Licensed Training Provider Agreement

This **Licensed Training Provider Agreement** ("Agreement") is by and between The American National Red Cross ("Red Cross") and **City of Columbia, Missouri** (the "LTP") (each a "Party" and together the "Parties"), effective as of the last date of signature set forth below ("Effective Date"), for the purpose of licensing Red Cross training materials and curriculum to LTP in order to permit LTP to deliver instruction in the Red Cross training courses that are included within the product package(s) listed in Appendix B ("Courses").

1. **LTP Responsibilities.** LTP will:
   - 1.1. Only permit an individual to teach a Course and submit Course Records (as defined below) under LTP's account in Red Cross's learning management system ("LMS") if that individual (i) has an active certification by Red Cross to teach the Course, and is otherwise in good standing as an instructor with Red Cross, when the Course is delivered, and (ii) has been authorized by LTP to teach Courses on LTP's behalf and enter records for completed Courses ("Course Records") on LTP's behalf in Red Cross's LMS before the Course is delivered. (Individuals who satisfy all of these conditions are hereinafter referred to as "Instructors").
   - 1.2. Cause Instructors to teach Courses using only the most current Red Cross-approved instructional materials and such other copyrighted and proprietary educational content as Red Cross may provide from time to time, as the same may be amended, supplemented, or retired, to licensed training providers of Course instruction ("Course Materials"), in compliance with the most current Red Cross Training Provider Resource Guide ("Guide"), curricula, policies, and procedures, as the same may be amended, supplemented, or retired from time to time (collectively, the "Policies"), which Policies, as of the Effective Date, are available at https://www.redcrosslearningcenter.org.
   - 1.3. Only sponsor, promote, and teach Courses and otherwise perform under this Agreement within the United States of America and its territories ("U.S."), as the Red Cross is only permitted to operate within the U.S. LTP will only permit its personnel and students in the U.S. to take online-only Courses ("e-learning Courses") or the online component of any Course.
   - 1.4. Permit—or, upon Red Cross's request, obtain permission for—Red Cross to enter upon the premises at which Courses are taught so that Red Cross can observe LTP's Courses. Red Cross will cooperate with LTP in the scheduling of any such visit, but LTP may not notify its Instructors in advance of a scheduled visit.
   - 1.5. Enter accurate and complete Course Records for each completed Course, along with all other requested information, into the Red Cross's LMS within ten (10) calendar days of the date that any scheduling instance of a Course (each a "Class") has been completed, and comply with all terms and conditions of the LMS during such use.
   - 1.6. Only provide Red Cross issued Course completion certificates, using Red Cross-approved systems and forms, to students who have successfully completed a Course that has been administered by the required number of Instructors and otherwise in compliance with the Policies and this Agreement (it being understood that Red Cross may, in addition to other remedies, invalidate any Course completion certification not issued in conformity with this section).
   - 1.7. Pay all fees payable under this Agreement when due, in accordance with section 5 below.

   Be responsible for LTP's acts and omissions, and the acts and omissions of its Instructors, in connection with the delivery of Courses under this Agreement. In no event shall the language of this Agreement constitute or be construed as a waiver or limitation for either Party's rights or defenses with regard to each Party's applicable sovereign, governmental, or official immunities and protections as provided by federal and state constitutions or laws.

1.8. Maintain insurance (or, if LTP is a public entity, self-insure through a publicly recognized self-insurance program) to cover its performance under this Agreement, as Red Cross insurance does not extend to LTP or its Instructors. If aquatics courses are included among the Courses that LTP is authorized to deliver under Appendix B, maintain, at minimum, the types and limits of coverage set forth in Appendix C. Provide proof of insurance coverage to Red Cross upon its request.

2. License to Course Materials; CPS.

2.1. Red Cross is the owner of Course Materials. Subject to the terms and conditions of this Agreement, Red Cross hereby grants LTP a limited, non-exclusive, non-transferrable, and non-sublicensable license to publicly display and perform, Course Materials solely for the purpose of conducting Courses authorized under this Agreement. LTP may not revise, edit or create derivative works of Course Materials, in whole or in part.

2.2. Course Materials will be made available to LTP by digital download or other means as determined by Red Cross. LTP shall only obtain Course Materials for Courses that LTP is authorized to provide, and only through distribution means authorized by Red Cross.

2.3. Any certificates memorializing the successful completion of any Course may be issued only through the LMS. LTP has no right or authorization to design or create its own Course completion certificates.

2.4. LTP shall use reasonable efforts to protect the Course Materials from use not permitted under this Agreement. This Agreement does not constitute a transfer of ownership rights in the Course Materials. LTP shall not use facts and information from the Course Materials to create its own courses and course materials.

