Re: Amending Chapter 22 of the City Code as it relates to the sewer utility

## Executive Summary

Staff has prepared for Council consideration an ordinance amending Chapter 22 of the City Code as it relates to the sewer utility.

## Discussion

Chapter 22 of the City Code relating to the sewer utility was amended as part of the Fiscal Year 2017 budget process. While the table of proposed increases in connection fees was updated during the process, the second sentence in Sec. 22.-264 (b) contained a reference to the residential connection fee that was not updated. This ordinance updates the code so that the sentence matches the table.
