborhood.

There is more space on the back of this form.

Comments:

I support a type of ~~sp~~ traffic calming but 4 speed bumps and 1 table seem to be excessive. I would like to see fewer ^{bumps} or another type of calming. Maybe a couple of speed bumps and a table with a horizontal calming.
