FOR COMMUNICATIONS FACILITIES**

THIS RIGHT-OF-WAY USE AGREEMENT FOR COMMUNICATIONS FACILITIES (“Agreement”) is made and entered into as of the Effective Date (as defined in Section 11.1), by and between, _____, a _____ [corporation, LLC, etc.] (the “Licensee”), and the City of Columbia, Missouri, a municipality of the State of Missouri (the “City”). Licensee and City may sometimes be referred to in this Agreement individually as a “Party” or collectively as the “Parties.”

WHEREAS, Licensee has requested consent from the City to authorize its use of the City’s Right-of-Way to construct, install, maintain, and operate Facilities for Communications or related capabilities; and

WHEREAS, Missouri law provides conditions relating to the City’s consent to, and authorizes the City to regulate the use and occupancy of its Right-of-Way (“Right-of-Way” or “ROW”) for placement of various Communications Facilities; and

WHEREAS, the City is authorized to and has established standards for occupancy of the Right-of-Way by Communications Facilities and other uses that are consistent with and recognize the Public Service Commission’s duties and jurisdiction; and

WHEREAS, the City and Licensee desire to enter into this Agreement, to establish the terms of Licensee’s use of the Right-of-Way, and to incorporate the provisions and definitions of the Right-of-Way Code (as defined in Section 1.2); and

NOW, THEREFORE, in consideration of the mutual promises and covenants contained in this Agreement, the Parties agree as follows:

SECTION 1. GENERAL

1.1 Preservation of Police Power Authority. Any rights granted to Licensee pursuant to this Agreement are subject to the authority of the City to adopt and enforce ordinances necessary to the health, safety, and welfare of the public.

1.2 Defined Terms. For purposes of this Agreement, the capitalized terms shall have the meanings as set forth herein and in the Code of Ordinances of the City, including specifically Article X of Chapter 24, and as may be amended (the “Code” or “Right-of-Way Code”). Words used in the present tense include the future tense, words in the single number include the plural number, and words in the plural number include the singular. The words "shall" and "will" are mandatory, and "may" is permissive. Words not defined shall be given their common and ordinary meaning. The following

additional capitalized terms shall also apply to this Agreement:

A. **“Communications”** The transmission via Facilities, in whole or in part, between or among points specified by the user, of information of the user’s choosing (e.g., data, video, voice), without change in the form or content of the information as sent and received, regardless of the statutory or regulatory scheme to which such transmissions may be subject. It shall also include the transmission via Facilities that provide the capability for generating, acquiring, storing, transforming, processing, retrieving, utilizing, or making available information via telecommunications, and includes electronic publishing, but does not include any use of any such capability for the management, control, or operation of a telecommunications system or the management of a telecommunications service.

B. **“Communications Service”** The transmission of writing, signs, signals, pictures, data, sounds or other forms of intelligence through wire, wireless or other means, including, but not limited to, any “telecommunications service,” “enhanced service,” “information service,” or “Internet Service,” as such terms are now, or may in the future, be defined under applicable law, and including all instrumentalities, Facilities, apparatus (Communications Facilities), and services (among other things, the receipt, forwarding, and delivery of Telecommunications) incidental to such transmission or designed to directly or indirectly facilitate or accept such transmission and shall also include “video services” as defined in § 67.2677 RSMo. The term “Communications Service” does not include the rental of conduit or physical facilities, which if proposed must be expressly separately approved by the City. Any party seeking to provide cable television, video services, or use wireless Communications Facilities shall be subject to additional and separate requirements, limitations and/or approvals of federal, state and local law and shall have on file with the City such authorization to provide such services prior to commencement.

1.3 Agreement Subject to Provisions of Right-of-Way Code. This Agreement fully incorporates the provisions of the Right-of-Way Code as if fully set forth herein, and Licensee agrees as a part of this Agreement to abide by the provisions of such Code and other applicable ordinances of the City as a Right-of-Way User, and to be subject to the enforcement by the City as provided therein and in this Agreement as a material term herein. This Agreement may establish Licensee obligations that are supplementary to the Right-of-Way Code, but nothing in this Agreement shall be deemed to waive any obligation or requirement applicable to Licensee authorized or established by the Right-of-Way Code. The consent to use the Right-of-Way authorized by this Agreement is subject to the continuing accuracy during the term of this Agreement of the application information provided by and maintained by Licensee for this authorization as provided to and on file with the City.

