Re: Cooperative agreement with the Missouri Department of Conservation for financial support of the Community Conservationist position within the Office of Sustainability.

## Executive Summary

Staff has created for council approval an ordinance to enter into a cooperative agreement with the Missouri Department of Conservation (MDC) for financial support of the Community Conservationist position. This position was created in FY17 and has been jointly funded by the City of Columbia and MDC since its creation.

## Discussion

Attached for your consideration and approval is a cooperative agreement between the City of Columbia and the Missouri Department of Conservation (MDC). This agreement extends and continues a program initiated in FY17 (B169-16) in which MDC provides financial support for the Community Conservationist position within the Office of Sustainability. The Community Conservationist provides professional design and evaluation support to projects of the City of Columbia and coordinates projects educating the community about the social, environmental, and economic value of healthy urban natural resources. This agreement may be renewed for two additional one-year terms upon mutual agreement and as funding is available.
