

Department Source: City Utilities - Sewer/Stormwater

To: City Council

From: City Manager & Staff

Council Meeting Date: May 2, 2022

Re: Authorizing an agreement for professional engineering services with Barr Engineering Company to provide engineering design for the proposed storm water improvements at Nebraska Avenue.

Executive Summary

Staff has prepared for Council consideration a resolution authorizing the City Manager to execute an agreement with Barr Engineering Company in an amount not to exceed \$119,495.00 to provide professional engineering services for the proposed storm water improvements at Nebraska Avenue.

Discussion

Nebraska Avenue storm water improvement project was identified in the 2015 Storm Water Ballot initiative. In fiscal year 2022 budget, \$150,000 was appropriated to prepare an engineering design for the improvement project. An Interested Parties (IP) Meeting was held on March 23, 2022. Three (3) people attended the meeting. All attendees had an interest in the project and were generally in favor of the project. Barr Engineering Company will provide survey and title work, geotechnical investigation, hydrology and hydraulics engineering, conceptual design, construction plans, and technical specifications as shown in the Scope of Services. The standard public improvement process will continue once a preliminary design has been prepared. The proposed not to exceed budget for this agreement with Barr Engineering is \$119,495.00 and will be paid for with Stormwater Utility Funds

Fiscal Impact

Short-Term Impact: The proposed agreement is not to exceed \$119,495.00.

Long-Term Impact: There is no long term impact associated with the services provided.

Strategic & Comprehensive Plan Impact