SECTION 2. GRANT OF AUTHORITY TO USE THE RIGHT-OF-WAY

2.1 Agreements Non-Exclusive. This Agreement shall grant nonexclusive privileges to use the Right-of-Way. The City specifically reserves the right to grant, at any time, such additional agreements or other rights to use the Right-of-Way for any purpose and to any other person, including itself, as it deems appropriate, subject to applicable federal and state law. Nothing in this Agreement shall relieve Licensee from its obligations to apply for and obtain all necessary permits for installation of its Facilities including excavation, building, electrical, zoning, etc. before installation of its Facilities within the Right-of-Way.

2.2 Nature of Right Granted by this Agreement. This Agreement shall not convey title to Licensee, equitable or legal in the Right-of-Way, and gives only the right to occupy the City's Right-of-Way for the purposes and for the period stated in this Agreement and subject to the requirements of this Agreement. This Agreement also shall not grant the right to use Facilities, conduits or poles owned or controlled by the City or a third-party, without the separate consent of the City or such third-party owning or controlling such Facilities, nor shall it excuse Licensee from obtaining appropriate access or pole attachment agreements before locating on Facilities controlled or owned by the City or a third-party.

2.3 Grant. Subject to the terms and conditions of this Agreement and the Right-of-Way Code, Licensee is hereby granted the nonexclusive right and privilege to construct, operate, and maintain Facilities in, through, over, above, and along the City's Right-of-Way for the purposes of supplying **Communications Service** within the City. Licensee agrees that this Right-of-Way Use Agreement shall supersede any existing franchise or other Right-of-Way use agreement, between the Licensee and the City, if any. As a condition of this grant, Licensee is required to obtain and maintain any permit, license certification, grant, registration or any other authorization lawfully required by any appropriate governmental entity, including, but not limited to, the City, the Federal Communications Commission, or the Missouri Public Service Commission. Licensee shall not have the right to install wireless antennae or antennae support structures in the Right-of-Way pursuant to this Agreement, nor provide services not authorized herein, except as provided in any subsequent amendment as may be approved hereto. The size, location, and specifications of the underground and above-ground Facilities are subject to prior City approval and consent. In the event that the use of the Right-of-Way is proposed to change or Licensee desires to provide services other than as described herein, Licensee shall be required to seek amendment hereto prior to commencing such service or changed use.

2.4 Use of Right-of-Way; Police Powers; Licensee's Use Subordinate. The Licensee shall construct and maintain its Facilities in accordance with all applicable federal, state and local laws, codes and ordinances, including all permit requirements, and fee payments, in effect as of the Effective Date or adopted after the Effective Date, to the extent such are not in contravention of applicable law. The City makes no express or implied representation or warranty regarding its rights to authorize the installation or

construction of Licensee's Facilities on any particular segment of Right-of-Way. The burden and responsibility for making all such determinations in advance of construction or installation shall be entirely upon Licensee. The use of the Right-of-Way authorized by this Agreement shall in all matters be subordinate to the City's prior and future use of and rights to the same and Licensee shall be limited to such uses as have been expressly granted to Licensee by the City. Licensee shall excavate in or install Facilities in the Right-of-Way in locations and in a manner only as authorized by a permit granted by the City. Licensee shall further be subject to the City's exercise of its powers, including but not limited to its administration and regulation related to the management of the Right-of-Way exercised in a competitively neutral and non-discriminatory reasonable manner.

2.5 Undergrounding. All new Licensee Facilities shall be installed underground, except where good cause is shown to authorize use of existing above-ground Licensee Facilities, including (1) when and where nearby similar Facilities exist above ground and, after using its best efforts to install its Facilities underground it has been determined it is not feasible for Licensee to install its Facilities underground, or (2) when conditions are such that underground construction is impossible, impracticable or economically unfeasible, as determined by the City. Above-ground Facilities authorized for good cause shall, in the City's reasonable judgment be limited to construction and Facilities having minimal detrimental impact on the area where construction is proposed. Ground-mounted pedestals customarily installed for underground Facilities shall be authorized subject to applicable permit requirements and design, location, appearance and other reasonable requirements of the City, provided that such pedestals or equipment that are larger than 3 feet in height or otherwise not customarily found within the City limits shall not be deemed authorized by this Agreement without specific separate written authorization of the City.