2.5. LTP may, from time to time, at its election, participate in Red Cross's Class Posting Service ("CPS"). Using the CPS, licensed training providers of Red Cross may advertise the availability of Courses to prospective students on Red Cross's on-line store, for additional fees. LTP agrees that its participation in the CPS will be governed by the terms and conditions contained in Red Cross's CPS User Guide, as the same may be amended from time to time. Red Cross may suspend or terminate the CPS with respect to all licensed training providers, including LTP, at any time or from time to time, in its sole discretion.

3. Use of Names and Marks.

3.1. Red Cross grants LTP the limited, non-exclusive, non-transferable and non-assignable license in the U.S. to use the name and logo of the Red Cross in the format set forth in the Guide (the "Authorized Mark") solely to promote that LTP is an authorized provider of the Courses, and subject to all restrictions herein this Agreement and the Policies.

3.2. Except as expressly provided in this Agreement, neither Party may use the other Party's name(s), logos trademarks or other intellectual property in marketing materials, press releases, presentations other than Courses, or otherwise without the advance written consent of the other Party, which consent may be granted or withheld in the other Party's sole discretion.

3.3. LTP shall not state or imply that LTP is employed by Red Cross, or that Red Cross sponsors or endorses LTP's business, products or services generally, or that any other training courses and services other than the Courses, are owned or endorsed by or otherwise associated or affiliated with Red Cross.

3.4. LTP shall not (i) create a compound mark with the Authorized Mark or (ii) use the Authorized Mark with any other design, slogan or trademark when such combination would tend to cause confusion as to source or affiliation.

3.5. LTP shall not in any instance, use a Greek red cross design in association with its business, goods or services.

4. Term and Termination.

4.1 This Agreement will be effective as of the Effective Date listed above and ends on the day before the thirty-six (36) month anniversary thereof, unless earlier terminated as provided below.

4.2 Red Cross may immediately terminate this Agreement if LTP breaches this Agreement. Red Cross may also terminate this Agreement if LTP breaches the terms of the CPS.

4.3 Either Party may terminate this Agreement with advance written notice to the other Party of at least thirty (30) days.

4.4 Notwithstanding expiration or any termination of this Agreement, the provisions of this Agreement will continue to govern with respect to any amounts payable to Red Cross for Courses completed prior to such expiration or termination. The Parties' obligations under sections 5.10 and 7 below will also survive expiration or any termination of this Agreement.

5. Fees and Invoicing.

5.1 For each Course enrollee, LTP will be charged the per-student license fee that is applicable to that Course. Courses are included within the product package(s) listed on Appendix B. Fees for Courses are set forth in the price list attached to Appendix B.

5.2 Unless LTP has been approved for invoicing, LTP will remit payment by credit card upon entry of Course Records into LMS. All fees for CPS are non-refundable and will be paid by credit card at the time LTP submits the Class for posting.

5.3 Red Cross may approve or deny LTP's request to be invoiced at Red Cross's sole discretion. Invoices will be sent via postal mail, may be issued up to four (4) times per month, and will include all transactions submitted in that billing period. Payment in full is due thirty (30) days from the date of each invoice. If LTP does not pay any amount by the payment due date, the Red Cross may, in its sole discretion (a) suspend or terminate the LTP's invoicing privileges and require credit card payment at the time LTP enters Courses into LMS; or (b) suspend or terminate the LTP's right to deliver Red Cross training and enter Course Records into LMS. If the Red Cross pursues collections action to recover past due amounts, the LTP will be responsible for all costs of collection including reasonable attorney's fees and collection agency fees and expenses.

5.4 If approved for invoicing, LTP may elect to have invoices delivered electronically to one (1) email address. LTP will provide Red Cross a single valid email address for electronic invoice delivery. LTP will receive a PDF copy of the invoice. LTP understands that LTP will not receive an invoice via postal mail after enrollment in electronic invoice delivery.

5.5 If LTP desires that invoices issued by Red Cross reflect LTP-issued purchase order numbers, then any such purchase order must be received by Red Cross at least ten (10) business days prior to the Class date; it being understood that under no circumstance will the absence of an LTP-issued purchase order number on any invoice excuse LTP's timely payment of that invoice.

