8. In Article III, EASEMENTS, a new Section 3.4 is hereby added, adopted, and made a part of the Declaration immediately below Section 3.3, Use by Permittees as follows:

3.4 Easement Exceptions. Notwithstanding anything herein to the contrary, Section 3.1, Section 3.2, and Section 3.3 of this Article III shall not apply to and shall not burden or encumber Lot 110, Lot 111, and the 15.07 Acre Tract (i.e., no easements are granted under Article III or this Declaration as to Lot 110, Lot 111, and the 15.07 Acre Tract) and Section 3.2 of this Article III shall not apply to and shall not burden or encumber Lots 105 and 109 of Crosscreek Center Plat 1 as shown by the plat recorded in Plat Book 42 at Page 22 of the Records of Boone County, Missouri (i.e., no cross-easements for parking are granted as to said Lots 105 and 109 under said Section 3.2).

9. The text under Article IV, RESTRICTIONS, Section 4.2, Use in General, is hereby deleted and in place thereof the following is hereby substituted, adopted, and made a part of the Declaration:

Use in General. Except to the extent expressly permitted pursuant to the provisions of this ARTICLE IV, no part of the Project may be used in violation of any applicable governmental laws, ordinances, or regulations. All of the Permitted Uses, except as otherwise limited herein, shall be allowed on Lot 110, Lot 111, and the 15.07 Acre Tract, including residential uses (e.g., multi-family apartment building). All Permitted Uses, except residential uses, shall be allowed within the remainder of the Project (Lots 101 through 109 and Lot 112). Residential uses shall only be permitted within the Project on Lot 110, Lot 111, and the 15.07 Acre Tract.

10. In Article IV, RESTRICTIONS, Section 4.3, Additional Restrictions, new subsection (e) and subsection (f) are hereby added, adopted, and made a part of the Declaration immediately below subsection (d) of Section 4.3 as follows:

(e) So long as Lot 109 of Crosscreek Center Plat 1 as shown by the plat recorded in Plat Book 42 at Page 22 of the Records of Boone County, Missouri, is used as a

convenience store as described and defined below, Lot 110, Lot 111, or the 15.07 Acre Tract shall not contain or be used as a convenience store nor shall they be used in a manner that has the substantial effect of operating as a convenience store, such that the business operating on Lot 110, Lot 111, or the 15.07 Acre Tract derives a substantial portion of its revenue from convenience store sales and results in significant competition with the convenience store on said Lot 109. For the purposes of this subsection (e), "convenience store" means a small retail store that sells staple groceries, snacks, fuel for vehicles, and related products (e.g., a BreakTime, 7-Eleven, or QuikTrip). Notwithstanding the foregoing, nothing contained herein shall prohibit on Lot 110, Lot 111, or the 15.07 Acre Tract the sale from vending machines of beverages, snacks, other food products, drinks and any other products commonly available in vending machines or the like, so long as Lot 110, Lot 111, or the 15.07 Acre Tract are being used primarily for student housing or multi-family housing purposes. The restrictions contained in this subsection (e) are intended to prohibit the operation of a convenience store on Lot 110, Lot 111, and the 15.07 Acre Tract, if and only if a convenience store is operating on the aforementioned Lot 109 as the initial business operated on said lot. Notwithstanding anything in this subsection (e) to the contrary, if the initial development and use of said Lot 109 is not as a convenience store, this subsection (e) shall be of no force and effect and all or any part of Lot 110, Lot 111, or the 15.07 Acre Tract may be used as a convenience store or for any other of the Permitted Uses at any time regardless of whether said Lot 109 is subsequently used as a convenience store.

(f) So long as Lots 103 and 104 of Crosscreek Center Plat 1 as shown by the plat recorded in Plat Book 42 at Page 22 of the Records of Boone County, Missouri, are used as a hotel as described and defined below, Lot 110, Lot 111, or the 15.07 Acre Tract shall not contain or be used as a hotel, motel, or bed and breakfast (the "Hotel Uses"). For the purposes of this subsection (f), Hotel Uses shall be limited to the business of making available for rent rooms to transient customers (i.e., lodging guests) and shall not include multi-family housing, student housing, or other residential uses. Notwithstanding anything herein to the contrary, all or any parts of Lot 110, Lot 111, or the 15.07 Acre Tract may be used for student housing or multi-family apartment housing or any such other, related types of housing. The term Hotel Uses shall be construed to mean bed and breakfast operations, the typical hotel or motel uses, and extended stay hotels or motels that are commonly observed, such as the following: Holiday Inn, Hampton Inn, Motel 6, Hilton, Marriott, Days Inn, Extended Stay America, Staybridge and like brands. The restrictions contained in this subsection (f) are intended to prohibit the Hotel Uses on Lot 110, Lot 111, and the 15.07 Acre Tract, if and only if a hotel is operating on the aforementioned Lots 103 and Lot 104 as the initial business operated on said lots. Notwithstanding anything in this subsection (f) to the contrary, if the initial development and use of said Lots 103 and 104 is not as a hotel, this subsection (f) shall be of no force and effect and Hotel Uses may occur on all or any part of Lot 110, Lot 111, or the 15.07 Acre Tract, as well as any other of the Permitted Uses may occur at any time regardless of whether said Lots 103 and 104 are subsequently used as a hotel.