2.6 No Interference. Licensee shall construct and maintain its Facilities in conformance with the permits, plans and drawings approved by the City. Licensee will cause its Facilities to be so located, constructed, and maintained as to avoid creating a burden on the present or future use of the Right-of-Way and so as not to materially or without authority interfere with other users of the Right-of-Way or reasonable convenience of property owners that adjoin the Right-of-Way. Except as may otherwise be provided, the Licensee shall reasonably notify all residents and properties materially affected by the proposed work prior to commencement of such work. All construction and maintenance by Licensee or its subcontractors shall be performed in accordance with generally accepted industry standards and all standard specifications, drawings, and procedures required or approved by the City.

2.7 No Nuisance. Licensee will maintain its Facilities in good and safe condition so that its Facilities do not cause a public nuisance.

2.8 Notification, Joint Installation and Co-location Requirements. Licensee will cooperate with City in identifying ways to minimize the amount of construction in the Right-of-Way through joint trenching, sharing duct banks and cost sharing with City and third parties undertaking similar construction projects involving

the installation of underground Communications Facilities. Licensee shall, prior to any Excavation or installation within the Right-of-Way, provide sufficient notification and joint installation opportunity on a shared-cost basis to potential users of the Right-of-Way under such generally applicable written policy or direction as may be established by the City. Licensee shall further make its installed Facilities available to other licensees on a nondiscriminatory competitively neutral basis as may be required by federal law codified at 47 U.S.C. § 224.

2.9 Repair and Restoration. Licensee will promptly repair any damage to the Right-of-Way, City property, or private property if such damage is directly caused by Licensee's work, subject to any applicable seasonal or other restrictions on construction or restoration work. Licensee will repair the damaged property to a condition equal to or better than that which existed prior to the damage. If the Licensee fails, neglects or refuses to restore the Right-of-Way or City property to at least its former condition within the time specified in applicable City ordinances or notices provided by City to Licensee, then, after providing 72 hours' notice to the Licensee, the City may do all of such work at the cost and expense of Licensee, for which the Licensee shall reimburse the City within a reasonable amount of time after the presentation of an invoice by the City. The City may grant Licensee an extension of time to restore the Right-of-Way or City property if the City determines that performance by the Licensee within the permitted time was rendered impossible due to events which were beyond reasonable control of the Licensee. Such extension shall be for the shortest period necessary to complete the restoration.

2.10 Licensee Responsible for Costs. The Licensee shall be responsible for all reasonable, lawfully reimbursable, documented costs incurred by the City that are directly associated with its installation, maintenance, repair, operation, use, and replacement of its Facilities within the Right-of-Way, that are not otherwise accounted for as part of the permit fee established pursuant to the Right-of-Way Code and not contrary to any applicable requirements of Sections 67.1830 to 67.1846 RSMo. All such costs shall be itemized and the City's books and records related to these costs shall be made available upon reasonable request to the Licensee. Licensee shall be responsible for its own costs incurred removing or relocating its Facilities when required to do so by the City due to the City requirements relating to maintenance and use of the Right-of-Way as set forth in Section 7.6, below.

2.11 Maps and GIS Data. Licensee agrees to provide the City a detailed route map of its proposed Facilities no later than at the time Licensee applies for permits which shall include the total linear feet of proposed Facilities. Licensee will maintain accurate as-built drawings and maps of its Facilities located in the Right-of-Way and will provide them to City upon reasonable request and on a mutually-agreed timetable, subject to applicable confidentiality protections. Licensee further agrees to provide GIS layer data with specifications of materials including, size, length, connections, boxes, and splicing of all Licensee's Facilities located in the Right-of-Way.

SECTION 3. TERM

3.1 Term. This Agreement shall be effective for a term of ten (10) years from the Effective Date (the Original Term). Thereafter, the Agreement will automatically renew for successive 5-year terms (each a Renewal Term) unless a Party provides at least six (6) months' prior written notice to the other Party of its intent not to renew. Such Original Term and any Renewal Term shall be subject to earlier termination or forfeiture as provided for elsewhere in this Agreement.

SECTION 4. TAXES AND FEES

4.1 The Licensee agrees to pay all legally applicable taxes and fees including license taxes, business taxes, utility taxes, video services provider fees, and other applicable taxes of the City and failure to pay such taxes shall be considered a breach of this Agreement. Nothing herein is intended to alter, amend, modify or expand the taxes that may be lawfully assessed on Licensee's business activities under applicable law. Licensee shall be subject to audit and shall itemize by category of service the amount received and taxes paid for services provided by Facilities in the Right-of-Way. Such taxes shall be in addition to compensation, if any, required by the City by ordinance or otherwise subject to any limitations herein and of applicable state or federal law.