5.6 To pay an invoice by credit card or to establish ACH payments, call 888-284-0607. To pay an invoice by check, include the remittance advice showing the LTP account name, customer number and invoice number, and send to:

American Red Cross - Training Services
25688 Network Place
Chicago, IL 60673-1256

5.7 Red Cross is not obligated to use LTP's vendor payment portal. If LTP desires that Red Cross use LTP's vendor payment portal, LTP must make such a request in writing. Red Cross may grant or deny the request in its sole discretion. Acceptance of such a request may only be made in writing by an

Docusign Envelope ID: F0188B6F-1C1A-49F5-BC73-1574EA32FFB0

authorized representative of Red Cross. LTP must continue to pay invoices delivered by mail or email on a timely basis while such a request is pending. If Red Cross elects to use LTP's vendor payment portal, Red Cross will not be obligated to pay LTP or any third party any fee or expense for such use, regardless of any provision to the contrary in such portal's terms of use. LTP will, on demand, promptly reimburse Red Cross for any such fee or expense.

5.8 If LTP has account balance or invoice questions or concerns, immediately upon receipt of invoice, LTP may email billing@redcross.org or call 888-284-0607 to report and resolve the inquiry.

5.9 At least annually, Red Cross will review its national pricing, and may increase its pricing and fees. Red Cross will notify LTP of any such increase. Such notice (which Red Cross may send to LTP's contact for notices or contact for billing in Appendix A) will specify the date on which the increase will take effect under this Agreement. That date will be at least thirty (30) days after the date of such notice. As of that effective date, prices and fees under this Agreement will automatically be modified to reflect such increase without need for the Parties to take any other action, including (without limitation) the execution of any separate modification of, or amendment to this Agreement.

5.10 If the Red Cross determines that any Course offered by the LTP is not taught in accordance with Red Cross Policies, the LTP will be responsible for any costs associated with re-training Course participants. Red Cross, at its sole discretion, will determine the appropriate party to conduct re-training, which may include the LTP, or any Red Cross employee, volunteer, or third-party licensed training provider. LTP's obligation to pay for retraining under this section will survive the expiration or earlier termination of this Agreement with respect to any such retraining that takes place after the effective date of expiration or termination; and the provisions for invoicing and collection of past-due amounts set forth in this Section 5 will continue to govern with respect to any such obligation.

6. Notices. Each Party's contacts for notices and billing under this Agreement are listed on Appendix A.

7. Confidentiality. Except as required by applicable law or otherwise provided herein, LTP will maintain in confidence the pricing information set forth in Appendix B.

8. Intellectual Property.

8.1 Red Cross reserves all rights not expressly granted herein, in its registered and common law trademarks, service marks, names, emblems, logos and designs including without limitation, the Authorized Mark (the "Red Cross Marks"), and in the Course Materials in whole or in part (collectively the "Red Cross IP").

8.2 LTP acknowledges and agrees that the Red Cross IP is and shall remain the property of Red Cross, and that the license granted under this Agreement does not constitute a transfer to LTP of any ownership rights in the Red Cross IP. Further, the Parties agree and acknowledge that LTP's use of the Red Cross IP shall inure solely to the benefit of Red Cross.

8.3 LTP shall not commit, or cause any third party to commit, any act challenging, contesting or in any way impairing or attempting to impair Red Cross's right, title and interest in and to the Red Cross IP, including seeking registration of the Red Cross IP in whole or in part, or of any confusingly similar trademark or service mark anywhere in the world or incorporating LTP's business under the Red Cross Marks or any aspect of the Red Cross Marks or any name confusingly similar to the Red Cross Marks.

8.4 Upon the expiration or termination of this Agreement, all rights in the Red Cross IP herein granted to LTP immediately expire, and LTP will immediately cease all use of the Red Cross IP.

9. Miscellaneous.

Docusign Envelope ID: F0188B6F-1C1A-49F5-BC73-1574EA32FFB0

9.1 Severability. In the event any provision of this Agreement is held invalid, illegal or unenforceable (any such provision, an "Invalid Provision") in any jurisdiction, the Red Cross and the LTP shall promptly negotiate in good faith a lawful, valid and enforceable provision that is as similar in terms to such Invalid Provision as may be possible while giving effect to the future benefits and burdens accruing to the Parties hereunder. But, in no way will the Invalid Provision affect the validity or enforceability of any other portion or provision of this Agreement, regardless of the ability of the Parties to negotiate a new provision.

9.2 Independent Contractors. Each Party is an independent contractor with respect to the other, and nothing herein shall create any partnership, franchise, or joint venture between the Parties or an employer-employee or agency relationship. No agent, employee or servant of any Party shall be, or shall be deemed to be, the employee, agent or servant of the other Party, and each Party shall be solely and entirely responsible for its acts and the acts of its agents, employees and servants.