11. The text under Article VI, MISCELLANEOUS, Section 7.8, Modification or Amendment, is hereby deleted and in place thereof the following is hereby substituted, adopted, and made a part of the Declaration:

Modification or Amendment. This Declaration may be amended and/or supplemented only by a writing signed by all of the Owners. No modification, waiver, amendment, discharge, or change of this Declaration shall be valid and effective unless the same is in writing and signed by all of the Owners and filed with the Recorder's Office. Any change, modification, amendment, or rescission which is made without the written consent of all of the Owners shall be null and void and of no effect. Each such modification, waiver, amendment, discharge, or change shall be recorded in the Office of the Recorder of Deeds for Boone County, Missouri, but shall in no event reduce or modify the obligation or right granted to or imposed upon the Trustees, in their capacity as trustees under ARTICLE VI above, to eliminate the requirement that there be a person or entity acting in such capacity unless some person or entity is substituted for the Trustees in such capacity with respect to such responsibilities and duties in a manner approved by the Director of the Community Development Department (or such successor position) of the City.

12. The text under Article VII, MISCELLANEOUS, Section 7.20, Notice of Transportation Development District, is hereby deleted and in place thereof the following is hereby substituted, adopted, and made a part of the Declaration:

Notice of Transportation Development District. The boundaries of the TDD include the entire Project. The Owners have agreed to remove Lot 110, Lot 111, and the 15.07 Acre Tract from the TDD. The remainder of the Project shall remain within the boundaries of the TDD (the "TDD Area"). The Owners of Lot 111 and the 15.07 Acre Tract agree that any portions of Lot 111 or the 15.07 Acre Tract, which are used for the primary purpose of conducting retail sales to which the TDD sales tax would apply, shall be added to the TDD and included in the TDD Area, if the other Owners unanimously agree to add such portions of Lot 111 or the 15.07 Acre Tract to the TDD. The TDD was created for, among other things, the purpose of constructing certain roadway and related improvements serving the Project. The TDD has imposed or will impose a one-half of one percent (1/2%) sales tax to be levied upon retail sales within the TDD Area in accordance with the Judgment and Order Organizing a Transportation Development District dated February 26, 2007 by the Circuit Court of the County of Boone, Missouri, case number 06BA-CV05059. All Owners of land within the TDD Area shall, within a reasonable time following demand by any Owner or the TDD, execute any and all documents required by law for the imposition, collection, and payment of such sales taxes. Each Owner of land within the TDD Area agrees to vote for or otherwise approve modifications to the boundaries of the TDD, if necessary, to remove Lot 110, Lot 111, and the 15.07 Acre Tract and to comply with any and all rules and regulations of said TDD and any successor

or replacement tax district imposing comparable sales tax obligations, whether pursuant to statute, adopting petition or ordinance, or board of directors action, and as the same may be adopted and amended from time to time, and to reasonably cooperate with the TDD and other Owners in the establishment and administration of same, including but not limited to promptly reporting sales and similar information and collecting and remitting the additional sales tax, all as directed by the relevant TDD authority. Each Owner of land within the TDD Area agrees not to vote for or otherwise impose additional TDD sales taxes or TDD assessments within the TDD Area unless there is unanimous consent to same from all of the Owners. Each Owner of land within the TDD Area, further agrees to give notice to any assignees, sublessees, tenants, Permittees, or other occupants of its Parcel or Parcels of the existence of the TDD in advance of such assignment, subletting, lease, or other permitted occupation or use of such Parcel or Parcels.

13. In Article VII, MISCELLANEOUS, a new Section 7.22 is hereby added, adopted, and made a part of the Declaration and placed immediately below Section 7.21, Exhibits, as follows:

7.22 Allocation of Square Footage The Project became subject to certain zoning requirements and a C-P development plan pursuant to Ordinance Number 020013, adopted by the City Council of the City of Columbia on August 18, 2008 (the "Ordinance"), which incorporates the terms and provisions of a Statement of Intent (the "SOI"). The Ordinance and SOI restrict the "Maximum Gross Square Footage of Building Floor Area on the entire Crosscreek Center Development" to 580,000 square feet if a new motor vehicle dealership is not placed on Lot 110 or 450,000 square feet if a new motor vehicle dealership is placed on Lot 110. Asset Plus does not intend to develop Lot 110 as a motor vehicle dealership; therefore, no allocation based on a 450,000 square feet maximum is provided herein by the Owners. Rather, the Owners intend to allocate 580,000 square feet (because no car dealership will be developed on Lot 110) as part of this Amendment.