4.2 Licensee acknowledges and agrees that pursuant to its obligation to pay all applicable taxes it shall pay the City's license tax as a provider of exchange telephone services, if applicable, and shall remit to the City such tax on gross receipts of its business as required by the City's Code of Ordinances, or as may be amended, regardless of technology or nomenclature used by Licensee to provide such services, including but not limited to wire, wireless, internet-based transmissions, and switched or un-switched, to the extent permitted by law.

SECTION 5. TRANSFER OF AGREEMENT OR FACILITIES

5.1 Transfer of Agreement. Unless otherwise prohibited by law, Licensee shall not sell, transfer, lease, or assign this Agreement or its rights under this Agreement, in whole or in part, without obtaining the City's prior consent, which consent will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing sentence, Licensee may sell, transfer, lease or assign this Agreement or its rights under this Agreement, in whole or in part, with thirty (30) days' prior written notice to the City if to: (a) any entity controlling, controlled by or under common control with Licensee; (b) any surviving successor entity or newly created successor entity to the majority of Licensee's business operations in the City in the event of a merger, reorganization, consolidation or similar transaction involving Licensee. The City reserves the right to be reimbursed for its reasonable costs relating to a transfer of ownership or this Agreement. Licensee shall not change its name under which it does business with the public without providing at least thirty (30) days' prior written notice to the City.

5.2 Agreement Binding. In the event of a sale, transfer, assignment or any other transaction Licensee may enter into that involves transfer of Licensee's rights, duties, and privileges under this Agreement, all provisions of this Agreement that are obligatory upon, or that inure to the benefit of Licensee, shall also be obligatory upon and shall inure to the benefit of any and all successors and assigns of Licensee. Further, all obligations, duties, liabilities, limitations, prohibitions, amendments and forfeitures by this Agreement created or imposed upon Licensee shall be binding upon and be assumed, kept and performed by its legal and bona fide assigns and successors in interest, according to the true intent and purpose of this Agreement, whether expressly so stated or not.

5.3 Sale or Lease of Facilities. Except as otherwise may be provided by law or in a permitted sale, transfer, lease, or assignment of the Agreement or Licensee's rights under the Agreement in accordance with Section 5.1, Licensee shall not lease, sell, sublet or otherwise transfer possession or control or use of the Facilities, or any portion thereof, for any purpose to any person that has not obtained a duly issued Right-of-Way agreement, or other grant by the City to use the Right-of-Way and which includes the authority to use or maintain such leased or transferred Facilities. Notwithstanding the foregoing, Licensee may use and maintain Licensee's installed Facilities for the benefit of its customers of its Communications Services provided that any such customer shall have no right of physical access to the Facilities in the Right-of-Way without a separate agreement with the City.

SECTION 6. FORFEITURE OF LICENSE AND PRIVILEGE.

6.1 Forfeiture. In case of material failure on the part of the Licensee, its successors and assigns, to comply with any of the provisions of this Agreement, including the provisions of the City Charter or Code of Ordinances, or if the Licensee, its successors and assigns, should do or cause to be done any act or thing prohibited by or in violation of the terms of this Agreement, including the provisions of the Code, or if the Licensee loses authority to provide its Communication Services or do business within the City under applicable law, or if the Licensee, its successors and assigns, shall forfeit all rights and privileges permitted herein, and all rights hereunder shall cease, terminate, and become null and void, provided that said forfeiture shall not take effect until the City shall carry out the following proceedings: Before the City proceeds to forfeit this Agreement, it shall first serve a written notice upon the Licensee, setting forth in detail the neglect or failure complained of, and the Licensee shall have thirty (30) days thereafter in which to cure the default by complying with the conditions of this Agreement. If at the end of such thirty (30) day period the City determines that the conditions have not been complied with, unless said material default could not have been cured within said thirty (30) day period by Licensee exercising reasonable diligence and Licensee is exercising reasonable diligence to cure said default, the City may take action by an affirmative vote of the City Council at a City Council meeting, at which Licensee may appear and be heard, to terminate the Agreement; setting out the grounds upon which said Agreement is to be canceled or terminated. Nothing herein shall prevent the City from taking any other action or remedy as may be set forth in the City's Charter or

Code of Ordinances or as may otherwise exist at law. All remedies described in this Section are cumulative and in addition to any other rights and remedies to which City may be entitled at law, in equity or under this Agreement.