9.3 Assignment. LTP may not assign its rights under this Agreement, or delegate its obligations, in whole or in part, without the prior written consent of Red Cross. Any attempted assignment or delegation in violation of the foregoing will be null and void.

9.4 Governing Law. The Agreement is governed by the laws of the state of Missouri.

9.5 Inapplicability of Procurement Terms. This Agreement is not a contract for the purchase, sale, or use of personal property or for the rendering of personal or professional services by Red Cross. It is only a limited license in Red Cross IP. It is, therefore, not subject to policies, regulations, terms, conditions, or other requirements of LTP or any third party (including, but not limited to, the Federal Acquisition Regulation and any agency supplement thereto, and the U.S. Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards) that relate only to suppliers and vendors of goods or services. Under this Agreement, Red Cross will not carry out part of any Federal award received by LTP. Neither Red Cross, the host of its LMS, nor any other vendor to Red Cross in connection with this Agreement, will act as, nor may any of them be deemed, (i) a subcontractor to Red Cross or a first-tier or lower-tier subcontractor or sub-grantee to LTP under any prime contract or grant, or (ii) a first-tier or lower-tier processor of personal or other data for LTP or any third party.

9.6 Data Processing. Red Cross operates the LMS as a nationwide system of course certification. It does not operate the LMS as a service to, or as an agent or for the benefit of, LTP. Insofar as Red Cross collects, processes, transmits, stores, or otherwise manages data, including personal data, contained in Course Records, it will not be doing so for, or on behalf of, or as a service to, LTP. Red Cross retains all rights in and to the LMS and any Course Records uploaded by LTP into the LMS.

9.7 Entire Agreement. This Agreement constitutes the entire agreement between the Parties and supersedes all prior agreements, understandings and representations, both written and oral, between the Parties with respect to the subject matter of this Agreement.

9.8 Amendments and Waivers. Amendments, addenda and waivers to this Agreement will be effective only if made, in each case, by a non-preprinted document clearly understood by both Parties to be an amendment, addendum or waiver, as the case may be, and signed by both Parties. Any additional or different terms or conditions contained in any purchase order, confirmation, receipt, invoice, click-through agreement, or similar documents will not be binding on either Party, whether or not such terms and conditions would materially alter this Agreement (and even if the receiving Party has signed or otherwise acknowledged such purchase order, confirmation, receipt, invoice, click-through agreement or similar document), and each Party hereby rejects all such additional or different terms and conditions.

Docusign Envelope ID: F0188B6F-1C1A-49F5-BC73-1574EA32FFB0

9.9 Counterparts and Electronic Signatures: This Agreement may be signed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document. Faxed signatures, or scanned and electronically transmitted signatures, on this Agreement or any notice delivered pursuant to this Agreement, shall be deemed to have the same legal effect as original signatures on this Agreement.

9.10 Mutual Representations. Each Party is relying upon the truth and accuracy of the following warranties, as made by the other Party, as a material inducement to entering into this Agreement:

A. LTP warrants that any information it has tendered to Red Cross concerning its legal status, identities of its directors, officers, shareholders, or other principals and affiliates, financial condition, current and historical operations, insurance coverages, and all other information requested by Red Cross in connection with any inquiry into LTP's capabilities and qualifications as a prospective licensed training provider of Red Cross, was, on the date it was provided to Red Cross and on the Effective Date, true and accurate in all respects and free of any misleading omissions. LTP acknowledges that the foregoing warranty is a material inducement for the Red Cross to enter into this Agreement.

B. Each Party represents to the other that it is duly organized or incorporated and validly existing under the laws of the state where it is organized or incorporated (or, if it is organized under federal law, that it is duly organized and validly existing under the laws of the United States), that it has the power and authority to enter into this Agreement and carry out its provisions, that it has taken all actions required for it to enter into the Agreement prior to the Effective Date, that its representative who has signed this Agreement below is duly authorized to execute and deliver this Agreement, and that this Agreement is legally binding upon and enforceable against it.

The Parties, acting through their duly authorized officers, have executed this Agreement, which shall come into force as of the Effective Date. Execution of this Agreement confirms LTP's receipt of the Training Provider Resource Guide, which may be updated from time to time.

WELCOME

Thank you for choosing to be a Training Provider for the American Red Cross. As a Red Cross Training Provider, your organization joins a long tradition of providing life-saving education and training throughout the United States dating back to 1909.

Purpose of the Resource Guide

This American Red Cross Training Provider Resource Guide provides the basic information needed to serve as an American Red Cross Training Provider. It also establishes policies relating to the delivery of training services to an independent contractor of the American Red Cross that are binding upon your organization and made part of your Licensed Training Provider Agreement with the American Red Cross.

