Speaker's Name: (please indicate if more than one speaker): Kolin Mattingly

Telephone: [REDACTED]

Email Address: [REDACTED]

Topic (please be specific): I would like to speak about the continued level of crime in the city. There were recently three robberies within 30 minutes of each other. I realize the issue of more police officers has been discussed at great length. The Mayor's Task Force on Community Violence appeared to have had little effect or change. I would strongly encourage council to look long and hard at the budget and ways to add more police and utilize what resources that are available. I strongly believe this issue needs to be addressed and I would like to keep the topic current by speaking at a council meeting.

I understand that the information submitted in this form will be published with a City Council agenda and will be made available to the public.: yes