SECTION 7. GENERAL CONDITIONS

7.1 Compliance with Laws. In performing activities and exercising its rights and obligations under this Agreement, the Licensee shall comply with all applicable federal, state and local laws, ordinances, regulations and policies, including, but not limited to, all laws, ordinances, zoning, and other regulations and policies relating to construction, bonding, insurance, and use of public property.

7.2 Insurance. In addition to the requirements of Chapter 24, Article X of the City's Code, except as may be prohibited by law, Licensee shall provide, at its sole expense, and maintain during the term of this Agreement commercial general liability insurance with a reputable, qualified, and financially sound company licensed to do business in the State of Missouri, and unless otherwise approved by the City, with a rating by Best of not less than "A," that shall protect the Licensee, the City, and the City's officials, officers, and employees from claims which may arise from operations under this Agreement, whether such operations are by the Licensee, its officers, directors, employees and agents, or any subcontractors of Licensee. This liability insurance shall include, but shall not be limited to, protection against claims arising from bodily and personal injury and damage to property, resulting from all Licensee operations, products, services or use of automobiles, or construction equipment. The amount of insurance for Single Limit Coverage applying to Bodily and Personal Injury and Property Damage shall be at least \$3,065,952, but in no event less than the individual and combined sovereign immunity limits established by § 537.610 RSMo., or its successor, for political subdivisions; provided that nothing herein shall be deemed to waive the City's sovereign immunity. An endorsement shall be provided which states that the City is named as an additional insured with full and equivalent coverage as the insured under the insured's policy and stating that the policy shall not be cancelled or materially modified so as to be out of compliance with the requirements of this Section, or not renewed without thirty (30) days' advance written notice of such event being given to the City Administrator. The City's additional insured coverage shall have no deductible. **The insurance requirements in this Section or otherwise shall not apply to Licensee to the extent and for such period during this Agreement as Licensee is exempted from such requirements pursuant to § 67.1830(6)(a) RSMo. and has on file with the City Clerk an affidavit certifying that Licensee has twenty-five million dollars in net assets and the facts otherwise establishing that Licensee is therefore so exempted and provided that this exemption shall not apply if Licensee uses or obtains the right to use any City poles or other Facilities, to the extent permitted by applicable law.**

7.3 Construction Guarantee and Maintenance. Licensee agrees that it shall be responsible to guarantee for a period of four (4) years the restoration of the Right-of-Way in the area where such Licensee conducted Excavation and performed the

restoration minimally as required by § 67.1834 RSMo. A bond, letter of credit or other surety (collectively “Surety”) in the form approved by the City shall be posted if required by the City to guarantee construction performance. **Surety shall not be required to the extent and for such period during this Agreement as Licensee is exempted from such requirements pursuant to § 67.1830(6)(a) RSMo. and has on file with the City Clerk an affidavit certifying that Licensee has twenty-five million dollars in net assets and the facts otherwise establishing that Licensee is therefore so exempted and provided that this exemption shall not apply if Licensee uses or obtains the right to use any City poles or other Facilities, to the extent permitted by applicable law.** Licensee shall also be responsible for maintenance of its Facilities and any and all damage caused to the Right-of-Way, equipment within the Right-of-Way or otherwise by Licensee’s use of the Right-of-Way.

7.4 Enforcement; Attorneys’ Fees. The City shall be entitled to enforce this Agreement through all remedies lawfully available, and Licensee shall pay the City its costs of enforcement, including reasonable attorneys’ fees, in the event that Licensee is determined judicially to have violated the terms of this Agreement.

7.5 Relationship of the Parties. Under no circumstances shall this Agreement be construed as one of agency, partnership, joint venture, or employment between the Parties.

7.6 Relocation or Removal of Facilities.

7.6.1 In addition to the requirements of Chapter 24, Article X of the City Code, the City may in its exercise of the public interest request, require that Licensee, at Licensee’s sole cost and expense, relocate, adjust, or reinstall any of its Licensee’s Facilities. The City shall give reasonable notice of such requirement to Licensee, including the location of Facilities to be relocated and a reasonable time to relocate such Facilities. Licensee shall forthwith remove, adjust, or relocate such Facilities within the reasonable time provided by the City in its written notice. The cost of such relocation, removal, or reinstallation of the Facilities shall be the exclusive obligation of said Licensee without expense to the City. If any Facilities are not relocated in accordance with this Section and within the reasonable time frames required by the City, the City or its contractors may relocate the Facilities and the Licensee and its surety shall be jointly and severally liable to the City for any and all costs incurred by the City, including but not limited to any liquidated delay damages. Any time period during which Licensee is unable to relocate its Facilities due to the actions or inactions of a third party, which is unaffiliated to Licensee and not under contract with or control of Licensee, including, without limitation, the City, will not be counted against the reasonable time frame allowed to Licensee to relocate its Facilities.