Your organization and any instructor for your organization who is authorized to conduct Red Cross-approved courses — whether that is an employee, volunteer, or independent contractor — must strictly comply with this Guide and the Licensed Training Provider (LTP) Agreement. Your organization is responsible for the quality of training conducted by any instructor (as defined by the LTP Agreement). Your organization is also responsible for that individual's acts and omissions in connection with that training. If your organization, or any of your instructors, violates any requirement of this Guide, the Red Cross retains sole discretion to take whatever action toward your organization or its instructors that it deems appropriate. This may include but is not limited to temporary suspension of your right to conduct courses and upload course records into Red Cross learning management system; temporary suspension of instructors; termination of an instructor's right to deliver training, or termination of your organization's LTP Agreement.

Licensed Training Providers

Licensed Training Providers ("LTP" or "Training Provider") are companies, organizations, or unincorporated sole proprietors licensed by the Red Cross to independently use Red Cross training materials, in the instruction of Red Cross training courses, based on an LTP Agreement with Red Cross. A Training Provider may choose to:

- Teach Red Cross courses "internally" to individuals within the LTP's company or organization.
- Teach Red Cross courses "externally" to outside companies, organizations, or individuals, either exclusively or in addition to internal training.

ABOUT THE RED CROSS

Proceeds from Red Cross training support the lifesaving, charitable mission of the Red Cross — including disaster relief, blood collection and service to the Armed Forces.

Global Red Cross and Red Crescent Network

The Global Red Cross and Red Crescent Network is the largest humanitarian network in the world, with a presence in almost every country. The global network is unified and guided by seven Fundamental Principles.

Humanity

The Global Red Cross and Red Crescent Network, born of a desire to bring assistance without discrimination to the wounded on the battlefield, endeavors — in its international and national capacity — to prevent and alleviate human suffering wherever it may be found. Its purpose is to protect life and health and to ensure respect for the human being. It promotes mutual understanding, friendship, cooperation, and lasting peace amongst all peoples.

Impartiality

It makes no discrimination as to nationality, race, religious beliefs, class, or political opinions. It endeavors to relieve the suffering of individuals, being guided solely by their needs, and to give priority to the most urgent cases of distress.

Neutrality

In order to continue to enjoy the confidence of all, the Network may not take sides in hostilities or engage at any time in controversies of a political, racial, religious, or ideological nature.

Independence

The Network is independent. The National Societies, while auxiliaries in the humanitarian services of their governments and subject to the laws of their respective countries, must always maintain their autonomy so that they may be able at all times to act in accordance with the principles of the Movement.

Voluntary Service

It is a voluntary relief movement not prompted in any manner by desire for gain.

Unity

There can be only one Red Cross or Red Crescent Society in any one country. It must be open to all. It must carry on its humanitarian work throughout its territory.

Universality

The Global Red Cross and Red Crescent Network, in which all Societies have equal status and share equal responsibilities and duties in helping each other, is worldwide.

Mission

The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors.

Vision Statement

The American Red Cross, through its network of volunteers, donors, and partners, is always there in times of need. We aspire to turn compassion into action so that:

- All people affected by disaster across the country and around the world receive care, shelter, and hope;
- Our communities are ready and prepared for disasters;
- Everyone in our country has access to safe, lifesaving blood and blood products;
- All members of our armed services and their families find support and comfort whenever needed;
- In an emergency, there are always trained individuals nearby, ready to use their Red Cross skills to save lives.

History

Clara Barton and a circle of her acquaintances founded the American Red Cross in Washington, D.C., on May 21, 1881. Barton first heard of the Swiss-inspired global Red Cross network while visiting Europe following the Civil War. Returning home, she campaigned for an American Red Cross and for ratification of the Geneva Convention protecting the war-injured, which the United States ratified in 1882.

The American Red Cross Today

Today, the supporters, volunteers and employees of the American Red Cross provide compassionate care in five critical areas:

- People affected by disasters in America.
- Support for members of the military, their families and veterans.
- Blood collection, processing and distribution.
- Health and safety education and training services.
- International relief and development. For more information, visit redcross.org.

CONDUCTING RED CROSS TRAINING PROGRAMS

Maintaining Training Standards

Quality, consistency and standardized delivery of courses are the highest priorities of the American Red Cross. Red Cross courses are designed with standardized instructor outlines and lesson plans based on well-defined objectives to provide an optimal learning experience for a variety of participants. Many courses are designed to meet workplace certification and training requirements of different occupational settings, such as day-care workers, workplace response teams, lifeguards, swim instructors, healthcare providers and other professional responders. Both the course participants and organizations that hire individuals with Red Cross certifications expect and depend on quality training.

