

**REQUEST TO HAVE FULL OBJECTION TO CLOSED MEETING ENTERED  
INTO MINUTES INCLUDING REASONING BEHIND SAID OBJECTION**

To the attention of:

Anthony Stanton, President  
Susan Maze, Secretary  
Randy Cole, City Liaison  
Darcie Clark, City Staff

I object to a closed session pursuant to RSMO 610.021 (1) Legal actions, causes of action or litigation. I believe it to be unethical to hold a discussion about the criminal investigation of Councilman Thomas when others present in the closed session have acknowledged publicly prior knowledge pertaining to the discussions Thomas was holding with developer representatives and furthermore that same members may be called to give testimony.

Having objected to the motion to close the meeting of the Columbia Community Land Trust on April 09, 2019 AND having made this objection prior to the vote to close the meeting, I wish to have my objection entered into the minutes for that date.