7.6.2 Licensee shall upon request of any person other than the City requesting relocation of Facilities and holding a validly issued building or moving permit and within a reasonable period as may be established by the City, temporarily raise, lower, adjust, or relocate its Facilities as may be reasonably necessary for such

permit-holder to exercise its rights under the permit. Except where good cause is approved by the City, a permit-holder must make its request at least fourteen (14) days prior to the date it intends to exercise its rights under the permit. If applicable, Licensee will, within seven (7) days of its receipt of such a request, deliver to the permit-holder an invoice for the services. However, Licensee will not be required to honor any such request unless and until the permit-holder makes payment in advance for any expenses incurred by said Licensee pursuant to said person's request. If any Facilities are not relocated in accordance with this Section and within the reasonable time frames required by the City, the City or its contractors may relocate the Facilities and the Licensee and its surety shall be jointly and severally liable to the City for any and all costs incurred by the City, including but not limited to any liquidated delay damages. Any time period during which Licensee is unable to relocate its Facilities due to the actions or inactions of a third party, which is unaffiliated to Licensee and not under contract with or control of Licensee, including, without limitation, the City, will not be counted against the reasonable time frame allowed to Licensee to relocate its Facilities.

7.7 No Cause of Action Against the City. The Licensee shall have no remedy or recourse whatsoever against the City for any loss, cost, expense, or damage arising from any of the provisions or requirements of this Agreement, or because of the enforcement thereof by said City, or for the failure of the City to have the authority to grant, all, or any part, of the rights herein granted; provided that said Licensee expressly acknowledges that it accepted the rights herein granted under this Agreement in reliance upon its independent and personal investigation and understanding of the power or authority of the City to enter into the Agreement herein with Licensee; provided further that the Licensee acknowledges by its acceptance of said Agreement that it has not been induced to enter into this Agreement upon any understanding, or promise, whether given verbally or in writing by or on behalf of any Party, or by any other person concerning any term or condition of this Agreement not expressed herein; provided further that the Licensee acknowledges by the acceptance of this Agreement that it has carefully read the provisions, terms, and conditions hereof and all incorporated provisions and is willing to, and does accept, all of the risk attendant to said provisions, terms, and conditions of this Agreement. Nothing herein shall be deemed to waive the City's sovereign immunity.

SECTION 8. INDEMNIFICATION

8.1 Indemnification. Licensee at its sole cost and expense, hereby agrees to indemnify, protect, release, defend (with counsel acceptable to the City) and hold harmless the City, its municipal officials, elected officials, councils, boards, commissions, officers, employees, attorneys, and agents, from and against any and all causes of action, claims, demands, all contractual damages and losses, economic damages and losses, all other damages and losses liabilities, fines, charges, penalties, administrative and judicial proceedings and orders, judgments, remedial actions of any kind, and all costs and expenses of any kind, including, without limitation, reasonable attorney's fees and costs of defense arising, directly or indirectly, in whole or in part, from the action or inaction of Licensee, its agents, representatives, employees,

contractors, subcontractors or any other person for whose acts Licensee may be liable, in constructing, operating, using, maintaining, repairing, restoring or removing Facilities, or in carrying on Licensee's business or operations in the Right-of-Way, or out of the fact that the City entered into this Agreement with Licensee, the rights granted to Licensee, or the activities performed, or failed to be performed, by Licensee under this Agreement, or otherwise, except to the extent arising from or caused by the sole or gross negligence or willful misconduct of the City, its elected officials, officers, employees, agents or contractors, or as otherwise may be limited by law. This indemnity shall apply, without limitation, to any claim or cause of action for invasion of privacy, defamation, antitrust, negligence, theft, fire, violation or infringement of any copyright, trademark, trade name, service mark or patent or intellectual property right of any person, whether or not any act or omission complained of is authorized, allowed or prohibited by this Agreement. The indemnification, duty to defend, and hold harmless obligations set forth in this Section shall survive for a period of five (5) years after the date of expiration or termination of this Agreement. Any payments required by Licensee to City pursuant to this indemnification paragraph or otherwise required under this Agreement shall accrue interest from the date due at one and one-half percent (1.5%) interest per month until paid.

SECTION 9. NOTICE