To meet the objectives of the courses and ensure standardized delivery, all instructors must strictly follow the course outlines and lesson plans included in the manual. Omitting content or skills is prohibited. Adaptation of the course outline is allowed when those sections are not built off of previously covered teaching skills or content. Examples where adaptation may be necessary include facility availability; specific instructor-to-participant ratios; equipment-to-participant ratios and the physical constraints or needs of a participant. Adaptation based on participant physical constraints or participant needs must follow the guidance in the *Inclusion Resource Guide* found on the Red Cross Learning Center. Adapting the training does not mean that instructors or instructor trainers can add to, delete or change content or the requirements for certification. Adding, deleting or changing content or the requirements for certification will result in corrective action.

Training Provider Course and Price List

The *Training Provider Course and Price List* contains the courses available to Training Providers. This list of Product Packages includes course combinations and bundles for Training Providers and their students. When executing the LTP Agreement, each Training Provider selects the Product Package(s) with the courses they want to make available to their instructors.

The Red Cross publishes an annual price list that may include modest price adjustments, rather than larger increases that would more significantly impact our Training Providers.

The annual *Training Provider Course and Price List* can be found in the Red Cross Learning Center under Resources>Administrative Information. Advance notice of price changes is provided in accordance with the terms of the LTP Agreement.

To add Red Cross training courses to your *LTP Agreement*, contact your sales representative.

Reporting and Setting Up Classes

There are a few ways to set up and report classes. Log in and access through the red buttons that appear on the right side of the homepage. Instructors will see Course Record Entry and Request Blended Class. Administrators will additionally see Request Online Class and List Class on RCO.

Processing Instructor Led Classes

To process an Instructor-Led course that has already been completed and taught in-person, or to report the completion of a blended learning in-person session by a student who took an online session, use the option for Course Record Entry.

Setting Up and Delivering Blended Learning Courses

There are several ways to deliver Blended Learning courses.

- Request Online Class: Account administrators receive a registration link after they set up the online portion of a course. Only students with access to the link will be able to register for the online portion. Administrations must determine how many seats are needed for the online portion at the time of set up and it must be set up prior to conducting the in-person skill session. The Administrator is able to see student completion status. Students must complete the online portion prior to the in-person skill session. After completing the in-person skill session, instructors or administrators report via course record entry.

- Request Blended Class: In this method, set a specific number of online access vouchers. The learners will need to complete the online training by a set date and attend a skills session that is set up in advance in the Red Cross Learning Center. The Instructor will be able to see student's online completion and progress. Once the class is complete, instructors and administrators must report student evaluations and close the class for students to receive certificates. If a student does not attend the skill session, they will need to be re-enrolled in a new class. Note: The student's progress will reset if they enroll in a new blended learning class.

Instructor & Instructor Trainer Updates, Recertification and Bridging

To view current instructor credentials, login to the Red Cross Learning Center and navigate to the "My Certification" tab in the top menu. To ensure all requirements for Recertification and Program Updates are met, navigate to the "Instructor Lifecycle" tab.

Instructor and IT bridging are expedited instructor and IT certification options that recognize an individual's past certification and experience – either with the Red Cross or other national training organizations. Bridging allows for Red Cross certification without the need to attend a full instructor course. Most instructor and IT bridge courses are online and are free to eligible instructor or IT candidates.

Individuals who qualify for and complete an instructor or IT bridge will be granted the same instructor or IT certification as an individual who completed the full instructor course for the program. For additional information on bridging, including eligibility requirements, go to the "Instructor Lifecycle" tab and select "Bridging to Become an Instructor."

INSTRUCTORS AND INSTRUCTOR TRAINERS

Instructor Certification

Certification occurs when a candidate successfully completes the instructor course or the instructor bridge course (if qualified) and is issued an instructor certification indicating that all requirements have been met on that date.

Before an instructor can teach and gain access to the Red Cross Learning Center—Instructor Portal, s/he must be affiliated with a Training Provider. Once certified, an instructor may provide training based upon the affiliation with the Training Provider and the Training Provider's agreement with the Red Cross.

Instructor Courses

Red Cross instructor courses are in a blended learning format featuring an online introduction to the instructor course and an in-person portion. Instructor courses train individuals to be able to teach the course(s) within a specific program. The online portion typically includes a review of the Red Cross mission and services, an overview of the training program and materials, and an introduction to the tools and resources available to instructors. Candidates must complete the online introduction before attending the first session of the in-person instructor course.