To the extent that an Owner is required to count square feet of proposed or actual development within the Project against the applicable maximum under the Ordinance or SOI (i.e., any square footage is deducted from the 580,000 square feet maximum), except when "gross floor area" (defined below) is less than the square footage calculated by the City of Columbia, the following shall be the largest amount of square feet that may be deducted from the 580,000 square feet for portions of the Project listed below:

Lot 101 = 30,000

Lot 102 = 5,000

Lots 103 and 104 combined = 100,000
Unofficial Document

Lot 105 = 8,700

Lot 106 = 4,000

Lot 107 = 4,000

Lot 108 = 8,000

Lot 109 = 10,000

Lot 110 = 380,000

Lots 111, 112, and the 15.07 Acre Tract combined = 30,300.

If any of the foregoing lots or tracts, or portions thereof, are combined, the square footage allocated to each lot or tract shall also be combined. In other words and for example, if Lots 106 and 107 are combined to contain a single development, the allocated square footage would be 8,000 or if Lot 106 is combined with one-half of Lot 107, the allocated square footage for the combination would be 6,000 and the allocated square footage for the remainder of Lot 107 would be 2,000.

Nothing contained herein shall limit an Owner of any lot or any portion of the Project from seeking and obtaining approval from the City of Columbia of modifications to the Ordinance or SOI that allow a larger number of maximum square feet for the entire Project or that remove the maximum square footage entirely. The Owners hereby consent to the actions that any other Owner may take to cause such modifications to occur and agree to execute any applications or requests that must be submitted to the City of Columbia as may be reasonably required to cause such modifications to occur. If any such Owner obtains approval of modifications to the Ordinance or SOI that increases the 580,000 square feet maximum by a finite amount, any such amount over 580,000 shall be allocated to the Project by such Owner as such Owner may determine in its sole, absolute, and unmitigated discretion.

Nothing contained herein shall prohibit an Owner of any lot or any portion of the Project from obtaining approval by the City of Columbia of any amount of square footage for development that is not counted against (does not reduce) the 580,000 square feet maximum in the Ordinance or SOI. However, any such approval must explicitly state the amount of square footage that is being counted against or not being counted against the 580,000 square feet maximum, so that other Owners can verify and rely upon the fact that the approved development does not include more square footage than is allocated under this Amendment.

Unofficial Document

For example, the square footage allocation provisions of this Amendment would not be violated if a development containing residential uses is approved and, as part of the approval, the City Council of the City of Columbia determines and affirmatively states (on the development plan or in an ordinance or resolution or the like) that the residential square footage does not count against (does not decrease) the 580,000 square feet maximum or otherwise identifies the number of square feet decreasing the 580,000 square feet maximum, which does not include the residential square footage, so long as whatever amount of square footage that does decrease the 580,000 square feet maximum is equal to or less than the amount allocated by this Amendment.

So long as development square footage on any portion of the Project does not count against the 580,000 square feet maximum under the Ordinance or SOI, it shall not count against the amount of square footage allocated under this Amendment. If development square footage decreases the 580,000 square feet maximum, the decrease shall be no larger than the square footage allocated under this Amendment, unless the applicable "gross floor area" (defined below) is less than such amount of such square footage calculation. If the 580,000 square feet maximum is eliminated, there shall be no square footage allocations and no restrictions as to square footage under this Amendment. If the 580,000 square feet maximum is increased by an Owner, the amount of increase shall be allocated within the Project by said Owner.

Notwithstanding any calculation of square footage by the City of Columbia or any other governing body applicable to the Project, including any calculation applicable to the "Maximum Gross Square Footage of Building Floor Area on the entire Crosscreek Center Development" pursuant to the Ordinance or SOI, there shall be no violation of the terms of this paragraph, and the Owner of the applicable portion of the Project shall have no liability to any other Owner hereunder or under applicable law, if such calculation of the square footage of development on any portion of the Project is greater than the amount allocated hereunder, so long as the calculation of "gross floor area" below results in an amount that is equal to or less than the amount of square footage allocated above in this paragraph. For the purposes of determining whether any portion of the Project complies with (is equal to or less than) the square footage allocated under this Amendment, the square footage of development on any portion of the Project shall be the gross floor area of the applicable buildings, which such "gross floor area" shall mean and shall be calculated as follows: the area within the inside perimeter of the exterior walls of a building, exclusive of vent shafts, courts, basements, porches, garages, patios, gazebos or other structures without surrounding exterior walls, corridors, carports, and decks. For example, if the

City of Columbia determines that the development on Lot 102 contains 10,000 square feet and that the 580,000 square feet maximum is decreased by said 10,000 square feet, but the development on Lot 102 constitutes 5,000 square feet of "gross floor area" because 5,000 square feet is basement space, Lot 102 shall not have violated the provisions of this paragraph because it is allocated 5,000 square feet above and "gross floor area" is not greater than 5,000 square feet.

14. Subject only to the modifications and amendments made in this Amendment, the Declaration is hereby ratified. No amendments to the Declaration are intended or made other than as set forth in this Amendment. Capitalized terms used in this Amendment but not defined herein shall have the meanings given to those terms in the Declaration. This Amendment may be executed in multiple copies, each of which shall be deemed an "original" for all purposes.
