Re: Tabling Request – Case # 31-2024

Attached please find a request to table Case # 31-2024 to the **March 7, 2024** Planning and Zoning Commission meeting. This request is sought to address outstanding review comments and several development-related details.

This is the applicant's second tabling request and given it will extend the public hearing beyond 60 days from its original hearing date the matter will require new notice (newspaper & adjacent property owner).