The in-person portion is led by a certified Red Cross Instructor Trainer (IT) in the specific program area. It

Docusign Envelope ID: F0188B6F-1C1A-49F5-BC73-1574EA32FFB0

includes a pre-course skills assessment, a review of the training program and materials, and features one or more practice-teaching assignments. This allows instructor candidates the opportunity to practice the sections they will be teaching.

Individuals who successfully complete the instructor course will be granted a Red Cross Instructor certification permitting them to teach the course or courses within the training program area for a specific period of time, which is usually two years. Newly certified instructors must affiliate with a Training Provider in order to teach Red Cross courses and submit training records.

The specific prerequisites and details for instructor courses vary by training program. For information on instructor courses, visit the Red Cross Learning Center at www.redcrosslearningcenter.org (no login required).

To register for an instructor course, interested candidates can search for a class by location on the Red Cross website https://www.redcross.org/take-a-class or call 1-800-RED-CROSS.

The Red Cross offers organizations "Full Service" instructor courses in which a Red Cross Instructor Trainer delivers the course on-site to multiple candidates. For information on scheduling an instructor course at your location, contact your sales representative.

Instructor Trainers

Instructor Trainers are individuals certified to teach Red Cross instructor courses which certify new instructors. Similar to instructor requirements, in order for an instructor trainer (IT) to be able to teach instructor courses, the IT must:

- Successfully complete an instructor trainer course in each of the courses you wish to teach.
- Be affiliated with a Training Provider's RCLC account—whether as an employee, volunteer, or independent contractor—with an active LTP Agreement with the Red Cross
- Agree to the Instructor Trainer Agreement.

Instructor and Instructor Trainer (IT) Agreement

All Red Cross instructors and instructor trainers (IT) are required to review and agree to the *Instructor Agreement* as part of the certification and recertification process. It outlines an instructor's obligations in the conduct of Red Cross courses. Certified instructors and ITs can access and view the *Instructor Agreement* on the Red Cross Learning Center.

Instructor Get Started Guide

The *Instructor Get Started Guide* is a resource for newly certified Red Cross instructors detailing the key initial steps that an instructor needs to complete to begin teaching Red Cross programs based on their new Instructor certification. The *Instructor Get Started Guide* can be found under Resources>Administrative Information in the Red Cross Learning Center.

Instructor Trainer Academies

Instructor Trainer Academies are training courses where candidates achieve their IT certification by participating and successfully completing a training program led by a Red Cross Instructor Trainer Educator. IT Academy curriculum is focused on providing the IT candidates with the knowledge, skills and familiarity with the Red Cross training program area so the IT can train new instructors in:

- Skill, expertise and mastery in the training program area,
- Facilitation and classroom management, and
- Understanding of Red Cross training tools, resources, and processes.

IT Academies are available for the First Aid/CPR/AED, Lifeguarding, and Water Safety programs. To attend an IT Academy, interested individuals must meet the qualifications and are required to complete an online application that includes providing details of the individual's teaching experience to-date and information on the IT candidates' interest in becoming an IT. Once the application is submitted, the IT Academy Administrative Coordinator reviews the application and contacts approved IT candidates with the steps to register for an IT academy.

The nationwide IT Academy schedule and the specific requirements and process to apply to attend are available in the Instructor Lifecycle section on the Red Cross Learning Center.

The Red Cross is always interested in working with organizations that would like to host an aquatic Instructor Trainer Academy at their facility. Program facility needs and requirements depend on the specific program area. Potential host facilities for aquatic Academies can complete the "Host IT Academy" application form located in the Instructor Trainer Candidates page under the Instructor Lifecycle section of the Red Cross Learning Center. https://www.redcrosslearningcenter.org/s/instructor-trainer-candidates

