Re: Agreement with Bates County Health Center for an Expanded HIV Testing Program.
Impacted Ward: Citywide

Executive Summary

An ordinance authorizing the City Manager to sign an agreement and Business Associates Agreement between the City of Columbia and Bates County Health Center, allowing for a collaboration on an Expanded HIV testing program. This agreement shall be in effect until May 31st 2026 and may be renewed for two successive terms of one year.

Discussion

The Expanded HIV Testing Program supports healthcare entities implement routine opt-out HIV testing. By integrating HIV testing into standard medical care, the program aims to make HIV screening a normal part of healthcare delivery. This program strives to provide early diagnosis and timely connection to treatment to improve health outcomes while preventing further HIV transmission within the community.

PHHS offers the Expanded HIV Testing Program within the 37 county Central Missouri Region as part of PHHS' High Impact HIV Prevention and Surveillance Programs agreement with Missouri Department of Health and Senior Services (Council Bill No. B21-25). The rapid HIV test kits, technical assistance, staff training, and linkage to care are provided by Public Health and Human Services (PHHS). Any associated costs are covered by the High Impact HIV Prevention and Surveillance agreement with Missouri Department of Health and Senior Services.