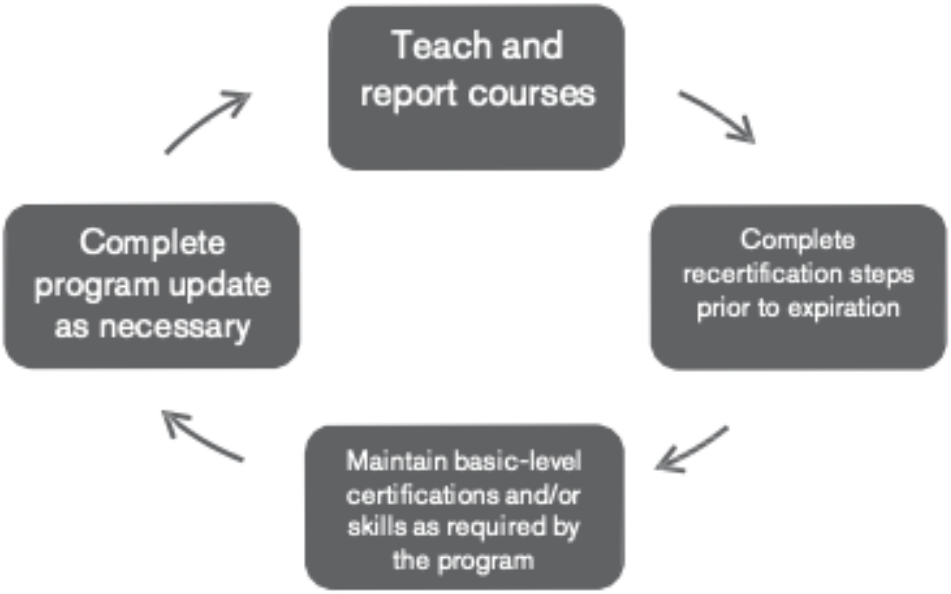
Maintaining Instructor and Instructor Trainer Certification

Requirements to maintain instructor and IT certification varies by training program. However, requirements typically include maintaining a basic-level certification in the program area, teaching a minimum number of class during the two-year certification period, completing an online recertification assessment or – depending on the program area – an in-person review course, and completing any instructor/IT update course as required by the Red Cross following a program update. Online Instructor/IT recertification assessments and updates are typically available at no cost during the update period.

A visual of the typical instructor or instructor trainer lifecycle is provided below.



For more information on the instructor lifecycle and maintaining certification requirements, instructors and ITs should review the program Instructor Bulletin, instructor's manual, and instructor trainer's guide and should review the contents of the Instructor Lifecycle section of the Red Cross Learning Center.

Quality Assurance

The Red Cross is the leader in quality health and safety training. It maintains this status by ensuring instructors and instructor trainers have the tools, resources and information to allow them to adhere to Red Cross training standards. The purpose of the Quality Assurance program is to maintain the integrity of Red Cross training programs and ensure compliance by Training Providers and instructors with all Red Cross training standards and requirements, including those set forth in the LTP Agreement, the Instructor Agreement, and this Guide.

Quality Assurance has the right to fully review and take remedial measures for any classes that do not meet Red Cross standards, whether as a response to a reported concern or as a proactive measure to ensure quality. Among other measures, Quality Assurance may permanently or temporarily suspend the right of instructors and Training Providers to conduct courses, and to upload course records into the Red Cross Learning Center. Drawing on a body of collective expertise from such diverse fields as emergency medicine, occupational health, sports medicine, school health, emergency medical services (EMS) response, and disaster mobilization, the Council advises the Red Cross in areas related to the development and dissemination of audience- appropriate information and training in first aid and water safety.

OSHA Alliance

On May 19, 2005, the American Red Cross and the Occupational Safety and Health Administration (OSHA) signed an Alliance agreement geared towards preparing employers and their employees to respond to disasters, life-threatening injuries, and other emergencies.

Through this agreement, the Red Cross and OSHA will provide information, guidance, and access to training resources on health and safety topics including emergency preparedness, disease prevention, and first aid in the workplace.

Lifesaving Awards

The Red Cross Lifesaving Award program began in 1911. The Red Cross believes everyone that helps save a life should be recognized and therefore the current program includes several types of awards. Over the years, the continued focus on lifesaving has provided the platform to grow this program to include:

The Certificate of Merit Award

The highest award given by the American Red Cross to an individual or team of individuals who save or sustain a life using skills and knowledge learned in a Red Cross Training Services course. This action exemplifies the highest degree of concern of one human being for another in distress. Certificate of Merit award is signed by the President of the United States, who is the Honorary Chairman of the American Red Cross, and the Chairman of the American Red Cross.

The Lifesaving Award (for Professional Responder and Healthcare Providers)

Given to an individual or team of individuals who saves or sustains a life outside of a medical setting and had an obligation to respond as part of employment (e.g., on-duty lifeguards; police, fire, and EMS personnel responding to a 9-1-1 call; professional health care workers). The certificate is signed by the Chairman of the American Red Cross and the President and CEO of the American Red Cross.

The Certificate of Extraordinary Personal Action

Awarded to individuals who step up in an emergency and help to save or sustain a life. The awardees exemplify the mission of the Red Cross to prevent and alleviate human suffering in the face of emergencies and are commended for their willingness to help others in distress. This award is given to individuals who are not Red Cross or are unable to provide evidence of Red Cross training.

The Instructor Lifesaving Award

One of the highest awards given by American Red Cross Training Services to instructors who taught an individual who used skills to save or sustain a life.
